

AGGIES BEND EVERY EFFORT TO DEFEAT OREGON SATURDAY

Oregon Agricultural College, Nov. 13.—Discussion of plans for the winning of the Oregon game was the chief business coming before the student assembly meeting, Wednesday. The usual routine of business was cut short, so as to give time for talks on the game.

"Jimite" Richardson explained the general arrangements for tickets and transportation for the entire student body, faculty and a goodly number of the townspeople to the scene of the conflict.

"Bob" McClanahan, chairman of the student committee on arrangements explained the ticket sale on the campus.

The remainder of the time was given to the development of "pep" thru talks by Coach Hargiss and others.

"Mike" Butler of Portland, for ten years physical director of the Chicago Athletic club has arrived on the campus for the purpose of taking care of the team for the coming two weeks. He is a very capable man and will do much toward a victory over Oregon and W. S. C. by having all the men in perfect shape. A trainer is essential and the college feels quite fortunate in securing the services of a man of Butler's caliber. He will have complete charge of the training for the Oregon and Washington state games.

O. A. C. will be represented by eight men at Oregon November 13 in the annual cross country run, which will be held just before the big football battle.

Eugene Ready to Handle Big Mob Next Saturday

Ample and comfortable bleacher and grandstand accommodations for all who attend the Saturday game at Eugene between the University of Oregon and Oregon Agricultural college elevens are assured, according to word received from Marion McClain, graduate manager at the university, today.

"Between 9000 and 10,000 seats will be provided," Mr. McClain told The Capital Journal over long distance telephone. "Fifty-seven hundred of these will be under cover and dry, should the afternoon chance to be rainy."

The game Saturday will mark the opening of Oregon's new athletic field, which is the most modern of any on the Pacific coast. The football field with its turf surface has not been played on this season and will be in the best of condition, assuring a fast-playing gridiron.

Two special trains, one of the Oregon Electric and the other on the Southern Pacific will leave Portland at 8 o'clock Saturday morning, arriving in Salem at 8:45 and reaching Eugene in time for the passengers to get dinner before the game. Special cars will be added to these trains here if necessary to accommodate the crowds.

State House Briefs.

E. T. Meredith, Des Moines, Iowa, president of the Associated Advertising clubs of America, has written Governor Olcott accepting an invitation to visit the clubs of the northwest and stating that he will probably visit Oregon next summer.

Governor Olcott yesterday received an appeal from Rev. Red Fox Skinhushu, Toppenish, Wash., to aid in the establishment of a fund to provide non-denominational biblical instruction for the Indian children of the northwest. Rev. Skinhushu represents association.

In consideration for the return of the resident manager of the Malheur House Telephone company, whose removal is declared to have resulted in impaired telephone service the Vale chamber of commerce, in resolutions received by the public service commission this morning, expresses its readiness to abide by any rate increase which the state regulatory body finds to be reasonable and necessary to the maintenance for an increase of one dollar per month in business telephone and twenty-five cents per month for residence service.

A second bank is in prospect for Athena, Unatilla county. Articles of incorporation were filed with Will H. Banks To Be Notified Of Holidays Through Letters

Hereafter all banks will be notified by letter of the proclamation of legal holidays as a result of an arrangement made by Governor Olcott and Will H. Bennett, state superintendent of banks. The arrangement is made to forestall the repetition of the misunderstanding relative to the proclamation of Armistice day, November 11, as a legal holiday.

In his statement Governor Olcott says: "Legal holidays will not be declared by me only upon those occasions which I consider to be of great importance. However, I have discovered that after designating Armistice day, November

11, as a holiday, regardless that the fact gained widest publicity a great many people wired, wrote and telephoned into the office asking if it were to be a holiday. The greater number of these inquiries came from banking houses and inasmuch as bankers are greatly interested in the matter of legal holidays I will take this means to give them official notification, although such a step is not required by law."

STRIKE AMMUNITION SEIZED

Charleston, W. Va., Nov. 12.—Deputy sheriffs, under instructions from Governor Crowell, here seized nine high power rifles and 1000 rounds of ammunition consigned to a miner in the Cabin Creek coal fields.

Workmen Asked To Report Accidents To Commission

Working men entitled to compensation under the provisions of the act passed by the legislature in 1917, are asked to report to the industrial accident commission, in their report of the accident, a statement issued by the commission, finds that in the past of cases the report of the workers the last of the required reports received by the commission.

In the 641 cases coming before the commission during the week ending November 8, it was found that on average the surgeon sent in his report in 16 days and the worker in 12 days, or over.

BOXING

Seattle, Wash., Nov. 13.—Joe Gorman, Portland lightweight, fought a great six round draw with Jimmy Dundee here last night. The little fellows stood up and slugged during the early rounds. In the fifth Dundee unhooked a strong attack and held a lead, but in the sixth, Gorman staged such a strong comeback that he earned a draw.

Billy Wright, local welterweight, boxed his way to a win over Eddie Hammond of Chicago in six rounds.

In the other bouts Mike Pete, local welter, drew with Jimmy Clarke of Canada; Jim Coffey of San Francisco, featherweight, beat Jimmy Duffy of Aberdeen and George Etzel of the Pacific fleet, beat Charley Davidson.

Portland, Maine, Nov. 12.—Eugene Brosseau, Canadian middleweight champion, has partial paralysis of the left side of his face and left arm. Physicians who examined him after his fight with George Chip, pronounced the ailment due to over exertion and prescribed a long rest.

If Back Hurts Use Salts For Kidneys

Eat less meat if kidneys feel like lead or bladder bothers you—Meat forms uric acid

Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts is harmless, inexpensive, makes a delightful effervescent lithia water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications.

A well known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble. (Adv.)
