

### BISHOP SUMNER TO OPEN DOORS FOR EPISCOPALIANS

The nation wide campaign of the Episcopal church, which has been inaugurated for the revitalization of its spiritualities and temporalities, is stirring up intense interest among the members of that denomination thru out the diocese of Oregon. The conference held in Portland Wednesday was well attended by clergy and laymen from the various cities and towns of western Oregon; and Rev. C. H. Powell reports that there was manifested enthusiastic determination to carry the campaign through to a successful conclusion. The primary endeavor will be to wake up the sleeping and dormant members of the church and to set them to work in one or more of the several departments of the local church activities. Nationally, of course there will be emphasized the need of inspiring the leadership of America and the world to adopt Christian principles as guide of all human endeavor.

Arrangements have been made for a conference and mass meeting to be held in St. Paul's church, corner of Church and Chemekeeta streets, next Monday afternoon and evening. The conference, appointed for 4 o'clock, will be for the purpose of advising the local workers in the campaign as to their duties. And the mass meeting at 7:30 will be inspirational in spirit, with the urgent request that every member or friend of the Episcopal church be present. The speakers at the mass meeting will be Bishop Sumner of Portland, and prominent ministers and laymen sent out by the New York headquarters. These speakers will make a tour of this section of the state for the purpose of addressing mass meetings at various places.

### SPECIAL TRAINS WILL CARRY FANS TO EUGENE

Two special trains are to carry the Willamette valley football fans to the Oregon-O. A. C. game in Eugene tomorrow and, according to early reports these will be well crowded. Salem alone being expected to send in the neighborhood of 500 to the university city.

On both the Oregon Electric and the Southern Pacific, trains will leave Portland at 8 o'clock in the morning and will arrive here about an hour and 45 minutes later. The electric is scheduled to pull out of Salem at 9:45 a. m. and the S. P. special will get away three minutes later. Those who expect to make the trip over the steam line are requested to get in touch with Walter Winslow, who is making arrangements to have ample accommodations.

Both of the trains will stop in Albany, but aside from that will make no stops and will reach Eugene at 12 o'clock. To accommodate those who wish to return Saturday evening trains will leave Eugene at 5:25 and 6 p. m. on the electric and at 5:25. This will enable Salem people to be back home by 8 o'clock Saturday night.

### Sage And Sulphur Darkens Gray Hair

Brush this through faded, streaked locks and they become dark, glossy, youthful.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays, by asking at any drug store for "Wyoth's Sage and Sulphur Compound," you will get a large bottle of this famous old recipe, improved by the addition of other ingredients, at a small cost.

Don't stay gray! Try it! No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, glossy and attractive. (Adv.)

### BOLSHEVIK ARMS VICTORS IN BATTLE AGAINST KOLCHAK

London, Nov. 14.—Russian bolshevik armies have had a week of almost continuous successes, the British war office statement indicated today.

Since Monday, the statement said, the red forces have advanced over a front of 200 miles in the east, an average depth of fifty miles. Admiral Kolchak's forces are reported to have lost large numbers of prisoners.

On the western and southern fronts bolshevik forces have continued their drives vigorously, over fronts of approximately 200 miles in each district. The soviet armies have pierced the anti-bolshevik lines in some places, pushing ahead an average of forty miles.

In the south a red cavalry detachment penetrated General Denekins' lines south of Kromy, capturing Bonury and Fatech.

The white army counter attacked and succeeded in closing the gap. The red forces were reported to have been surrounded.

### Tells Dyspeptics What To Eat

Avoid Indigestion, Sour Acid, Stomach Heartburn, Gas on Stomach, etc.

Indigestion and practically all forms of stomach trouble, say medical authorities, are due nine times out of ten to an excess of hydrochloric acid in the stomach. Chronic "acid stomach" is exceedingly dangerous and sufferers should do either one of two things.

Either they can go on a limited and often disagreeable diet, avoiding foods that disagree with them, that irritate the stomach and lead to excess acid secretion or they can eat as they please in reason and make it a practice to counteract the effect of the harmful acid and prevent the formation of gas, sourness or premature fermentation by the use of a little Bismarated Magnesia at their meals.

There is probably no better, safer or more reliable stomach antacid than Bismarated Magnesia and it is widely used for this purpose. It has no direct action on the stomach and is not a digester. But a teaspoonful of the powder or a couple of five grain tablets taken in a little water with the food will neutralize the excess acidity which may be present and prevent its further formation. This removes the whole cause of the trouble and the meal digests naturally and healthfully without need of pepsin pills or artificial digestants.

Get a few ounces of Bismarated Magnesia from any reliable druggist. Ask for either powder or tablets. It never comes as a liquid, milk or citrate and in the bismarated form is not a laxative. Try this plan and eat what you want at your next meal and see if this isn't the best advice you ever had on "what to eat." (Adv.)
