

CONFERENCE DATES FOR ALBANY SESSION OF OLDER BOYS SET

Under the auspices of the Interstate boys' work committee of the Young Men's Christian association for Oregon and Idaho, the sixth and last of a series of conferences for older boys will be held in Albany, Friday, Saturday and Sunday, December 5, 6 and 7.

"Let's go," the battle cry of the boys, will be heard for the three days of the big meeting, the program for which is virtually complete. Enthusiasm is running high and Paul L. Newmyer, in charge of boys' work in Oregon and Idaho, declares his expectation that 300 delegates will be present.

Under the local direction of C. W. Boettcher, superintendent of schools of Albany, a committee of citizens representative of the city is perfecting arrangements for what undoubtedly will prove to be the biggest of the series of older boys' conferences in the two states.

The whole city of Albany is united to give the boys the time of their lives and those who attend may be certain they are going to have plenty of eats, athletics, music, singing, discussion of subjects pertinent to their own problems and the privilege of hearing some of the best men and women speakers ever assembled on a program.

EUGENE HI CRIPPLED BUT CONFIDENT THEY CAN DEFEAT SALEM

Eugene, Or., Nov. 21.—With Claire Luckey, sensational left half of the Eugene high school team, carrying his broken left wing on a board and Allan Moore, perhaps the cleverest left forward the local school ever produced, lying on his back with a case of tonsillitis that will keep him from Saturday's clash with Salem, Eugene supporters are still maintaining they are going to "Whale 'em in Salem."

This is not a "bear" story. Luckey and Moore, phenoms, will not play against Salem Saturday. Luckey sustained a fractured arm when he played against Lebanon last Friday, and Moore has been confined to his home since Sunday.

Eugeneans, however, are not down in the mouth, and are confident that the swift purple and white machine that so far has run up 263 points to its opponents four, will vanquish their arch-rivals of the red and black jerseys in next Saturday's rumpus.

"We are crippled—but we expect to win," is the only thing Coach Grannis would volunteer today. Grannis, who has had considerable experience in various parts of Oregon and who acted as mentor for an army team last year, has not lost a game in seven years.

The smooth working machine which Eugene has this year has been developed entirely by Grannis, only three of last season's gridders being present. So far no eleven has been able to cope with the local's smashing attack. Franklin high of Portland being helpless before the onslaughts of the purple and white backs and suffering defeat, 34 to nothing.

After going for three straight seasons without suffering a defeat, Eugene proppers are determined that the game with Salem Saturday—the one game of the season—will result in their favor. Enthusiasm here is running high but it is doubtful if more than 150 rooters will be able to make the trip.

Outside of the two injuries, the locals are in good condition. The team will average 150 pounds in weight.

The lineup:
Salem: R.E.L. Eugene, Red; R.T.L. Besonette; R.G.L. Carter; C. Dunn; L.G.R. Purdy; L.T.R. Thompson; A.L.R. Bryson; Q. Bowen; R.H.L. Walker; L.H.R. Equils; F. Barcoe

SALEM READY FOR BATTLE WITH UP-VALLEY WARRIORS
With the exception of a few minor injuries to one or two of its players, the Salem high school is ready for the clash with the Eugene aggregation on Sweetland field, tomorrow afternoon. That the locals have a hard game on their hands is evidenced by the 253 points which the visitors have rolled up against their opponents this year and the fact that they have not been defeated.

The game will be called at 3 o'clock

SEATTLE DIRECTORS TALK MANAGER TODAY

Seattle, Wash., Nov. 21.—Seattle's new set of baseball directors will hold their first session today to discuss the matter of a manager for the local Coast league team for next season. In spite of the fact that word has been received from Charles Comiskey of the Chicago White Sox that there "nothing doing" on the Chick Gandil deal, whereby the Sox first sacker would pilot the Rainiers, the directors still entertained hopes today of getting Gandil. Mike Kelley, of St. Paul, is also out of the running as Mike wants to buy a half interest in the club and there isn't any stock for sale.

The race has narrowed down to four—Eddie Herr, formerly of Salt Lake; Charlie Mullen, who finished out the season here; Clyde Ware, local second baseman; and Bill Rodgers of Sacramento are still being considered for the job.

Prince Albert Delays Jimmie Wild's Plans
New York, Nov. 21.—Jimmy Wilde, British flyweight champion under contract to make his first American appearance in a ten round bout with Jack Sharkey, New York bantam, at Milwaukee, December 6, was to have left for Chicago today, but—

The Prince of Wales notified Jimmy he wanted to see him this afternoon so Jimmy will wait over. The prince has seen Wilde box in London and is keenly interested in him.

A four horse team and wagon on the way to Forest Grove went over the grade on the Lorane hill, seriously injuring Martin Foster, the driver.

PROFITEERING CHARGED
Chicago, Nov. 21.—Warrants charging thirty eight Chicago grocers with profiteering in selling sugar were issued today by United States Court Commissioner Lewis. Sugar was selling as high as 20 cents a pound here today.

Oil Replaces Coal In Portland Industries

Portland, Or., Nov. 21.—The prospect of an empty coal bin is not worrying Portland, at least not directly. The nation-wide coal shortage has not affected this community, because oil has replaced coal as a fuel for schools, hospitals, apartment houses and practically all industries.

Changes Mind About Going Away

"Five years ago doctors told me I would have to move my wife to another climate, as she suffered so with stomach and liver trouble and bloating. Also, that she would have to have an operation for gall stones. Our mail carrier told me of Mayr's Wonderful Remedy and, on his advice, she has taken it and is now as well as ever in her life." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach ailments, including appendicitis. One dose will convince or money refunded. J. C. Perry and druggists everywhere. (Adv)
