

MEXICO EXPECTED TO CAPITULATE TO AMERICAN DEMAND

Washington, Nov. 21.—Immediate capitulation of the Mexican authorities on the issue created by their imprisonment of William O. Jenkins, American consular agent at Puebla, was expected by the state department today to put a quick end to the latest Mexican "crisis."

The United States has peremptorily demanded Jenkins' immediate release in what is considered one of the most aggressive notes ever sent to Carranza. A reply was expected today or tomorrow.

The entire matter has been laid before President Wilson's cabinet. It was believed today that the state department's ultimatum was passed on by President Wilson before it was despatched to Mexico.

The note of yesterday stated that the department is in possession of information showing that the arrest of Jenkins was absolutely arbitrary and unwarranted.

This was interpreted as showing that the state department now is convinced that the charge against Jenkins of collusion with the bandits, who captured and held him for \$150,000 ransom, are baseless.

SOCIALISTS ROUNDLY BEATEN IN ELECTION

By Camillo Cianfara (United Press staff correspondent) Rome, Nov. 18.—(Night)—Returns from Sunday's elections for the chamber of deputies, as made public officially by the ministry of the interior tonight, showed the socialists have elected from 130 to 135 deputies, the Catholics 120 and the constitutionalists, 233.

Commander Rizzo, one of the principal lieutenants of Gabrieli D'Annunzio at Fiume, has been elected from Fiume, it was indicated, but defeated at Messina. (Under Italian election laws it is possible for a candidate to run from two districts in the same election.)

Reports from the north and central districts today increased the Catholic vote in those sections, nearly counterbalancing the vote. Reports from Turin said former Minister Facta probably would be the only Giolittist re-elected.

Movie Bandit Says Carlisle Heads for "Chi"

Chicago, Nov. 21.—"Bill" Carlisle, Wyoming's Jesse James, is probably on his way to Chicago. This was the opinion expressed today by Fred Stone, movie bandit and comedian, to the United Press.

"Carlisle is evident too wise a bird" Stone said, "to make an attempt to elude pursuit for any length of time in the so called wilds of Wyoming. He would naturally seek out the best hiding place and that is, of course, Chicago, or any other large city."

"Carlisle has shown enough nerve and judgment in his exploits to lead me to believe that he had the whole thing figured out before he pulled the train robberies. He probably went to some out of the way station and boarded a train for the east a short time after the exploit."

"I was born and raised out in that country and I know it thoroughly. In these days there isn't a place in the whole state of Wyoming where Carlisle could hide for any length of time. Indications that he used an automobile in effecting his escape are thoroughly in accord with the accepted bandit technique."

The county court of Jackson county has agreed to match the special levy for good roads made in any road district up to \$5000. In excess of that amount the county will give 25 per cent.

By W. E. Hazgraves (United Press staff correspondent) New York, Nov. 21.—The Prince of Wales today placed a wreath on the grave of Colonel Theodore Roosevelt at Oyster Bay.

From the little cemetery plot he was to go to the Pipping Rock club for luncheon and from there to H. M. S. Renown, where a reception to 1000 New York children was to be held this afternoon. This evening his program calls for dinner at the Waldorf-Astoria as guest of the Pilgrims' society; attendance at the New York Hippodrome and a reception in his honor in the Seventh regiment armory by Mr. and Mrs. Rodman Wanamaker.

Elderly People Have A Daily Health Problem

Stomach muscles and digestive organs slow to act as age advances

MOST people find the years slipping by without realizing it, until suddenly confronted with the fact that they can no longer digest everything they would like to eat. It then becomes their daily task to avoid what they know to be chronic constipation.

When exercise and light diet fail it will be necessary to resort to artificial means. Strong physics and cathartics, however, are not advisable for elderly people. They act too powerfully and a feeling of weakness results.

What is needed is a laxative containing effective but mild properties. This is best found in Dr. Caldwell's Syrup Pepsin which is a combination of simple laxative herbs with pepsin. It acts gently and without griping, and used a few days will train the digestive organs to do their work naturally again without other aid.

even a large family many months. It is a trustworthy preparation.

Dr. Caldwell's Syrup Pepsin has been on the market since 1892 and was the private formula of Dr. W. B. Caldwell, who is himself past 60 years of age and still active in his profession. It can be bought at any drug store for 50c and \$1 a bottle, the latter containing enough to last

In spite of the fact that Dr. Caldwell's Syrup Pepsin is the largest selling liquid laxative in the world, there being over 6 million bottles sold each year, many who need its benefits have not yet used it. If you have not, send your name and address for a free trial bottle to Dr. W. B. Caldwell, 311 Washington St., Worcester, Illinois.
