

EASTERN OREGON CONTRIBUTED TO LAUSATNA FUNDS

Professor E. C. Richards, secretary of education for Willamette, recently returned from a trip of three weeks into eastern Oregon in the interests of the university. During this time he added \$2925 to the Lausanne fund. Pendleton contributed \$8500 of this, which, added to \$600 previously contributed from that place, makes a total of \$3300 for that city. La Grande contributed \$925, which added to \$100 previously given at La Grande, makes a total of \$1025 for La Grande. Stanfield, Oregon, gave \$500. The contributors from these places are as follows: Pendleton, Mrs. Mary L. Stockman, \$1000; L. L. Mann, \$600; M. O. LaDue, \$500; A. W. Ruck, \$500; Mrs. J. R. Mumford, \$500; R. O. Barnheart, \$100. La Grande, Joseph Palmer, \$500; Floyd McKennon, \$100; A. Blockland, \$125; Garret Blockland, \$100; L. L. McKennon, \$100. Stanfield, J. C. Hoskins, \$500.

Business Is Helping
On Sunday, November 16, Professor Richards spoke at Haines, Oregon, and visited Winnie McKennon, '18, who is teaching in the high school there. Miss McKennon is carrying on a campaign to raise a fund with which to build fireplaces in the new building, the fund to be raised from among women who once were residents of Lausanne. Over one hundred dollars has been raised for this fund and plans were laid to increase this to several hundred.

Of the sixty rooms to be named by contributors of \$500 or more, about forty have been sold, and choices of rooms now are being made according to the order of the contributions. During this trip Professor Richards visited several alumni, among whom are the following at Pendleton: Miss Grace A. Gilliam, '97, treasurer of Umatilla county; W. T. Rigby, '99, a member of the Oregon legislature during the term 1916-19; Orville Oliver, '00, many graduates.

Oliver Rosche, '17, teacher in Pendleton high school, Academy graduate of the class of '05; L. L. Mann, Commercial graduate of the class of '09; and R. I. Keator, F. E. Schmidt and Charles Z. Randall of the law class of '13. Keator, Schmidt and Randall are associated together as a law firm in Pendleton. Mr. Keator being "of" Attorney for Umatilla county and Mr. Randall assistant. Mr. Schmidt also has held the office of assistant district attorney. At La Grande Professor Richards saw Robert L. Alkin, law, '00, who is a member of the strong law firm of Crawford and Alkin, Andrew Marker, law '08, formerly a member of the firm of Ivanhoe and Marker, La Grande, is captain of Co. A, 24th Infantry, U. S. Regulars, stationed at Columbus, N. B. Ed Averill, '06, who was a member of the U. S. biological survey, located at Pendleton, now is the agriculturalist for the Exchange National Bank, of Spokane.

Professor Richards expects to spend several days in the vicinity of Wasco, Mars, and Athena before the Christmas vacation, in a canvass for more funds for the dormitory.

HUCKESTEIN UGRES COUNTY TO RESPOND TO WAR STAMP DRIVE

Urging an immediate response to the drive being conducted by the Elks lodges for the sale of war saving stamps and treasury certificates, August Huckestein, chairman of the county war savings committee, has issued the following statement to the people of Marion county:

"Oregon is \$1,000,000 short in her 1919 war savings quota and we have but two months to raise this deficiency. Although we have always led the nation in government financing, actual failure faces us unless every loyal citizen promptly responds to our government's appeal and buys liberally of government securities which include:

\$100 treasury savings certificate cost in November \$84.40; cost in December \$84.60.
\$1000 treasury savings certificate cost in November \$844; cost in December \$844.

"35 war saving stamps cost in November \$4.22; cost in December \$4.23. These securities if carried until their full maturity which is January 1, 1924, earn 4 1/2 per cent, or if cashed prior to that date they earn 3 per cent, in other words you can always cash them in at the post office upon ten days' notice and receive what you paid for them plus the interest. From the standpoint of investment there is none better.
"The task of raising our quota has been patriotically undertaken by the Oregon State Elks' association and subordinate lodges.
"The limit which anyone can buy is \$1000 maturity value. Each member of a family may take \$1000 no matter how numerous a family, or how young its several members. Moreover, anyone having the money may buy for father, mother, son, daughter, cousin, nephew, niece, etc. In case of a corporation, the corporation itself may take \$1000 and each officer of the corporation \$1000. In case of partnership, each member of the firm may take \$1000. We urge all who can afford to do so to buy the limit."

William Lowe drove into Burns a few days ago with \$2500 worth of furs that he had trapped in Harney county.

FALLS CITY WOMAN OLD POLK RESIDENT, BURIED AT DALLAS

Dallas, Or., Nov. 22.—With the death of Mrs. Josephine Grant at Falls City this week Polk county lost another of that rapidly diminishing crowd of early pioneer citizens that helped lay the foundation of the present state of Oregon.
Mrs. Grant died of old age, having been born in Clay county, Missouri, November 6, 1846. She made her home in that state until 1852 when, with her husband, the late H. R. Grant, she crossed the plains to Oregon, taking up a donation land claim near the present town of Falls City. Here they resided until 15 or 16 years ago, when they moved to Dallas where Mr. Grant passed away in 1912. Mrs. Grant continued to make this city her home until a few years ago, when she went to Falls City to live with her son, David J. Grant.
The deceased is survived by three sons, all living in this county: John M. Grant, for many years sheriff of Polk county; David J. Grant, of Falls City and Milton R. Grant of this city.
Funeral services were conducted from the Chapman chapel on north Main street and the body was laid to rest beside the remains of her husband in the Lewisville cemetery which is the resting place of a number of the hardy pioneers of the early days.

Reindeer Herd To Be Sent To Hudson Bay

Vancouver, B. C., Nov. 22.—The transfer of a herd of 1500 reindeer from Alaska to the region of Hudson Bay is provided for in considerations obtained by the dominion government in its lease of 75,000 square miles of territory north of Churchill river to the North American Reindeer company. The reindeer are to be used as the nucleus of herds to be established in northern Manitoba for the sustenance of native and white in what is expected to become a highly populated district with the impending mining development.
