

## BEARCATS DEFEAT REED COLLEGE BY SCORE OF 21 TO 12

Coach Mathews' Bearcats proved good enough to defeat Reed college Saturday, winning 21 to 12. With four of the regulars out of the Bearcat lineup, and several others badly battered, Reed had the heaviest and strongest team, but lacked the confidence necessary to win. Willamette scored two touchdowns before Reed had recovered from her preliminary stage fright, the honors being nearly equal afterward.

Willamette won on straight football, carrying the ball down the field in line plunges and cross bucks. Zeller was the one star of the game, carrying the ball over for the first touchdown after recovering a fumbled punt in Reed's territory, and scoring the third with a thirty yard run from scrimmage. Wapato scored the second touchdown, and also played a consistent game. Dimick kicked all of the goals. Willamette's team was not as strong by one third as it has been in the other games.

Reed was unable to gain consistently except by the use of forward passes. The Bearcats sadly missed Bauser and Roney, who have broken up most of the passes during the season. Wilson, Osborn and Hoerline did most of the good work for Reed. Their two touchdowns were scored in the last quarter. Ellsworth carrying the ball to the two yard line from a forward pass, and Kiele carrying it over. The second was scored by Peterson, who received a pass from Wilson after Osborn blocked and recovered one of Dimick's punts. Willamette had the ball on Reed's 20 yard line at the end of the game.

The game was hard fought and clean. Ramsey sprained an ankle, but otherwise there were no serious injuries. Reed is well satisfied with the showing her team has made, this being her first season of inter-collegiate athletics, and they are strongly in favor of continuing. Willamette's team and supporters were splendidly entertained by the Reed students. Willamette's supporters at the game numbered about 75, including a number of alumni who live near Portland.

## Young Girls Made Strong

Mother tells how Vinol, our Cod Liver and Iron Tonic, built up her daughter.

Belvidere, Ill. — "My daughter was so weak and run-down that she had fainting spells and headaches. My druggist recommended Vinol, and the result was that her health and strength were built up very quickly by its use, and I hope my statement will convince other mothers of what Vinol will do for their little ones who are weak, run-down or delicate." — Mrs. John Lewis.

The Best and Cod Liver Peptones contained in Vinol aided by the Iron and Hypophosphites quickly restores the appetite, aids digestion, makes rich, red blood and creates strength.

NOTE—Your leading druggist has for many years specially recommended Vinol because the full formula is printed on labels. Your money back if it fails.

## SALEM HI PLASTERS DEFEAT ON EUGENE IN FINAL QUARTER

Running true to general football tactics of the present season, Salem High school Saturday afternoon punctured the "dope bucket" and handed to the Eugene high school aggregation their first defeat in three years. The final score was 17 to 7.

On Eugene's part it was a case of two excesses—two much confidence and too much luck for Salem. With a 7-point margin to their credit in the final quarter, the efforts of the visitors slackened perceptibly and ended in disaster. Kicking from well under the shadow of their own goal posts, Eugene followed the ball en masse down the north side of the field and found themselves boxed in when Gill skirted down the opposite side to within four yards of the goal. Salem bucked the ball over and converted goal, evening up the score.

Salem then kicked-off and Eugene's backs, thinking the kick would carry over the last chalk line, allowed it to die on their own three-yard line. Eugene kicked from behind its goal and the visitors again followed the ball and were again boxed in while Gill again raced around their left end for a touchdown. A converted goal gave Salem the long end of the 14 to 7 score. Salem's final three points came with but scarcely more than a minute to play, when Ringle placed a drop-kick square between the bars from the 27-yard line.

From the standpoint of football displayed, Eugene had the edge on the locals, but Coach Rinehart's men were fighting every play. Eugene seemed unable to get started in the first half, but opened the third quarter with a series of line plunges that ate up yardage rapidly and won them the first touchdown.

His clothes were scattered about and officials believe he was the victim of a degenerate.

## AGGIES WIN BATTLE WITH PULLMAN AND MUDDLE DOPE MORE

And still the intercollegiate championship of the Pacific coast is up in the air.

Saturday's clashes at Portland and Palo Alto, instead of clearing up the hazy pennant atmosphere, only added more fog, for Washington State college, until Saturday rated as probably the best pigskin aggregate in the west, went down to a 6-to-9 defeat at the hands of O. A. C., the team which has been defeated in every other conference game this season. And California poked its nose into the running for the honor of representing the west against the east in the annual Pasadena classic by defeating Stanford, 14 to 10.

Too much Lodell spelled defeat to the Pullman bunch. The shifty Aggie halfback shot two goal from the field,

one in the first and another in the third quarter, that clinched the game for the orange and black. While outplayed on the offensive and constantly fighting to keep the Cougars from crossing their goal line, the Aggies presented a stone wall line in the pinches and held safe their lead.

The defeat eliminates W. S. C. from the Pasadena running and California's victory puts them up among the possibilities. The line-up of likely teams now includes California, University of Oregon and University of Washington, but the selection will probably be made between Oregon and the winner of the California-Washington game, at Seattle, Thanksgiving day.

Hence, there is another week of waiting ahead for the gridiron fans who are anxious to see who is to play in the south on New Year's day.

## O. A. C. PREPARING FOR WINNING LOOP TEAM

Oregon Agricultural College, Corvallis, Nov. 24.—Responding to the call of Coach Hargis for basketball aspirants to the varsity team, more than 30

men were on hand Thursday evening to hear the first lecture of the season. Three workouts a week will be given for the present under the direction of some of the old men as the coaches will not take an active part in basketball until the football season is over. The first actual workout was held last Friday.

Although the number answering the call is very encouraging practically every one of them is more or less untried and all but two are new to conference basketball. There are two men in school who played on the famous undefeated team of 1917-18. They are Wayne Gurley and "Butts" Reardon, the latter being captain for the coming season. It is thought Eiklemann, the big center of last year, will register next quarter and if he does all of the team of last season will be back with the exception of Kincaid. They include McCart, Eiklemann, Ellerton, Reynolds and Arthur.
