The deceased, who before her marriage to Mr. Lovelace was the widow of Dr. L. N. Woods, one of the pioneer physicians of Dallas, who came here from Pennsylvania when Dallas was a struggling village. She was born at Greenville, Pa., on February 24, 1837, and had she lived until next February would have been 82 years of age.

Mrs. Lovelace leaves to mourn her death two sons, John Woods and Al V. Woods, and one daughter, Mrs. John Holman, all residents of this community.

Funeral services will be conducted from Chapman's chapel on North Main street Thursday afternoon at 2:30 o'clock by Rev. D. A. MacKenzie. Burial will take place in the I. O. O. F. cemetery.

BRUNK ADDS BLOODED HOG TO CHOICE STOCK

"Lady Bod" is the name of a new pedigree hog which Thomas Brunk of Sola has just added to his purebred stock, which will be used by the Polk county hog raiser for breeding purposes.

Mr. Brunk purchased "Lady Bod" in Hoquiam, Ill., several months ago, when she was a short two young to travel and he has kept her in the east until this time. The animal, which is registered, is the daughter of the great pig. Mr. Brunk paid \$500 for "Lady Bod" last April and has since paid out \$100 in expenses incident to her care.

A sister of "Lady Bod" recently brought \$15,000 at a sale in the east.

TO DISCONTINUE SPEEDWAY
New York, Nov. 27.—Sheephead Day speedway, New York motor racing oval, has been abandoned and will be dismantled, according to an announcement by C. J. Sullivan, attorney for the Harkness estate. The reason assigned is that the track built at a cost of \$5,000,000 has never been a paying investment.

Work of laying the foundation for the new Dallas Machine and Locomotive Works began this week and the work of constructing the main buildings will begin within a few days. The buildings will cost about \$35,000.

QUARTET OF STARS OF THE FOOTBALL TEAM OF THE COLLEGE OF PUGET SOUND WHO APPEAR HERE AGAINST WILLAMETTE THIS AFTERNOON

BEARCATS TO CLASH WITH PUGET SOUND SCHOOL HERE TODAY

The big football day of the year for Salem will be this afternoon when the College of Puget Sound football team from Tacoma, Washington, battles with the Willamette University squad on the college field.

The game is the most important one of the season for both schools and in the final game of the season. The two teams are old rivals although they have not met on athletic fields for several years.

The local squad is going into the game with a crippled lineup but are willing to fight hard and expect to triumph. The Willamette team has played so far five games and have run up a total of 76 points against a total of 49 points run up by opposite teams. Zeller appears to be the Willamette man that the most is expected of. He is a fast man and a consistent ground gainer. Dimick, Wapato and Tobie will also be in the limelight as these three men always play star football.

Visitors Have Record.
The College of Puget Sound team is anxiously awaiting the clash this afternoon. The team has a record of six straight victories, one of which was over the Bremerton navy yard, independent northwest champions. The victory gave the C. P. S. aggregation the honors and they have not been defeated since.

The Tacoma team is light but ex-

ceptionally fast. Danielson at right half is plainly the star of the game. He is considered as one of the greatest football wizards around the Puget Sound country, barring none. Speedy and light, for he weighs but 145 pounds, he hits the line hard for big gains and is a dangerous fellow on the defense.

Rely on Backfield.
Revelle is another star player. His tackling is a feature of any game and after being tackled by him once, a player generally steers clear of him for the rest of the game. Wes Todd, left end, is a former Willamette student. He has been playing football this season and can be depended on to furnish some thrills.

The backfield is the mainstay of the team. It is fast and sure and a team that stops the C. P. S. backfield must play good football. The line furnishes excellent support and the backfield goes through for big gains every time.

Spectators today who witness the game will be given their money's worth for both teams are ready to go and go hard. The C. P. S. squad is out-weighted by a few pounds but so far this season the Tacoma college has played its best football when it has been out-weighted.

Game First in Years.
The game today will be the first time in several years that these two schools have met on the athletic field. It is hoped that the Thanksgiving day game will become an annual affair between the schools.

Coach Peck of the C. P. S. team offers no comments on today's game. He knows what his team is capable of but has not seen the Willamette squad in action. The coach gave his team a brief workout yesterday afternoon and will let them rest this morning.

The Lineup:
C. P. S.—Earle, le; Brooks, lt; Ellsworth, lg; Bone, c; McPhail, rg; Tolles, rt; Anderson, re; Pollen, q; Revelle, lb; Danielson, rh; Arnett (capt), f.

Willamette—Wapato, le; Tobie, lt; Brown, lg; Basler, c; Miles, rg; Ramsey, rt; Thomas, re; Irvine, q; Dimick (capt), lb; Zeller, rh; Rarey, f.

Pershing's Tour In South Has Nothing To Do With Mexico

Washington, Nov. 27.—Secretary of War Baker denied that General Pershing's inspection tour of the military facilities of the county, which will take him to the military stations adjacent to the Mexican border, had any connection with the Mexican situation which arose from the arrest of William O. Jenkins, American consular agent at Puebla.

"General Pershing's trip will take him all over the country, including the southern department along the border," Baker said.

A Bounteous Thanksgiving

On this day when the people unite in giving thanks to Almighty God for the blessings he has bestowed, we trust that you and yours have many things for which to be grateful.

The horrors of the world war have passed into history and the blessings of peace are with us all. For this and many other things we are duly grateful, and thankful, and we feel we would be remiss in our duty to you should we not express at this time our appreciation of the generous patronage you have bestowed upon us during the past year. We thank you.
