

NORTH SALEM CLUB TO DISCUSS PAVING PROPOSALS FRIDAY

The North Salem Improvement association, according to an announcement this morning by Secretary Ward K. Richardson, will hold a meeting at the Highland school, Highland and Current streets, Friday evening at 7:30 o'clock. This organization, according to its secretary, feels now that it is strong enough to be of material aid in furthering improvement in that community and all persons residing in North Salem are urged to attend the meeting and acquaint the association with any needed improvements.

Robert C. Paulus, manager of the Salem Fruit Union, is scheduled to speak before the association on "co-operation." Other features appear on the program for the evening. F. E. Tillinghast, president of the association, will talk on grading and graveling of streets and will submit comparative data tending to show that little stands in the way of general street development in that section.

The movement said to be on foot to pave Shipping street from Front to Capital will be discussed. The association is particularly anxious to receive suggestions of what may be done for the betterment of North Salem.

CHERRIAN BANQUET COMMITTEE NAMED

King Bing C. B. Clancy, of the Salem Cherrians, today announced the names of the committeemen to have charge of the annual initiation banquet to be held in early January. They are: William McClellan, Jr., Dr. H. H. Ollinger, P. E. Fullerton, Fred Thilisen and Dave W. Eyre. This will be the biggest banquet and justification of the Cherrian year, and the committee was named now. King Bing Clancy said, that they might have a month in which to prepare the feast.

In speaking of the Cherrians and the new task that has been honored him, Clancy said:

"The Cherrians have a booklet of bylaws. And in order that no doubt might be entertained, these rules will be followed out from A to Z by the new leaders of the organization. What ever is said in the rules applies at all times to the workings of the Cherrians."

Clancy spoke of his intentions when it had been asserted that the Cherrians had not been strictly adhering to the rules governing the order.

Planets Within Reach of Earth Says Scientist

Chicago, Dec. 4.—Trips to the planets are a possibility, Professor George DeBothezat, Russian aeronautical engineer, told the Western Society of Engineers here.

"Among aviation possibilities," he said, "is the invention of a machine propelled by a jet, which would take no count of space.

"I already have in mind such a plane," he continued. "An ordinary motor flown by a propeller would be used until the air becomes too rarified, then the motor would be shut off and the plane flown by a series of gas explosions that would drive it on through space. The jet propulsion is not yet perfected, but it's coming soon."

STOP CATARRH! OPEN NOSTRILS AND HEAD

Says Cream Applied in Nostrils Relieves Head-Colds at Once.

If your nostrils are clogged and your head is stuffed and you can't breathe freely because of a cold or catarrh, just get a small bottle of Ely's Cream Balm at any drug store. Apply a little of this fragrant, antiseptic cream into your nostrils and let it penetrate through every air passage of your head, soothing and healing the inflamed, swollen mucous membrane and you get instant relief.

Ah! how good it feels. Your nostrils are open, your head is clear, no more hawking, snuffling, blowing; no more headache, dryness or struggling for breath. Ely's Cream Balm is just what sufferers from head colds and catarrh need. It's a delight.

Miss Elizabeth Cox A Fashion Expert

Who is connected with the McCall company, will be in Salem, December 4th, for the purpose of rendering any service possible in connection with the J. C. Penney Co. Pattern Department.

Miss Cox is versed not only in McCall Patterns, Publications and Fashions, but has a clear conception of all matters pertaining to women's dress. She will be glad to assist you any way possible along this line during her stay.

"Harvest Home Tea" Nets Wel. For Old People's Home

The "Harvest Home Tea" at the Old Peoples Home was well attended and met with ready and generous response from Salem people and those of surrounding districts, and the board thanks those who so generously contributed to the cheer of the old people in the home.

A beautiful building site has been secured on the northwest corner of Center and 16th streets, but because of the advanced cost of building material, and upon the advice of several prominent business men, the construction of the new home has been deferred to a later date. In the meantime all money received in contributions from the friends of the institution has been placed in the bank where it is available at all times for the purpose for which it was given.

BOYS DEPARTMENT TO HOLD FROLIC TUESDAY

Next Tuesday evening will be a red letter night for all the members of the boys department of the Y. M. C. A. This department includes boys 14 years and under. The association has invited every member of this department to bring three boy friends who are not members to be the guests of the association next Tuesday night. The boys will assemble in the Y. M. C. A. rooms directly after school.

The following program has been arranged: Class exercises on gym floor at 4:30; swim in tank at 5:15; singing popular songs, led by Rev. H. N. Aldrich, 5:50; dinner including ice cream and cookies 6:15; whistling solo, Miss Bertha Clark; brief talks, full of pep, by two friends of Salem boys, Harold Cook, leader of the boy scouts and Dr. E. E. Risher; sleight of hand exhibition of E. Cooke Patton; singing of America and dismissal at 7:30.

It is expected that between 125 and 150 boys will be in attendance at the rally. Every boy who attends must bring at least one boy who is not a member. All the boys will be the guests of the Y. M. C. A. and everything will be free. All members who are planning to attend must have their names and the names of the boys whom they are to invite to the Y. M. C. A. office by Monday evening before 6 o'clock. The boys are eagerly looking forward to the fine time in store for them.

Rosedale Items.

Rosedale, Dec. 4. — Ben Cook of Portland was a business visitor here Monday.

Miss Elizabeth Hadley spent the week end with relatives in Portland.

Dr. Wm. Cammack has returned from a six weeks stay with a brother at Venatchee, Wn.

Friends here have received announcement of the marriage of Miss Bernice Parr at Emmett, Idaho.

George and Margery Alexander, Lowell Gardner and Helen Cammack spent their Thanksgiving vacation at home.

The C. E. had a social at the R. M. Cammack home last Friday eve.

Little Sherman Hadley and Ruth Pearson have both been under the doctors care, but are better.

Mr. and Mrs. Hadley returned Wednesday from Idaho.

Mr. and Mrs. Holderman, (formerly Mrs. Wheelch) have moved onto the G. F. Wilde ranch.

Mrs. Barnett from Canada is visiting her daughter, Mrs. W. S. Pemberton.

Ex-service men now in attendance at the University of Oregon who are receiving the benefits of the state education aid are now being paid their \$25 allotments for October.

MACY HOLDS SERIAL REFUNDING BONDS ARE LEGALLY SOLD

Question of whether the issuance Monday of the \$70,000 serial refunding bonds to the Ralph Schneelock company of Portland was legally done has been raised. City Attorney Bert W. Macy, who spent much of the time Wednesday investigating the status of the bonds said today that it is his opinion that the bonds were issued according to statutes, and that no one could contest them.

It was pointed out that the ordinance recently passed by the council authorizing the sale of the bonds specifically stated that the bonds should go to "a local bidder." While the Ralph Schneelock company had a local representative in Salem, the firm is not held local, and it was indicated that the transfer of bonds would be contested.

Macy, referring to the city charter, said that the charter authorizes the sale of bonds to the city one so long as they bring par or more. He said that it is his opinion that, though the ordinance did call for issuance to a local bidder, it is not binding, and cannot hold so long as the charter provides for the sale of bonds under the terms above mentioned.

Probe Of Deportation Machinery Is Commenced

Washington, Dec. 4. — The house immigration committee has begun an investigation of the deportation machinery of the department of labor, against which charges of lax enforcement of the law have been made by several congressmen.

Records in the cases of all persons arrested on deportation warrants have been requested to determine whether officials with radical sympathies have delayed the deportation work, Chairman Johnson said.

"INDISPENSABLE" AFTER 9 YEARS OF INTERNAL BATHS

Mr. Addison L. Williams, Box 1054, Sanford, Fla., writes Tyrrell's Hygienic Institute of New York as follows:

"Regarding the 'J. B. L. Cascade,' I feel it is one of the indispensable articles and should be in every home. I have not taken \$10 worth of medicine since obtaining it—about nine years."

You can be free from biliousness and constipation, with all the ills which they produce, by an occasional internal bath. The "J. B. L. Cascade" administers these scientifically, it being an invention of Chas. A. Tyrrell, M. D., of New York, for 25 years a specialist on internal bathing.

By the proper application of Nature's cure—warm water—it keeps the lower intestine free of all poisonous waste and permits every function to work in harmony and without clogging—necessitates one consistently bright capable and well.

Daniel J. Fry in Salem, Ore., will be "Cascaded" to you and will also be glad to show and explain the "J. B. L. You free on request an interesting and authoritative book, "Why Man of Today Is Only 50 per cent Efficient," written by Dr. Chas. A. Tyrrell.

Ask for it today while it is fresh in your mind. Adv.

RAILROADS PREPARE TO HANDLE GREATER CHRISTMAS TRAVEL

Last year, the railroads were able, by preparedness, to handle with reasonable efficiency, an unusually large holiday traffic. This year the transportation demands of the holiday season will be further increased. The movement of mail, parcel post and express shipments will be enormous, and there is every indication of an unusually large passenger traffic. The roads are especially anxious to satisfactorily meet this demand, and the following definite suggestions are made:

1. Requirements of business to be carefully estimated in advance and equipment and power provided sufficient to avoid overcrowding of delayed movement of trains.
2. Repairs to all passenger train cars to be expedited and all such cars fit for use held out of shop in the meantime.
3. Special attention to be given to the inspection, cleaning and general preparation of cars for service during the holiday season.
4. Co-operation between individual roads with common use of equipment, including through routing of cars to avoid transfers which would cause delay or inconvenience to passengers. Co-operation with Pullman company, with the purpose of making best possible use of available sleeping car equipment.

Storage Provided For

5. Temporary increase of facilities for storage and handling of baggage mail and express to avoid congestion which has occurred in past years. In this connection it is suggested that use can be made of conveniently located freight houses and other adjacent buildings.

Move To Eliminate Useless Currency Is Proposed

Washington, Dec. 3.—A recommendation that steps be taken to obtain an international agreement whereby all irredeemable paper currency throughout the world would be wiped out to eliminate years of high cost of living, was made to President Wilson's industrial commission here today. It was submitted by John F. Shafroth, former United States senator from Colorado and now chairman of the war minerals relief commission.

Intermediate School For Older Boys Urged By Gilbert

An intermediate reform school to care for older boys found guilty of infractions of the law is advocated by L. M. Gilbert, superintendent of the state training school for boys in a report made to the state board of control Wednesday. The training school, according to Gilbert, is in no sense a penal institution and is not in a position to properly cope with a situation which involves punishment of young men who are found guilty of violating laws.

Thin People Should Take Phosphate

Nothing Like Plain Bitro-Phosphate to Put on Firm, Healthy Flesh and to Increase Strength, Vigor and Nerve Force

Judging from the countless preparations and treatments which are continually being advertised for the purpose of making thin people fleshy, developing arms, neck and bust, and replacing ugly hollows and angles by the soft curved lines of health and beauty, there are evidently thousands of men and women who keenly feel their excessive thinness.

Thinness and weakness are often due to starved nerves. Our bodies need more phosphate than is contained in modern foods. Physicians claim there is nothing that will supply this deficiency so well as the organic phosphate known among druggists as bitro-phosphate, which is inexpensive and is sold by most all druggists under a guarantee of satisfaction or money back. By feeding the nerves directly and by supplying the body with the necessary phosphoric food elements, bitro phosphate should produce a welcome transformation in the appearance; the increase in weight frequently being astonishing. Increase in weight also carries with it a general improvement in the health. Nervousness, sleeplessness and lack of energy, which nearly always accompany excessive thinness, should soon disappear, dull eyes brighten and pale cheeks glow with the bloom of perfect health.

CAUTION—While Bitro-Phosphate is unsurpassed for the relief of nervousness, general debility, etc., those taking it who do not desire to put on flesh should use extra care in avoiding fat producing foods. (Adv.)

Exposure Of U. S. Witnesses If They Testify Is Threatened

Portland, Or., Dec. 3. — Letters threatening public exposure of government witnesses should they testify against James Watson, on trial for alleged white slavery, created a sensation in federal court here today.

Some of the letters were signed by Watson and others were anonymous, but all of them, which were introduced by Eva Barker as in Watson's handwriting.

Miss Barker, who is the government's chief witness, faces motherhood.

Cause of Stomach Sickness.

How to Relieve Stomach Distress in a Few Minutes Money Back if Treatment Does Not Overcome Any Form of Indigestion

If you feel as though there was a lump of lead at the pit of the stomach, take a couple of Mi-o-na stomach tablets and in five minutes you should see that all stomach distress has vanished.

If you belch gas, have heartburn or sour stomach, you need Mi-o-na. If your stomach feels upset the morning after the night before, take two Mi-o-na tablets and see how quickly you get relief.

If you have shortness of breath, pain in the stomach, waterbrash or foul breath, you need Mi-o-na and the sooner you get it, the sooner your stomach should perform its duties properly.

If you use a box of Mi-o-na tablets and feel that it has not overcome your indigestion or stomach trouble, take the empty box to your dealer and he will refund your money. For sale by D. J. Fry and all leading druggists. (Adv.)
