

FOUR CONFERENCE TEAMS TO BE SEEN HERE THIS SEASON

The entrance of Willamette university into the Northwest conference will bring to Salem a better class of basketball teams than has been seen here in recent years. Coach Mathews returned yesterday from Seattle, where he was attending the meeting of the conference, with the best schedule Willamette has had for several years. Never before have so many games been played with the big colleges.

The schedule as printed is complete except for one or two games which will be arranged later. Reed College, Pacific university and College of Puget Sound all want to play Willamette, but it is questionable whether dates will be available.

The season opens two weeks after school reopens after the holidays with two games on the home floor with Whitman. The next two weeks will see a series of exchange games played with O. A. C. and Oregon. The two dates the following week are open. The team will take its big trip the second week in February, playing at Moscow, Idaho, Pullman, Washington, and two games with Whitman at Walla Walla. The final game with Stanford will be on the home floor.

Candidates for the team are working hard every afternoon, and some excellent material is showing up. Wapato, Jackson, Esteb and Rarey are showing all their old time form, and a number of new men are making a strong bid for a place on the squad.

Following is the detailed schedule of the games arranged:
Jan. 14—Whitman at Salem
Jan. 15—Whitman at Salem
Jan. 22—O. A. C. at Salem
Jan. 23—O. A. C. at Corvallis
Jan. 30—U. of O. at Eugene
Jan. 31—U. of O. at Salem
Feb. 4—Open
Feb. 11—U. of Idaho at Moscow
Feb. 12—W. S. C. at Pullman
Feb. 13—Whitman at Walla Walla
Feb. 14—Whitman at Walla Walla
Feb. 24—Stanford at Salem

FOREIGNERS HAVE TO BID HIGH FOR FIGHT

Los Angeles, Cal., Dec. 9.—The more Jack Kearns says, the more evident it is that Jack Dempsey wants to do his fighting on this side of the Atlantic.

"It will take a much better offer from a French or English promoter than from an American to get the Carpenter-Dempsey match," declared Kearns today. "We prefer to fight at home. I'd say it would take some \$50,000 more to land the bout for London or Paris than from some American city."

Since Dominick Tortorich of New Orleans offers \$150,000 and Kearns understands he has the money in actual cash ready to pay over when the time comes, it would be logical to suppose that it will take \$200,000 or more to get Jack to buy tickets across the pond.

Kearns said he was getting telegrams by the dozens from promoters all over the country, Denver and Portland, Or., being among the latest bidders.

"But to begin with, a place where fighting is permitted must be selected," Kearns added. "And besides, there's lots of time between now and spring to arrange this match."

Kearns says, and others seem to agree, that Dempsey is keeping in fine condition.

Detroit Auto Plants Hard Hit By Shortage Of Fuel

Detroit, Mich., Dec. 9.—(United Press.)—Detroit's automobile industries were either shut down or drastically curtailed today by the coal strike, according to information given out by the manufacturer's association.

Fully 50,000 men were idle today and the jobs of at least 200,000 more depended on early settlement of the strike, it was said.

Kalamazoo, Mich., Dec. 9.—Every factory in Kalamazoo was ordered to close down at midnight last night on account of the coal shortage. About 12,500 men and women will be thrown out of employment.

Just Lowering Living Costs, Robbers Plea

Los Angeles, Cal., Dec. 9.—(United Press.)—"All we've done was try to cut the cost of living," was the droil announcement of William Cotton and Henry Lobbs when they were arrested here charged with being members of a nation-wide gang of freight car robbers.

They were arrested by department of justice agents following receipt of evidence gained by eastern officers showing the gang had been operating from headquarters in Providence, R. I. The two men arrested here were said to have been in charge of the alleged operations on this coast.

Federal agents say the plan of cutting living costs was to rob freight cars of clothing and other merchandise and sell it at bargain prices.

AUTO RUNS AWAY; MAN KILLED
Tacoma, Wn., Dec. 8.—John Smith, 60, of Aberdeen, S. D., was almost instantly killed when an auto driven by E. N. Ramser of the Tacoma steam laundry ran away on a steep hill and toppled over at noon today. Smith was thrown against the curb, breaking his neck.

"OUCH! THAT OLD RHEUMATISM!"

Just get out that bottle of Sloan's Liniment and "knock it galley-west!"

WEREN'T prepared for that quick switch in temperature, were you? Left you stiff, sore, full of rheumatic twinges?

You should have had a bottle of Sloan's Liniment handy—that would have soon eased up the muscles, quieted the jumpy, painful, affected part—penetrated without rubbing, bringing gratifying relief.

Helpful in all attacks of lumbago, sciatica, external soreness, stiffness, strains, aches, sprains. Get a bottle at your druggist's. 35c., 70c., \$1.40.

How to Keep Baby Smiling and Well

See that the daily functions are regular and normal

YOU can't expect the little ones to be happy and playful when the head feels dull and the stomach bloated. The normal habit of children is to be happy and when you notice them cross and fretful you will usually find constipation is responsible.

Perhaps they have missed that daily function so necessary to comfort and health. Look at the tongue and see if the breath is bad. Watch for belching. These are the tell-tale symptoms of constipation. Tonight give a little of Dr. Caldwell's Syrup Pepsin, which you can buy at any drug store for 50c. and \$1 a large bottle, and it will act in the morning and the troublesome symptoms promptly disappear.

Dr. Caldwell's Syrup Pepsin is a combination of simple laxative herbs with pepsin. Unlike the harsher physics it acts gently and without griping so that while grownups can use it freely it can also be given to a tiny baby with perfect safety. Thousands of American families would

not think of being without a bottle in the house for the emergency arises almost daily when it is needed.

In spite of the fact that Dr. Caldwell's Syrup Pepsin is the largest selling liquid laxative in the world, there being over 6 million bottles sold each year, many who need its benefits have not yet used it. If you have not, send your name and address for a free trial bottle to Dr. W. B. Caldwell, 511 Washington St., Moline, Illinois.

BOXING

New York, Dec. 9.—Charley Murray of Buffalo said he was trying to match Clay Turner and Harry Greb for a bout within the next two weeks.

Youngstown, O., Dec. 9.—Jack Perry, Pittsburgh welterweight title challenger, knocked out Milburn Saylor, Indianapolis, in the third round of a scheduled 12 round bout here last night.

Be Prepared For Influenza

Cut This Out

Many medical men say we will probably have another epidemic this fall. Let us all hope and pray we will not.

But at the same time let us be well prepared.

The flu as it is called, usually starts with a cold and tightness in the chest.

If you even suspect there is a chance that you may be getting influenza take a good dose of laxative tea, such as Dr. Carter's K & B Tea or Celery King and send for your physician. While you are waiting for the doctor rub Begy's Mustardine on throat and chest.

Rub it on freely and never mind if it does feel good and hot, it cannot blister even the tenderest skin.

But don't stop at throat and chest; get some one to rub this enemy of inflammation over your entire back and especially between the shoulder blades.

This is one of the most sensible precautions you can take against pneumonia, which often quickly follows the flu and is just what the doctor tries hard to sidetrack.

You can get Begy's Mustardine for 30 and 60 cents in yellow boxes all ready for use at any drug store.

Remember it is made of real yellow mustard. Use it for sore throats, coughs, chest colds, pleurisy, bronchitis, lumbago and all aches and pains.

Carpentier Not To Ease Up On Training Work

London, Dec. 8.—Georges Carpentier, the French champion, is not going to pack away his gloves until his next championship fight.

"I am going to keep on fighting until the fight with Dempsey is arranged. I am not going into exhibition affairs. They'll be real fights with my heavyweights that want to meet me," Carpentier said before leaving for Paris.

Regarding his proposed fight with Dempsey, the French champion said: "I will meet Dempsey right away in the place that offers me the most money. It will be the hardest fight I ever had. It will not be like the Dempsey-Willard affair or my fight with Beckett. It will cover a longer route and I am sure that I will not expose myself recklessly to allow him to get across an easy knockout blow."

What all this has been doing on the troubled waters is credited to Frank Navin, boss of the Tigers, who it is said, stepped into Gary Herrmann's shoes as a peace maker and made a good job of it.

CHRISTMAS BAZAAR WILL OPEN THURSDAY

A bazaar, sponsored by the women of St. Paul's Episcopal church, will be held Thursday in the Marion hotel, Commercial street entrance. The approaching holiday spirit will be represented in all the departments of the bazaar, each booth being fitted out with articles suitable for gifts. The women are spending a great deal of time on the special features, such as the apron booth, utility booth and baby boudoir booth. Other novelties will be present in abundance. Prominent Salem women are taking charge of the affair, and excellent taste is evinced in the quality and species of articles placed on sale. The women in charge are Mrs. L. S. Greer, manager; Mrs. George Hinckley, Mrs. Joseph Baumgartner, Mrs. S. E. Edwards, Mrs. U. G. Shipley, Mrs. Anos Strong, Mrs. William Lytle, Mrs. James Walton, Mrs. Frank Spears and Miss Eliza Nolan.

Because of the unexpected snow storm and the continued inclemency of the weather, the Hawkeye banquet, which was to have taken place this evening at Hurst hall, has been postponed until next month's meeting of the club.

TRUCE HOLDS SWAY FOR MOMENT, AND BIG LEAGUES MEET

By Henry L. Farrell

(United Press staff correspondence) New York, Dec. 9.—Instead of fist full of brass knuckles, the fighting elements of the American League may bring here to their meeting the cards "We love everybody."

The first real move toward peace in the war-devastated baseball league was made by Ben Johnson, who said he had decided to call off his meeting tomorrow in Chicago and bring his five "faithful" managers to New York for the meeting called by the board of directors.

What all this has been doing on the troubled waters is credited to Frank Navin, boss of the Tigers, who it is said, stepped into Gary Herrmann's shoes as a peace maker and made a good job of it.

The baseball clubs were gathered here today from the east and west. The wise men of baseball, as it were, following the star of peace.

All of the National League managers checked in early for their annual session starting today. All of the notable were present and most of them had their managers in tow. Talks of trade were many and varied. John J. McGraw, just in from his Cuban racing track, was getting ready to talk business with St. Louis. It was said, at Pat Moran, the Red boss, was all set to swing one part of a big deal involving St. Louis, Boston, New York and Cincinnati.

The American League forces will bilize tomorrow.

Wonderfully Efficient— Surprisingly Low in Price

No Wires—No Plugs—No Bother

S WEEP with all the ease of running an ordinary carpet sweeper but with the suction-lift of electric cleaners.

The Vacuette makes A-THOROUGH-CLEANING EVERY-DAY an actual possibility because its so easy to use and so efficient in collecting dust, dirt, thread, lint, hairs, pins, and ravellings.

You just grasp the handle and go to work without bothering with entangling, troublesome wires. The 13-inch-wide high-speed revolving bristle brush loosens every particle of dust and grit, while the high-speed suction fan pulls the sweepings up into the dust-bag safely away from accidental spilling.

The light weight of the aluminum housing and simple mechanism, (6½ lbs.) makes it so convenient to operate and carry that a child can use it.

The factory representative will call in a few days and demonstrate these wonderful sweepers
