

SALEM RANKS HIGH IN ENROLLMENT OF STUDENTS AT O.A.C.

Oregon Agricultural College, Corvallis, Dec. 12.—Salem ranks among the three or four leading cities in the state in point of representation at the college. The Salem group consists of 56 of the 2966 students now in attendance. This is a new registration mark, the total attendance for the school year is expected to reach 3500.

Roy Keene who has been elected to manage this year's junior week end is one of the most prominent students from Salem. He is a member of the varsity "O" athletic association, being a baseball man. This year he promises to be the pivot for the varsity basketball team. He is also president of the Phi Delta Theta fraternity. Frank Brown, and Claude Steustloff, who is president of the Kappa Sigma fraternity, were on the college team which won the stock judging contest at the recent Pacific International stock show at Portland.

Gill "Letter Man"
Whitney Gill a member of the Phi Delta Theta fraternity is a varsity "O" man holding a letter for football, and this year is a promising man for basketball. A. E. McClain a senior in commerce is manager of the Harmonic, and also a member of the varsity "O" association in track.

George M. Alexander is a member of the Sigma Phi Epsilon fraternity, Penoyer F. English who was graduated last year in agriculture is this year an assistant professor in the department of zoology. Irene Curtis, a senior in home economics, is a member of the Mask and Dagger dramatic society, and secretary-treasurer of the Phi Beta Phi sorority.

Helen King is a member of the Tri Delta sorority, and a member of the Mask and Dagger society. Leo Spitzbart has been elected manager of this year's junior prom. He is a member of the Sigma Phi Epsilon fraternity, and editor of this year's book. Billy Boyer is president of this year's Salem club and a member of Alpha Kappa Psi, the national honorary commercial fraternity.

Other Students Many
Other students from Salem attending O. A. C. this year are Glenn C. Ackerman, Marjorie E. Alexander, Esther F. Anderson, Catherine R. Barby, Mary E. Bayne, L. L. Boning, Russell Bonesteel, Albert E. Bouffleur, Averil P. Branson, Carl V. Booth, Ruth H. Brewer, Merton B. Briggs, Marjorie Brown, Esther Bush, Caryl Carson, George Croisan, Claude H. Darby, Clifford O. Dams, La Nole H. Davis, Raymond T. Dearing, Edward L. Iark, Frederick C. Heckelbach, Frank W. Durbin, George Elbert, Felix A. Engleish, Oris J. Fry, Laura P. Garnjeest, Jessie G. Gibson, Glenn H. Gregg, Lloyd Gregg, Lewis D. Griffith, Leon Hansen, Vivian Hargrove, Leonard A. Hickerson, John G. Hogg, Ronald V. Hogg, Theron C. Hoover, Evangeline Lee, Oran M. Lemmon, Frank Lynch, Harry Lynch, George McElchiesin, Hazel McGillchrist, Earl G. Mason, Alan E. Masterson, George C. Matten, Donald Matthews, Ira C. Merose, Anna A. Miles, Marian Miller, Katie G. Mize, William Mohney, Helen Moore, William R. Newmyer, Philip L. Newmyer, Madison Nichols, Alonzo Patchin, Julia H. Patchin, Sidney Powers, Albert Presley, Iva H. Proctor, Nana W. Putnam, Paul K. Richardson, Irving G. Roberts, Frank W. Rosebraugh, Ruth Rosebraugh, Vera M. Rosengquist, Floyd Sigmond, Willard D. Simpson, Richard D. Slater, Vera A. Smith, Iva L. Spaulding, Lloyd C. Stenstrom, Percy L. Streiffeler, Hilbert C. Taato, Maima V. Victor, Frank N. Waters, George V. Walter, Oty E. Wilson, Cecilia Wilson, Mildred Wright, Willard W. Yates.

SEQUOIA PARK TO BE ENLARGED AND CALLED ROOSEVELT

Washington, Dec. 12.—California's National parks occupy considerable space in the annual report of Secretary of the Interior Franklin K. Lane to congress. Yosemite National park, as usual, is the subject of interesting features of the report, but the other Summer playgrounds of California came in for serious notice.

With reference to Sequoia Park, the report says:

Problem Presented.
"Proposed legislation to add to this park about 1,300 square miles of scenic area and to change its name to Roosevelt National Park has made the public familiar with this Greater Sequoia project. The suggestion to rename this park in memory of the late president came from a member of the Boone and Crockett club of which Mr. Roosevelt was the founder. The future of this park depends so much on the outcome of the enlargement project that development work is being retarded."

The public camps present a problem as to control, sanitation, and water supply. Two new road approaches are borne in mind—one from a point on the Middle Fork of Kaweah river near Hospital Rock to the Giant Forest road system, and the continuation of the road between Sequoia and General Grant National Parks. The first approach road would require approximately two years to construct. Automobile transportation service to the park will be better and more extensive next season.

The destruction of trees all along the Pacific coast and highways of the northern part of the state emphasizes the value of the recent purchase of the Giant Forest by the national Geographic Society, thus preserving it from the fate of the related forests of the north."

Wants Money For Lassen Park.
Congress' attention is called to the fact that although Lassen Volcanic National Park was made a national park by congressional enactment in 1916, this area is still being administered by the department of agriculture, no funds having been made available for the national park service to assume control.

WASHINGTON COAL MINES MAY REOPEN; CONSERVE, IS PLEA

Seattle, Wash., Dec. 11.—Denying reports that there are still serious obstacles to be overcome before coal mines can resume operation in the state, William Short, president of the state federation of labor, predicted today that practically every coal mine in the state who went on strike November 1 will be back in the mines today.

Mine operators point out, however, that their acceptance of the 14 per cent wage increase allowed by the government as a basis for settlement of the strike would result in so great a loss to operators in this state that resumption of mining may not necessarily follow.

Warning to all people of the state was issued here today by L. G. Gillman, district representative of the fuel administration, not to relax stringent measures to conserve the coal supply. Fuel dealers here forecast today that the shortage will continue all winter whether the mines re-open or not.

SEATTLE PAPER PUT UNDER PORTLAND BAN

Portland, Or., Dec. 12.—Acting on instructions from Chief of Police Jenkins, Captain Inskip last night began a campaign against the Union Record, Seattle labor newspaper which newsboys have been selling on the streets of Portland.

The first newsboy arrested with the paper in his possession was released after having his stock confiscated and being warned against selling any more papers. A patrolman was dispatched with the newsboy to discover the local point of distribution and confiscated as many of the papers as could be found.

"If we discover any men persistent."

REBELLION IN STOMACH

"Pape's Diapepsin" at once ends indigestion and Sour, Acid Stomach

Lumps and unassimilated food cause pain. If your stomach is in a revolt; if sick, gassy and upset, and what you just ate has fermented and turned sour head dizzy and aches; belch gases and acids and eructate undigested food—just take a tablet or two of Pape's Diapepsin to help neutralize acidity and in five minutes you wonder what became of the pain, acidity, indigestion and distress.

If your stomach doesn't take care of your liberal limit without rebellion; if your food is a damage instead of a help, remember the quickest, surest, most harmless stomach antacid is Pape's Diapepsin, which costs so little at drug stores. (Adv.)

By selling these papers we will hold them for investigation and look into their records," said Captain Inskip. "In a great many cases these papers are sold by aliens and I. W. W."

Gould's Divorce Case At Versailles Confirmed

Paris, Dec. 12.—The court at Versailles late yesterday sustained the decree of divorce granted Frank Gould from Edith Kelly Gould. Mrs. Gould's attorneys had contended the case since it could not try a suit involving two foreigners without consent of both. Rene Viviani, former premier, represented Gould.

Break a Cold WITHOUT NASTY QUININE

Don't stay stuffed up! Quit blowing and snuffing! A dose of "Pape's Cold Compound" taken every two hours until three doses are taken usually breaks up a severe cold and ends all gripe misery.

The very first dose opens your clogged up nostrils and the air passages of the head; stops nose running; relieves the headache, dullness, feverishness, sneezing, soreness and stiffness.

"Pape's Cold Compound" is the quickest, surest relief known and costs only a few cents at drug stores. It acts without assistance, tastes nice, no quinine.

Regular Habits Produce a Beautiful Complexion

Daily elimination rids the system of poisons. Women should realize that!

MANY women complain daily of their complexion, of their headaches and general ill health little realizing that the trouble is constipation. Women, too, are much more subject to such congestion than men, and much more careless of it. The result is seen in listless, weary eyes, in sallow, pimply complexion, in lassitude, bad breath, and in that word so often used, "indisposed."

At the first sign of these symptoms the wise woman will take a laxative, and will see that the young girl and others in her case do likewise. Dr. Caldwell's Syrup Pepsin is the favorite with thousands of women because it is mild and gentle in its action and in the end trains the stomach and bowel muscles to do their work naturally without the aid of medicine.

This combination of simple laxative herbs with pepsin can be bought at any drug store for 50c and \$1 a bottle, the latter for families, for it is also a very sterling first-aid in colds, fevers and other ailments that make it advisable to

always have a bottle in the home. It is free from narcotics and safe for the tiniest baby.

In spite of the fact that Dr. Caldwell's Syrup Pepsin is the largest selling liquid laxative in the world, there being over 5 million bottles sold each year, many who need its benefits have not yet used it. If you have not, send your name and address for a free trial bottle to Dr. W. B. Caldwell, 311 Washington St., Monticello, Illinois.

Here's to You Oregon

YOU are the consumer; the most important link in the great industrial chain.

Whether or not Oregon factories shall grow; whether or not the producer shall get a fair remuneration for his products; whether or not there shall be work and prosperity and happiness in Oregon—depends on you. The issue is squarely up to you. It is your individual responsibility.

These things are not possible without a market and you can insure that market by buying Oregon products.

BETTER THAN CALOMEL
Thousands Have Discovered Dr. Edwards' Olive Tablets Are a Harmless Substitute

Dr. Edwards' Olive Tablets are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. For 17 years he used these tablets (a vegetable compound mixed with olive oil) in his private practice with great success.

They do all the good that calomel does but have no bad after effects. No pain, no griping, no injury to the same or danger from acid foods—yet they stimulate the liver and bowels. Take Dr. Edwards' Olive Tablets when you feel "lumpy" and "heavy." Note how they clear clouded brain and perk up the spirits. 10c and 25c a box.
