### A MERRY CHRISTMAS

We take this opportunity to extend to our friends the season's greetings and wish you every happiness and prosperity during the coming year.

By your liberal patronage you have made it possible for us to enjoy a splendid holiday business—in fact the best business throughout the year that we have ever enjoyed.

Scarcity of merchandise and high prices, with other obstacles with which you are familiar combined to make it a rather difficult problem. The success on overcoming these things is due not only to our own efforts but to your liberal support.

We have tried to give you our best services, and if at any time you have bought anything here that was not satisfactory in every way, we wish you would bring it back.
