

OUTCOME OF OREGON HARVARD GAME "A TOSS-UP"—BEZDEK

By Henry L. Farrell
(United Press Staff Correspondent)
New York, Dec. 31.—It's a toss-up. That's what Hugo Bezdek thinks of the Harvard-Oregon game in Pasadena tomorrow.

Bezdek formerly coached the Oregonians and established the football system which still prevails there.

He believes that victory in the biggest intercollegiate game of the year will go to the team in better condition.

Has Not Seen Teams.
"I have not had the chance to see either Harvard or Oregon play this season and it's poor policy to pass judgment on a team that hasn't been observed in action," he said.

"However, I know that Oregon has some wonderful field players. Most of the boys were there in my time. In St. Louis, they have a quarterback that runs with the best of players in the east. He is a marvelous player, an accurate passer and a runner. He may give Harvard a lot of trouble.

"As I have sized up the two teams, I think Oregon's chances depend entirely on what the line is able to do. Harvard has the advantage of possession from end to end. If the westerners are able to overcome this and improve their offensive work, Harvard may have trouble.

Oregon's Condition Best.
"There is this to consider, too. The Cambridge eleven has made a long trip to the coast and is in a different climate. Already it has been said that they had trouble at first in breathing freely during practice. The intensive heat of the day isn't anything to stimulate 'em' and it certainly does not conserve strength."

Bezdek has been between two fires on the Harvard-Oregon issue. As coach of the champion Penn State eleven he is an exponent. As ex-coach of Oregon is a westerner.

Both Harvard and Oregon wanted Oregon wanted some tips on Harvard plays and suggestions on defensive plans that would stop the return. Harvard later tried to get same information through Bob Higgins, all American end of the state eleven. But both were refused.

Omaha, Neb., Dec. 31.—Six armed bandits robbed the Farmers & Merchants' National bank at Benson, a suburb, of \$100,000 in cash and \$15,000 in liberty bonds at 10:30 a. m. today. The robbers forced eight customers and four bank clerks into a vault and systematically looted the bank. They escaped in a large touring car.

YANKEE PRINCESS HOME
New York, Dec. 31.—Princess Miguel de Braganza arrived in New York from Naples last night on the liner Pennar. The princess was formerly Anita Stewart. This is her first visit to America in eleven years. Her three children accompanied her. In 1909 she married Dom Miguel, duke of Braganza, who thus renounced his right to the throne of Portugal.

Chinese Gamblers And Officers Wage Open War

Seattle, Wash., Dec. 31.—Open warfare between oriental gamblers and officers of the law has been declared in Chinatown and deputy sheriffs were on duty today with orders to shoot to kill if attacked.

Mutinous threats have been circulating against deputies for weeks following intermittent raids on secret underground gambling halls.

First blood was spilled last night when Deputy Sheriff Irving Brown shot down Ah Tong, 39, during a desperate struggle with 35 men assembled in a raid at 119 1/2 King street.

Brown walked in on gamblers alone but three deputies were left at the foot of the stairs and after he had surprised the orientals and a rush was made to him he pulled his gun and fired, hitting Ah Tong in the leg. The other deputies rushed upstairs and the gamblers fled. Four, however, were captured.

WATCH SERVICES TO USHER IN NEW YEAR

8:30 to 9:30—Praise and devotional service.

10:30 to 11:30—Social fellowship period.
11:30 to 12:05—Prayer service.

This service has been carefully planned and much interest has already been aroused by the proposed meeting and a large attendance is anticipated. Rev. G. P. Holt, pastor of the First Baptist church, announces that this service is open to all and that no charge of any kind will be made.

In the program of various protestant denominations as well as in the plans of the inter church world movement there has been issued a call for universal watch night services with the purpose that protestant christianity throughout the world around the new year with a flood tide of prayer. A short prayer is being called to all leading centers of the world and from these points relayed on to outlying stations, thus establishing a chain of prayer around the world.

25 Firemen Overcome When Fighting Big Chicago Fire

Chicago, Dec. 31.—Twenty five firemen were overcome here today while fighting a fire which destroyed the five story building occupied by the Albert-Pick company. The loss is estimated at \$750,000. Four of the firemen are in a serious condition.

The fire, which broke out at 2 a. m., soon got beyond control. Chemicals on the fourth floor were ignited, causing a heavy smoke and acid fumes. Firemen on that floor collapsed. They were rescued by the fierce work of the remaining firemen. Thirteen were revived on the scene and others were taken to hospitals.

Another Tuesday visitor was Chas. Hall of South Prairie who attended to business affairs in Salem on that day.

FRICITION CAUSE OF RECALL OF DECKER

Washington, Dec. 31.—Rear Admiral Benton C. Decker was recalled from the post of naval attaché at Madrid, where he was stationed during the war because of friction with Ambassador Willard over the possibility of Spain joining the German cause.

Secretary of the Navy Daniels said today.

The friction between Willard and Decker was revealed in a letter of Decker's in which he refused the naval cross and said his work at Madrid entitled him to a higher award. Decker's letter came out during the naval award controversy.

Decker, while at Madrid, reported:

Was On Verge Of Giving Up

Medicines Had Been Taking Did No Good—He Praises Taniac

"I had reached the point where I could go no farther and I thought I would have to give up my work but now since I have taken Taniac I am in better health than I have been in years," said James D. Hamill of Los Angeles, the other day. Mr. Hamill lives at 242 West Fifty fourth St., and is one of the best known employees of the Broadway department store, having been in their employ for fifteen years.

"For several years I was troubled with my stomach," continued Mr. Hamill, "and my condition got so bad that I underwent an operation, and since that time I have been unable to get my strength back. In fact, during the past year I have been in a worse fix than ever before. I was in a terrible run down condition, twenty pounds off weight and could eat nothing that agreed with me. I was so nervous that any kind of unexpected noise would upset me and a good night's sleep or rest was out of the question. The worst thing of all was that I had all the time, and I realized that something had to be done or I would have to quit work as it was too much for me to try to keep going in the fix I was in."

"The medicines I had taken had done me no good and I might have still been in this condition if I hadn't noticed a testimonial in the paper one day where a man was troubled just about like I was and had tried Taniac with remarkable results. I made up my mind right then that I would give Taniac a trial, and I want to tell you that I have never seen anything to beat it. Why, my appetite came back right away and what I ate gave me strength because I could digest it, and already I have gained back seven pounds and am adding more weight all the time. My nervousness has entirely disappeared and every night I am sleeping as sound as a child and never have that worn out, depressed feeling about me any more. I haven't a trouble of any kind, my work is a pleasure to me and I go about feeling just as fine as a man wants to feel. I am glad to join the ranks of those who have testified for Taniac for I have tried it with most satisfactory results."

Taniac is sold in Salem by Tyler's Drug Store, in Hubbard by Hubbard Drug Co., in Mt. Angel by Ben Gooch, in Gervais by John Kelly, in Turner by H. P. Cornelius, in Woodburn by Lyman H. Shorey, in Silverton by Geo. A. Steelhammer, in Gates by Mrs. J. P. McCurdy, in Stayton by C. A. Beauchamp, in Aurora by Aurora Drug Store, in St. Paul by Groceries Stores Co., in Donald by M. W. Johnson, in Jefferson by Foshay & Mason and in Mill City by Marketier's Gro. Co.

Shakespeare Cause Of Divorce In Chicago

Chicago, Dec. 31.—Mrs. Bessie Root, twenty-two years old, swears her husband, Albert, who is sixty-six, would allow her to read no books but Shakespeare the Bible and Emerson. Now she is pleading for divorce and in her bill she stabs him with these quotations from the great bard: "Crabb'd age and youth cannot live together." "Men are April when they woo, December when they wed." "Sigh no more, ladies, sigh no more. Men were deceivers ever. One foot in sea and one on shore. To one thing constant, never." "Canst thou not minister to a mind diseas'd? Pluck from the memory a rooted sorrow. Raze out the written troubles of the brain And with some sweet oblivious antidote Cleanse the stuffed bosom of that perilous stuff Which weighs upon the heart?"
