

RUTH HOLDING OUT FOR BOSTON; CAN'T SEE NEW YORK BAIT

Boston, Mass., Jan. 5.—Rube Ruth today sent the following telegram to John Igou, his business manager here:

"Will not play anywhere but Boston. Will leave for the east Monday."

Igou said Ruth had invested his money in the cigar business here and naturally would desire to be in Boston as much as possible.

There was some adverse criticism of the sale from the local fans among whom Ruth's prowess with the bat has made him immensely popular.

Harry Frazee, owner of the Red Sox, declared the club too valuable to be dependent on the services of one player of the Boston club. The money received, he said, would enable him to purchase much needed strength for the Boston club and place it again in the running for permanent honors.

Price Reduced \$125,000.

New York, Jan. 5.—The most popular indoor sport in New York today was guessing how much the New York Americans paid for George H. (Babe) Ruth, the home run monarch. The nearest approach to anything of an official nature was the smiling admission of Colonel Jacob Ruppert, the Yankees' president, that he understood an offer of \$125,000 for Ruth was refused last summer by Harry Frazee of the Boston club. Sporting writers estimate the price paid for him at \$125,000 to \$150,000.

Followers of the national pastime rejoiced that it was not so many years ago the baseball world was staggered by the news that the New York Giants had purchased Rube Marquard for \$1,000. Since then the sale of diamond stars has mounted even faster than the high cost of Rube. Until the sale of Ruth yesterday the record price was \$10,000, paid by Cleveland for Tris Speaker, and \$15,000 by the Chicago Americans for Eddie Collins.

"In commenting on the purchase of Ruth, Colonel Ruppert said: 'This is one answer to those who would like to drive us out of baseball. We entered into negotiations for the famous player in pursuance of a definite policy to give the club's loyal following in New York an aggressive strong well balanced team.'"

WIFE FILES REPLY REFUTING CHARGES

The divorce proceedings instituted by Edna M. Shockley against her husband, T. H. Shockley, a Silverton barber, were supplemented Monday when Mrs. Shockley filed reply to her husband's counter-accusations that she had attended many dances and had corresponded with other men.

Mrs. Shockley admits that she attended one dance with a man not her husband but asserts that upon this occasion she was accompanied by her daughter. Correspondence with a man not a member of her family is specified by Mrs. Shockley, the exchange of letters taking place previous to the re-novation of the couple, the Shockleys having been divorced a few years ago.

In her reply, the wife also asserts that the 40-acre farm, which Shockley claims, is heavily mortgaged, was originally purchased with funds furnished chiefly by her. In the original complaint, cruelty and infamous treatment is alleged. Mrs. Shockley claims that her husband attempted to establish the home for her children's sake brought no reward for continuing Shockley's "unbearable temper."

HARVARD PLAYERS TO REACH HOME TONIGHT

Cambridge, Mass., Jan. 5.—Harvard's response to her returning football heroes when they completed their transcontinental journey here tonight will be informal but decidedly enthusiastic according to undergraduate leaders. Students and members of the alumni will meet the players at the South Station, Boston, and after a brief period of songs and cheers will escort them to the college.

Army Discharge Not Held Good Marriage Aide

"I want to get some marriage license," stated a young man to clerk's assistant, Ruth Wallace in the office of County Clerk Boyer, Monday. The young man, who apparently was not more than 19 years of age was accompanied by a young lady of approximately 17 and by two older women evidently mothers of the applicants for marital bliss. Upon being questioned, the would-be bridegroom showed that he was not familiar with the laws of the state in which he claimed nativity, admitting that he did not know that he needed a medical certificate, but of being his army discharge in lieu of a voucher of physical fitness.

Further questioning developed the fact that the prospective bride was a resident of another county. That part dependent on the services of one player of the Boston club. The money received, he said, would enable him to purchase much needed strength for the Boston club and place it again in the running for permanent honors.

FOUR INDICEMENTS AGAINST MOONEY DIE

San Francisco, Jan. 5.—Four indictments against Thomas J. Mooney, three against Israel Weinberg and three against Mrs. Rena Mooney, wife of Thomas J. Mooney, were dismissed today by Superior Judge Michael Roche. All the indictments were on charges of murder growing out of the bomb explosion during the preparedness day parade on July 22, 1916. Ten persons were killed by the explosion. Attorney Maxwell McNutt, representing Thomas Mooney, who now is serving a life term in San Quentin prison, following his conviction in the connection with the bomb murders, opposed the dismissal of indictments against Mooney.

Two indictments against Thomas Mooney, three against Mrs. Rena Mooney and three against Warren K. Billings, also serving a life term for connection with the bomb murders, still are pending in Judge Franklin Griffin's court.

San Francisco, Jan. 5.—The setting of a date for the opening of the season, the adoption of a playing schedule and the framing of contracts for uniforms were to be the principal items of business to come up before the adjourned annual meeting of the Pacific coast baseball league board of directors here today. It was announced that the clubs would buy their uniforms through the league instead of the individual clubs this year and that each outfit would be restricted to fifty uniforms.

ASHLAND POLICE SAY THEY HAVE NO TRACE OF BOY MISSING HERE

Word that, although all trains passing south through that city had been watched since the receipt of the instructions from police here, no trace of Ralph Parker, the man whose identity has not yet been established, accompanying him had been found, was received Tuesday morning from Chief of Police J. H. Hatcher, at Ashland, by Chief Varney of Salem. German Picture Houses Forced To Show War Films

Krefeld, Germany, Dec. 24.—German owners of moving picture houses are being forced, it is reported, to display prominently and often entire military pictures, showing successful battle scenes and entente, particularly French victories.

One concern has been closed down by the Belgian authorities for having raced through a French military picture so fast that the details could not be seen.

Allies To Intervene In Cases Of Condemned Reds

Paris, Jan. 5.—The inter-allied military commission at Budapest was authorized by the supreme council today to intervene in favor of some of the more moderate communists who have been condemned to death by the authorities in the Hungarian capital. Authority to intervene to this end had been requested by the commission.

At this morning's session of the council the questions remaining to be decided to complete the Hungarian peace treaty were taken under consideration. The Hungarian delegates probably will receive the full text of the treaty Monday or Tuesday next.

The precise date for the conference of the powers on the Turkish question remains uncertain. Ambassador Wallace has thus far received no instructions regarding participation of the United States in the conference.

Letish Troops Break Red Front And Take Booty

Copenhagen, Jan. 6.—Dispatches from Riga today declare Letish troops have broken the bolshevik front along the Dvina. Numerous prisoners have been taken together with much booty, it is asserted.

Two divisions of Letts, supported by Baltic landwehr, attacked the bolsheviks on a wide front, the dispatches say. The attack was pressed, the red lines pierced and the Dvina crossed.

The advance continues, the bolsheviks retreating rapidly.

Damaged trestles, due to high water, are responsible for the interruption of train service between The Daily and Friend, on the Great Southern railroad.

THIS CUP FREE

This Jiffy Measuring Cup is free to users of Jiffy-Jell. Just send us the end labels from two Jiffy-Jell packages—the labels naming the flavor—and we will mail the cup.

This aluminum cup holds exactly one-half pint. Fill twice with boiling water to dissolve one package Jiffy-Jell. It also holds exactly one cup, as called for in many recipes. Ordinary cups so vary in size that many recipes are spoiled. So this exact cup, with markings showing fractions of a cup, is essential in every home.

Free Dessert Molds

These Individual Dessert Molds come in assorted styles, six to the set. The six will serve a full package of Jiffy-Jell. We send the full set for 3 end labels. The molds are aluminum, and the set is worth 60c.

We make these offers to show more women what Jiffy-Jell means to them. Jiffy-Jell differs vastly from other quick gelatin desserts. Each package contains a bottle of condensed fruit juice.

We crush the fruit, condense the juice, and bring you real fruit in abundance in these Jiffy-Jell desserts.

That's the important point. Flavor is mere taste, and often artificial. The fruit itself is rich in earthy salts. Everybody needs it every day.

For a Few Cents

Fresh fruit and canned fruit are expensive. Here are rich fruit dainties which are not.

And they are rich in fruit. Half a pineapple, for instance, is used to flavor one Jiffy-Jell dessert. Then almost a whole lemon is used to acidulate the mixture.

Yet a package of Jiffy-Jell serves six people in mold form.
