

COMPANION BILLS EMBODY OLCOTT'S RECOMMENDATIONS

Carefully avoiding the session of the joint game and fisheries committee which Tuesday noon reported out favorably the Norblad-Handley-Bean bill creating a state fish and game commission of nine members, two companion bills, sponsored by Senator Thomas of Jackson county abolishing the present fish and game commission and creating two entirely separate commissions as recommended in the message of Governor Olcott, were presented to the senate from the floor in the afternoon.

Senator Thomas would create an Oregon state game commission of five members to have exclusive jurisdiction over the game interests of the state and a state board of fish commissioners of three members to have exclusive jurisdiction over the commercial fishing interests of the state. The members of both commissions would be appointed by the governor. The settlement of disputes between the two interests would be placed in the hands of a board of arbitration to consist of the chairman of the two commissions with the attorney general acting as chairman.

COMMERCIAL CLUB TO HOLD BIGGEST MEETING TONIGHT

The activities of the Salem Commercial club for this year will be inaugurated with a boom at the first monthly open forum meeting to be held in 1920 at the Grand opera house Wednesday night. The meeting will begin at eight o'clock, and is expected to attract the largest crowd of members and business men, that has ever attended a Commercial club meeting.

It was hinted during the day that a "bomb" will be hurled into the meeting, and there is much speculation as to what it will be. Manager T. E. McCroskey said that the meeting, primarily, is called to stimulate enthusiasm to carry on the work for the year, but did not elucidate to show what the surprise will be.

Each monthly meeting is marked with entertainment of some kind. But this meeting with a boxing bout, and probably two, will have the best entertainment for business men ever provided.

Following the boxing and the business of the evening the members and business men will go to the Commercial club rooms where a buffet lunch will be served.

Lieut.-Col. Fred K. Elder, U. S. N., in charge of recruiting here for the navy, will referee the bouts at the opera house.

Arthur A. Dayton, former judge of the police court of Portland, is here.

All five of Willamette delegates to the student volunteer convention in Des Moines have decided to enter some sort of missionary service, was the statement made by Robbin Fisher, in his report to the students yesterday in chapel. Ralph Barnes, another delegate, told of hearing Miss Garrison's oration, when she won the national prohibition title. Those who attended the convention were Miss Virginia Mason, Miss Mildred Garrett, Robbin Fisher, Ralph Barnes and Harold Hull.

Music Teacher Is Enthusiastic

Miss Cantril Declares Taniae Is Best Medicine She Ever Heard of

"I am simply delighted over my wonderful improvement since I began taking Taniae," was the enthusiastic statement made by Miss Louise Cantril, popular music teacher of 8405 Elm street, Los Angeles, Cal. "For as long as I can remember my kidneys troubled me and I rarely ever got a good night's rest," she continued. "I lost my appetite completely and what I managed to swallow by sheer force of will would ferment and cause so much gas that my heart would palpitate terribly and at times I came near fainting. I fell off from one hundred and twenty pounds to ninety eight and was so nervous and weak I had to give up my work."

"Medicines and treatments did not do me a bit of good and I lost faith in them. A friend of mine kept insisting that I try Taniae and to please her I did. Now I can't thank her enough, for the way Taniae helped me is nothing short of remarkable. My appetite came right back and I eat anything I want without the slightest trouble. My kidneys seem to be in perfect shape and I sleep all night long like a child. I have gained so much in weight and strength and am so happy I don't hesitate to say Taniae is the best medicine I ever heard of."

* DANDEUFF SURELY *
* DESTROYS THE HAIR *

Girls—if you want plenty of thick, beautiful, glossy, silky hair, do by all means get rid of dandruff, for it will starve your hair and ruin it if you don't.

It doesn't do much good to try to brush or wash it out. The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid avron; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it.

You will find, too, that all itching and digging of the scalp will stop, and your hair will look and feel a hundred times better. You can get liquid avron at any drug store. It is inexpensive and four ounces is all you will need, no matter how much dandruff you have. This simple remedy never fails. (Adv)
