JURORS FIND WYATT GUILTY; BOND \$5000

A jury in department No. 1, returned a verdict of guilty, Wednesday after hearing evidence in the case of the State against Jack Wyatt, Silverton, charged with a statutory offense. After receiving the jury's verdict Judge Bingham changed Wyatt's bail from \$1000 to \$5000 upon the recommendation of District Attorney Max Gehlher.

Wyatt was indicted on the serious charge by the mid-winter sitting of the grand jury and entered a plea of not guilty. Partisan sentiment was in evidence during the trial which was well attended by a Silverton delegation. Testimony introduced, showed that Wyatt had become acquainted with the girl, also from Silverton, at a public dance and attorneys representing both parties united in taking flings at the custom of permitting young girls to become acquainted with questionable men at such places.

Judge Bingham announced Saturday as the date of fixing sentence upon Wyatt. The crime with which Wyatt is charged: statutory rape, is punishable by imprisonment in the state penitentiary for a period of from three to 20 years.
