

Coming to The Grand

Grace Valentine, who plays the feminine lead in Lombardi, Ltd., which comes to The Grand Monday, January 26.

"Lombardi, Ltd., Oliver Morosco's famous comedy success opens at the Grand opera house Jan. 26. Leo Carrillo, the star of "Lombardi, Ltd." has added greatly to his already brilliant reputation by his work in this play. "Lombardi, Ltd." is distinctly unlike anything that has come to the native stage, and has brought to the stage a new set of characters—characters that are genuinely human, truly interesting and at all times exceedingly funny, while it goes behind the scenes of a fashionable dressmaking

establishment and reveals things that have not hitherto been shown behind the footlights. Grace Valentine as Daisy Mahoney, the little mannequin who has obtained her knowledge of dressmaking establishments in particular and employers in general from the "movies" has a role which is quite as new and amusing as Lombardi himself.

Two Persons Bruised And Autos Damaged In Accident

Severe bruises on his right shoulder was sustained by J. J. McDonald, 2609 Fairgrounds road; Mrs. McDonald was bruised, and two children riding in McDonald's auto narrowly escaped probable death when the machine, at 10 o'clock this morning, collided with a delivery auto of the Peoples Cash Store at the corner of Cheneketa and Church streets. The delivery car was badly damaged, both rear wheels being broken off. Police, who investigated, reported that Mr. McDonald was driving south on Church street, and George Allen, driving the delivery truck, was bound out on Cheneketa street. Mr. Allen had the right of way. Mr. McDonald, looking the opposite direction, drove his machine into the rear of the delivery car, completely overturning McDonald's machine. Frank Howard of Newberg, who has been visiting his brother H. C. Howard, of 1309 Waller street, returned to his home Wednesday.

* **TRY THIS** *

If you are growing hard of hearing and fear catarrhal deafness or if you have roaring, rumbling, hissing noises in your ears go to your druggist and get 1 ounce of Farinon (double strength), and add to it 1/4 pint of hot water and a little granulated sugar. Take 1 tablespoonful four times a day. This will often bring quick relief from the distressing head noises. Clog god nostrils should open, breathing become easy and the mucus stop dropping into the throat. It is easy to prepare, costs little and is pleasant to take. Anyone who is threatened with catarrhal deafness or who has head noises should give this prescription a trial. (Adv)

Saving Time At the Dentist's

PEOPLE with little time to spare can get their dental work done promptly in offices using the E. R. Parker System. The old idea that you had to do a lot of waiting, make a lot of visits and go through a lot of professional red tape, is all wrong. That idea is what made old-style dentistry so costly and unsatisfactory.

DR. PAINLESS PARKER

Under the E. R. Parker System your teeth are examined without delay by an experienced dentist, who tells you at once what work your teeth need and what the price will be for doing it. If you decide to have your teeth cared for, the work can be done immediately.

The work then proceeds without a single useless postponement, and is completed as soon as good dentistry can possibly be done. The result is not only a saving of time, but of money as well. And, best of all, you will be satisfied, for E. R. Parker System dentists are just as particular as you are. Examinations and advice free.
