

# Conference Is Threatened By Gate Receipt Issue

## WASHINGTON HOLDS OUT AGAINST 50-50 SPLIT OF RECEIPTS

Seattle, Wash., Jan. 27.—University of Washington students are wondering if the Pacific coast conference will survive a storm that broke when Washington recently decided not to obey a new conference ruling that all football gate receipts should be divided equally between the opposing teams.

In the past the home schools have paid guaranteed amounts to the visiting teams. Faculty members of the conference schools, meeting here recently, passed the new "50-50" rule, as it is called, over the opposition of Washington and other institutions located in or near large cities.

Washington's graduate manager, Darwin Meisner, announced at the meeting that his school would not obey the rule, for by following it, he said, the big institutions would lose money to the institutions in the smaller cities.

Arthur Priest, dean of men at the University of Washington, who attended the meeting, objected to the rule on the ground that faculty members attending the conference meeting had no right to dictate in financial matters between member schools.

As a result of the break, Washington will not meet its old time rival, Washington State college at football here next Thanksgiving day, although the two teams are on the conference schedule for the game. Washington offered W. S. C. \$4000 to come here and play and promised to play on the W. S. C. gridiron in 1921 for only \$1,500.

W. S. C. held to the "50-50" rule, turned down Washington's offer, looked across the Rockies for competition and scheduled a game against the University of Nebraska at Lincoln for Thanksgiving day.

Washington now is looking for an eastern Thanksgiving day opponent.

## OREGON-WILLAMETTE GAME IS SET AHEAD

Because of the fact that the lease of the armory for Saturday night dances makes it impossible to play here on that night, the schedule for the two-game basketball series between Willamette and the University of Oregon this week has been reversed and the opening contest will be played here Thursday evening. The Bearcats will go to Eugene for the return game Saturday night.

With the team working at top speed for the clash with the Eugene five, Coach Matthews intimates that some changes may be made in the Bearcat lineup, but has made no announcement as to who is slated for the bench in the battles with the lemon yellow.

## Hayes, Of Big Mit Fame, With Bishop's Players

Jack Hayes, former player with the Spokane Indians and who has also been with the Seattle Giants, has located in Salem and expects to play on Riddle Bishop's Salem club. Hayes is working at the Willamette Valley Transfer company.

Hayes, especially in his work behind the bat, working in this position with the Indians '16, the Giants, '17 and with the Idaho State team in 1914, during the time the Snake River players grabbed the rag from the Utah league. Hayes entered the service in 1917 and played with several good soldiers outfits.

### TROPHY ARRIVES

The Hauser cup for inter-class rivalry at Willamette University has arrived and is being displayed in the windows at Hauser Bros. The cup is given annually to the class making the best showing in inter-class events at the university.

### A STUBBORN COUGH LOOSENS RIGHT UP

This home made remedy is a wonder for quick results. Easily and cheaply made.

Here is a home made syrup which millions of people have found to be the most dependable means of breaking up stubborn coughs. It is cheap and simple, but very prompt in action. Under its healing, soothing influence, chest soreness goes, phlegm loosens, breathing becomes easier, tickling in throat stops and you get a good night's peaceful sleep. The usual throat and chest colds are conquered by it in 24 hours or less. Nothing better for bronchitis, hoarseness, croup, throat tickle, bronchial asthma or winter coughs.

To make this splendid cough syrup pour 2 1/2 ounces of Pinex into a pint bottle and fill the bottle with plain granulated sugar syrup and shake thoroughly. If you prefer, use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way, you get a full pint—a family supply—of much better cough syrup than you could buy ready made for three times the money. Keeps perfectly and children love its pleasant taste.

Pinex is a special and highly concentrated compound of genuine Norway pine extract, known the world over for its prompt healing effect upon the membranes.

To avoid disappointment ask your druggist for "2 1/2 ounces of Pinex" with full directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. The Pinex Co., Ft. Wayne Ind. (Adv.)

## Co-ed Athletes Asked to Meet In Conference

Seattle, Wash., Jan. 27.—University women of five western states have been invited to send delegates to a meeting of the Women's Athletic conference of the Pacific northwest which will be held at the University of Washington here in May.

A women's field meet may be held here during the conference, according to tentative plans. Representatives of all the western colleges and universities may enter if they desire.

Invitations have been sent to the University of Oregon, University of California, University of South California, University of Idaho, Washington State college and the Colorado Agricultural college.

## FORTY-THREE MEN ANSWER BASEBALL SUMMONS AT O.A.C.

Oregon Agricultural College, Jan. 27.—Forty-three men signed up for baseball this week at the first meeting called by "Jimmie" Richardson who will coach the squad this year. It is expected that several more will turn out when outdoor practice begins. For the present practice will begin in the gym, and as soon as weather permits and the pitchers are in condition to do some throwing outdoor practice will be held.

A good number of old men are back and prospects are looking pretty bright to the Aggie fans. Eight men who have earned letters in this sport are on hand, and several others who have had previous experience in varsity baseball.

Captain "Speck" Keene, of Salem will do the part of pitching this year if he is able to get his arm in condition. Last year he was forced to play in the outfield, due to a sore whip, but his arm seems to be in good shape after the year's rest, and things look as though he would be putting them over again this year. "Speck" pitched in varsity baseball for Salem high school years ago and managed to hold the University of Oregon team down to a 5-4 score in a game played in Salem in 1915.

Whitney Gill, also of Salem, is a strong contender for the catcher's mitt. He has been the other half of a battery with Keene since their second year in high school. He is sure to be behind the bat again this year, and is certain to star for the Aggie nine.

## BASKETBALL

Dallas, Or., Jan. 27.—The American Legion basketball team of this city defeated the Vancouver Legion team Saturday night by a score of 28 to 17. The teams were evenly matched and local fans who accompanied the team to Vancouver state that it was one of the best contests that they have witnessed this year. Dallas defeated Vancouver early in the season by a wide margin.

## Career Of French Boxer Ended; Arm Amputated

Paris, Jan. 27.—The pugilistic career of Luis De Pontieu, featherweight champion of France, ended yesterday when surgeons amputated his left hand to save the fighter's life. He met Tancy Lee, the British champion, in this city on Christmas day and though he knocked out his opponent in the seventeenth round of their bout, he injured his hand and blood poisoning developed.

### HOLMES MAY JOIN SALEM CLUB

Riddle Bishop has secured another good infielder in the person of "Ducky" Holmes. Holmes played as shortstop with the Tacoma Tigers in 1917, coming into the coast league with a reputation for fast and reliable work with college teams. He went into the service in 1917, seeing service overseas and at the front. Returning from France, he played with McDougall's Portland Commercial league in 1919. At the present time, Holmes is a student at O. A. C., but plans to locate in Salem during the summer.

### COMMERCIAL LEAGUE TEAMS TO BATTLE AGAIN TONIGHT

Two games are slated for this evening in the Commercial Basketball league, when the Hauser Bros. and Capital National Bank and the Anderson & Brown and the United States National Bank five will meet. The Hauser Bros-Capital National game will open the evening's play and will start promptly at 7:30 o'clock.

## CHANGES IN TENNIS RULES OPPOSED BY ASSOCIATION HEAD

New York, N.Y., Jan. 27.—Opposition to changes in the playing rules, proposed for action at the annual meeting of the United States National Lawn Tennis Association in this city February 6, is expressed by George T. Ades, the association's president.

His principal objection is based upon his belief that such changes should be made only after consultation with the other tennis playing countries of the world. The resumption of international tennis in 1920, with the prospect of increased activity in the coming season emphasizes the desirability of having uniform playing rules and in Mr. Ades's judgment, makes it extremely unwise for the United States to make the changes proposed now.

In this belief he is supported by Robert E. Wrenn, former president of the association. Mr. Wrenn, besides pointing out defects in the proposals, also recognizes the importance of uniform rules for international play. He thinks it would be a "grave error" to change the rules in the United States without consulting the tennis associations of other countries.

So far as the rules are concerned, the principal objections relate to the new foot fault rule, scoring system and method of conducting handicap events. Their views are set forth by Mr. Ades in part as follows:

"I feel very strongly that these changes in the rules could not be adopted. The growth of tennis and the position the game has taken among the sports of the world is proof positive no such change is necessary."

## THREE SALEM YOUTHS ON ROOK LOOP TEAM

Oregon Agricultural College, Jan. 27.—Three students from Salem—Glenn Ackerman, Glenn Gregg and "Pugh" Ross—are members of this year's freshman basketball team, who will leave Thursday morning for Portland where that evening they will meet the South Parkway Athletic quintet in Portland. This team is reported by some to be the fastest amateur outfit in the state and capable of defeating Multnomah club and the best of them. This should afford an excellent opportunity for the first year team to try themselves under heavy fire.

Friday night they will meet the Hammond team in Astoria and Saturday night the Columbia Athletic club of Astoria. It was hoped to arrange games with a high school or two on this trip but the prep schools seemed to be unable to put up the necessary finances.

Stanford University, Cal., Jan. 27.—Stanford crews begin their initial workouts with plenty of good material on hand for turning out an eight which will live up to the reputation of former Stanford crews. Six men from last year's varsity will be back at their seat in the shell and forty more candidates will fight for a place on the boat.

### STANFORD ROWING CREWS BEGIN INITIAL WORKOUTS

Owing to the inclement weather of last Sunday, the turkey shoot at the Middle Grove nursery, set for that day, was postponed and will be held next Sunday instead.

## Former Salem Woman Dies At Her Portland Home Monday

Mrs. Mattie Janzen, 43, wife of D. E. Janzen, and a former resident of this city, died at her Portland home Monday. The funeral will be held in that city and the body will arrive here Wednesday noon, burial following immediately in Lee Mission cemetery.

## Veterans To Honor Lincoln And Washington, Feb. 12

Joshua Smith camp, Sons of Veterans, took action last night at Grand Army hall for the proper observance of Abraham Lincoln's birthday, Feb. 12.

Commander Silas Howard named comrades Frank Dunlap, David Drake and E. Hofer as committee on general arrangements with power to act. The Sons of Veterans also accepted the invitation of the Daughters of the Revolution to participate in the observance of Washington's birthday at the armory February 23.

### DALLAS MAN INJURED IN AUTO COLLISION

Dallas, Or., Jan. 27.—In an automobile collision at the intersection of Court and Main streets about 1:25 o'clock Saturday night Milton Lehman, a clerk in the Messner grocery, was quite seriously injured when his Ford car was hit by an automobile driven by Arthur May, a young farmer residing north of town.

The accident was witnessed by quite a crowd of people but who was at fault for the accident has been undetermined.

Both cars were damaged badly by the force of the collision and Mr. Lehman had to be taken to his home. It was reported better today.
