

# FACTIONAL STRIFE IN AMERICA LEAGUE IS OUSTED IN PARLEY

Chicago, Feb. 11.—Factional strife in the American league vanished early today when after an all night session concessions put forward by President Johnson and his five "loyal" adherents, and the insurgents—Presidents Comiskey of the Chicago club, Frazee of Boston and Ruppert of New York—were accepted. President Johnson found his authority as league executive altered so far as major disciplinary actions were concerned, as arbitration board—reviewing committee of two members being appointed to investigate all punishments ordered in excess of ten day suspensions and \$100 fines. On the other hand it was agreed to dismiss three clubs brought against him by the New York club.

## SALEM BOY LINING UP EVENTS OF O.A.C. WEEK-END PROGRAM

Oregon Agricultural College, Feb. 11.—"Speck" Keene of Salem, as manager of this year's junior week-end, has arranged a tentative program for the dates of May 21, 22 and 23. According to present plans an alumni luncheon will be held Friday noon. It is hoped to have this reception out of door at which more than the usual number of alumni are expected to be present.

A track meet will be held Friday afternoon between the University of Oregon and the college, as well as a baseball game between these two institutions. The junior vaudeville will be held that night.

Saturday morning will usher in the annual freshman-sophomore tug of war and the burning of the rook's green caps. The second baseball game of the series with the U. of O. will be played Saturday morning. One of the main features of the week-end will be the historical pageant, featuring the state of Oregon on Saturday afternoon.

Saturday night will bring the crowning event of the week-end—the Junior Prom which will be held in the men's gymnasium. The new college regulations prevent the freshmen from attending the Prom, largely because of the lack of room it is said, so the rooks will hold a dance at the same time at the women's gymnasium. The Prom this year is being managed by Leo Spitzbart, also of Salem, who is doing everything to make it surpass all previous affairs of the kind.

A band concert on the campus and "open house" at the various fraternities, sororities and clubs Sunday will close the week-end's festivities.

## PORTLAND TRAINER STARTS WORK WITH CORVALLIS TEAMS

Oregon Agricultural College, Feb. 11.—Mike Butler has been obtained as a trainer for the college athletes and will begin work Monday. This announcement was made by the board of control, which for sometime has been considering several candidates, but finally decided that Mike was the best man for the place and took the necessary steps to meet his conditions.

Butler comes to O. A. C. with a reputation that is of the highest type. He is well known on the campus as he was employed last fall for three weeks in conditioning the football team. His work was so effective that he took a term that had been handicapped with injuries throughout the season and within a few days whipped it into first class condition so that not one minute of time had to be taken out during the remainder of the season.

He comes with the highest recommendations. The Chicago Athletic club with which he was connected for many years, speaks of him as "the best man in his line in that part of the country." In fact it was when Mike brought west a team of athletes representing this club which cleaned up the track meet held at the time of the Lewis and Clark exposition, that he first attracted the attention of the west.

"Mr. Butler is not only one of the very best of judges of physical condition, but he is also a fine, clean man whom it is a pleasure to meet," says Dr. Calvin S. White of Portland, former health officer.

## COMMERCIAL LEAGUE LEADERS ARE BEATEN

It doesn't take college rivalry to make a hot fight. Last night, after one of the roughest and most closely contested games ever played on the local Y. M. C. A. floor, the Capital National quintet, headed by Homer Trusey, came out on the long end of a 11 to 10 score against the Anderson-Brown team, heretofore undefeated leaders in the Commercial league. The victory of the bank team ties them for first place. Rivalry was running high even among the spectators, who were constantly on their feet. At the end of the first half the score stood 6 to 6, and the fight was so hot in the second half that time had to be taken out on several occasions. And there were casualties too. Dr. Chalmer George of the bank team was knocked completely out once. A large number of fouls were called against Anderson & Brown. In contrast to the cleaner game played by the bank team, Tutsey, the captain of the bank team, is an old Salem high basketball star, and the victory was largely due to his ability and aggressiveness.

The second game of the evening was between the Hauser Bros. team and the United States National bank team, the former winning easily by a score of 19 to 8. Springer and Rheinhart were the point makers for the victors. Next Tuesday night Hauser Bros. will play the Capital National bank and the United States National bank will go up against the Anderson-Brown team.

## Why You Should Buy a Fordson Right Now

**BECAUSE** You are going to own one of these time-savers, these money makers with this day of high prices and high wages time is money and with both quick transportation and power farming means time saving and money making.  
**BECAUSE** We have received notice of our February allotment of 14 tractors and these are practically all sold.  
**BECAUSE** There is a shortage of tractors, the factory, November 1, had 50,000 orders for tractors they were unable to deliver. This condition is brought about for the reason THE FORDSON HAS MADE GOOD and is picked universally by farmers as their tractor. Power Farming means "DOLLARS" to you, Mr. Farmer. A canvass of the Tractor manufacturers of the United States department of Agriculture has disclosed that the total number of tractors expected to be manufactured from June 1919 to July 1, 1920, is 250,000 and that 70 per cent—think of it—70 per cent will be FORDSONS and 30 per cent all the other makes combined.  
**BECAUSE** The FORDSON is the adopted universal tractor. All implements are made to fit the FORDSON, plows, discs, harrows, seeders, mowers, binders, hay balers, ensilage cutters, threshing machines.  
**BECAUSE** You are given service that no other tractor manufacturer has ever done with a competent mechanic to look after this work.  
**BECAUSE** After considering these truths, we know you will profit by this statement. If you need a tractor, don't fail to place your order AT-ONCE. Come into our store and let us explain the many features of Power Farming. TODAY IS THE DAY TO PLACE YOUR ORDER.

## LOCAL BIFBALL MEN TO MEET WOODBURN

The first contest between the "Y" business men's bifball club and out-of-town players to be staged this year will be played at the Y. M. C. A. gymnasium this evening. The usual monthly election of captains for the two local teams, and the banquet, will precede the tangle with the Woodburn bifball team.

Because of the depleted ranks of the local bifball teams that has been apparent the past month and a half, Physical Director Hull has issued a plea for all the members to be on hand that a credible team might be selected to meet the visitors. The meeting begins at the usual time—5:30 p. m.

## Loss of Salem Player Blow to Aggie "Rooks"

Corvallis, Feb. 11.—The freshmen basketball team will be quite handicapped in its coming games due to the loss of its star forward, Glenn Gregg of Salem. He is suffering from blood poisoning and will be out of the game for some time. Glenn Ackerman, forward, and Arthur Ross guard also of Salem, have maintained a splendid showing on the rook team so far.

## Leaders in Inter-Class Series Go Down to Defeat

Yesterday afternoon was a disastrous session for the leading teams in the Willamette university basketball league, both the Polecats and Seniors being to teams farther down the line. The Premiers, a sophomore team, swamped the Polecats 15 to 4, in one of the hardest fought games of the season. Doney, Huston and Rarey putting up the best game. The Seniors had an off day and lost 12 to 2 to the Pirates, a freshman team, Eirevey being responsible for the greater number of points.

The Seniors and Polecats will tangle in the final game tomorrow night, but even if the Seniors win the Polecats have a lead of one game in the percentage column.
