

### J. H. ALBERT AIDS SALEM SENATORS IN GETTING SITE

The Salem Senators have at last secured a suitable location for their club grounds. Manager Biddle Bishop has been securing the city for weeks in an effort to locate a good park.

Upon hearing of the Senators dilemma Joseph H. Alberts, president of the Capital National bank, came to the assistance of the Salem ball players with the offer of a good location at Twelfth and Judson streets.

Manager Bishop announces that contracts for leveling and fencing the grounds will be made immediately as the Senators are anxious to get into training for their early games. One of the best parks in the state will be erected on the site secured. The first games for the opening of the season are scheduled with the Moosejaw and Regina teams, both are known as fast Canadian clubs.

A large grandstand and bleachers will be erected on the new grounds. In addition to these accommodations for the fans, Manager Bishop intends to provide protected parking. By this arrangement car owners and out-of-town enthusiasts can witness the game from the diamond side without leaving their cars.

From the character and personnel of the Salem Senators, Biddle Bishop believes that he has an aggregation which will place Salem on a par with any and all playing towns. He says that with the proper local interest, there is no reason in the world why the Senators should not lead the semi-pro teams.

Kracker, Craig, "Lefty" Schroeder, Hayes, Garner, O'Mally, Knickerbocker, Bishop, Miller, Holmes and other good players are lined up for the best season in the Willamette valley.

The new grounds are considered by many to be an ideal location. Manager Bishop, in getting a good park, took special care to get a situation convenient to car lines and remote from being a source of disturbance to hospitals, churches and other places.

Games will be played twice weekly, on Saturday and Sunday afternoons.

After the grounds are put into good shape, Manager Bishop will hold the grounds open for the use of the high school and Willamette university at all times not on the Senators' schedule. Biddle plans to put the grounds into such condition that they will attract all Salem events.

### POLECATS DEFEAT REMAINS 18 TO 6

In the final game of the preliminary interclass basketball series at Willamette university, the Polecats, leaders in the league, defeated the Seniors in one of the hardest fought games of the season, by a score of 18 to 6. It was more a contest of strength than of skill, with Spies and Dimick, football letter men, on the senior team and Zeller and Lawson, equally noted on the gridiron, starring for the Polecats.

At that time neighbors had complained that six cows were not well nourished and four were being milked. All the ani-

mals are now in good condition and conditions in the barn have been improved. After a visit to the Valley Packing company Mr. Churchill declared that all animals were being humanely killed there and the entire plant was a model of cleanliness.
