

### BEARCATS RETURN AFTER TRIP NORTH

The members of the Willamette basketball team returned to Salem Thursday after their northern trip in which they won three games and lost three. The games won, however, were not conference games, as Washington State college was unable to put its varsity team in action on account of the strenuous trip through Oregon and California they had just finished. The Bearcats defeated a substitute team at Pullman 27 to 22 Tuesday night, after losing to Idaho 42-21 at Moscow the night before. Both games with Whitman were won by the Walls Walla school. The Bearcats defeated Ritzville American Legion team and Spokane university.

The team will rest this coming weekend, the next game will be with Pacific university next Tuesday. It has always been Pacific's ambition to defeat the local college, and as they have put a strong team in the field this year, the game will undoubtedly be full of interest.
