CLEVELAND SIX SETS RECORD FOR COOLING

With its fan belt removed and its water pump rendered inoperative a Cleveland Light Six touring car carrying four persons has been successfully driven up Mount Hamilton in northern California, according to a report received by Oief Oleson of the Oleson Motor Car company, local Cleveland distributors.

The trip up the mountain, on which the Lick observatory is located, is 150 miles. During the ride the car was not stopped "to cool off" nor was it otherwise spared. The party of four members of the Peacock Motor Sales company, San Francisco, Cleveland distributor, left Oakland at 9:45 a. m. and reached the Lick observatory at 12 o'clock. The party stopped for lunch and completed the trip at Oakland at 5:10 in the evening.

Stanley D. Lewis, of San Francisco, acted as observer and at the end of the trip made an affidavit describing the remarkably successful radiation test without fan belt or water pump.

The car was stock and no adjustment was made beyond the removal of the fan belt and the operation which rendered the water pump useless.

MOVE TO BRING M' BAIN FROM CANADA BEGUN

Requisition papers asking for the return of James H. McBain from Canada to stand trial in Willamette county on a charge of murdering Theodore Trost on April 9, 1905, have been prepared by Attorney General Brown.

According to the court records in the possession of the attorney general, McBain is charged with the murder of two brothers, Charles and Theodore Trost. He was tried and convicted of the murder of Charles Trost and sentenced to life imprisonment in the state prison. He was pardoned by Acting Governor Jay Bowerman and hurriedly left the state in order to avoid arrest on the charge of murdering Theodore Trost for which he had been indicted. A search for McBain conducted by Willamette county officials since that time have just resulted in locating him in Canada and a strenuous effort will be made to bring him back to stand trial.

COUNTY TAX ROLL TO BE OPENED NEXT WEEK

Due to the excess of extra work and the scarcity of clerical help, the tax rolls for Marion county will not be available until about February 25, according to Ben F. West, assessor for Marion county.

The sheriff's office has been deluged by taxpayers who are anxious to make their tax payments upon the opening of the books and for this reason, Mr. West announces that publication of the date will be made when the tax rolls are available.

According to information available at the present time, the tax rolls for 1919 will represent over a billion dollars of tax valuations, and will be greater than at any time in the history of the county.

RHODES HAS NARROW ESCAPE IN ACCIDENT

Wally Rhodes, driver of delivery car No. 2 for the Salem Steam Laundry, narrowly escaped serious and probable fatal injury at six o'clock Wednesday evening when the car he was driving was struck by a north bound Oregon Electric train at the corner of North Commercial and South streets. Rhodes escaped without so much as a scratch. The auto was almost totally demolished.

Rhodes was driving south on Commercial street, and had just started across the track when the oncoming train struck the rear of the delivery car, sweeping it across the street knocking off the two rear wheels, and hurling the wreck against the curb. While the car was being hurled

through the air before the train, Rhodes clung to the steering wheel. His escape was miraculous.

Tractor School

CANCER

To whom this may concern I will say that I was afflicted with a cancerous growth in my temple to the annoyance of my self and family. I advised with Dr. S. C. Stone, Salem, Oregon, who applied a medicine for five days and then a simple ointment and after a few days the CANCER came out entirely to my great satisfaction. I can truly recommend Dr. Stone's.
