CONCERNING MUSIC

By C. A. DAVIDSON
(Director of Music for Salem Schools)

Oregon State Song.

A very timely and worthy move is on for composing a song that will tell particularly of Oregon. Words by Oregon poets and music by Oregon composers. It is sponsored by the Society of Oregon composers, a new organization with headquarters in Portland. Invitations were sent to people all over the state to submit original poems, and of the 213 poems received, three were chosen for a musical setting.

March 15, is the date set for the 40 members of the composer's society to have finished their part. After a choice has been made of the three best tunes, the three songs will be published and spread broadcast over the state. At the end of six months the most popular song will be adopted as the state song.

Mr. J. A. Churchill, state superintendent of public instruction, this city, was one of the committee of five who chose the poems. Those who have read them will agree that they possess merit and compare favorably with other state and national songs.

Verily, it is high time that we were awaking to the opportunities that are ours if we but get together and boost our state. Everybody is beginning to realize the value of advertising. The old idea of fake advertising of catch-penny to green-cheese advertising, has just about run its course; and in its place comes the new idea of letting people know honestly what we have to offer them for their betterment and delight. And in this game of state advertising or boosting (or whatever name you may wish to call it), our state song should go hand in hand with Mr. Barber's wonderful, colored photographic slides, and the literature of the commercial clubs and publicity bureaus, in crystallizing public sentiment and unifying the people.

ST. PAUL'S CHURCH—Fourth Sunday in Lent. 7:30 holy communion; 9:45 a. m. church school; 11 a. m. the monthly communion service, postponed last Sunday on account of the rector's absence, will be celebrated, with sermon by the rector; 7:30 p. m. evening prayer and address. Weekday Lenten services Wednesday at 4:00 p. m. and Fridays at 7:30 p. m. Everybody welcome. Chas. H. Powell, rector.

UNITED EVANGELICAL—Cottage and Center streets. Sunday school 10 a. m. A class and a cordial welcome for all. Divine worship and sermon 11 a. m. "The Sweetest Sound." C. E. 7 p. m. Evening worship and sermon at 7:30 p. m. Prayer meeting on Thursday evening.

UNITED BRETHREN—Castle Chapel. Corner of Nebraska and 17th Sts. George Chapman, pastor. Bible school 10 a. m. W. W. Rosenbaugh in the lead. Preaching 11 a. m. and 7:30 p. m. Ladies aid Wednesday afternoon, and prayer meeting Thursday 7:30 p. m.

FIRST CONGREGATIONAL CHURCH—Liberty and Center streets. W. C. Kantner, pastor. 10 a. m. Sunday school with classes for all ages. W. I. Staley, superintendent. 11 a. m. "Baptism Under the Christ." 6:30 p. m. C. E. Miss Constance Kantner, leader. 7:30 p. m. "Flood-tide Epoch in Human Lives." A cordial invitation to all.

LESLIE METHODIST EPISCOPAL—Corner South Commercial and Meyers streets. Horace N. Aldrich, pastor. 9:45 a. m. Sunday school. E. A. Rhoten superintendent. Miss Sue Williams in charge of the primary department. 11 a. m. public worship with sermon by the pastor, theme, "The Heritage of the Children of God." 3:00 p. m. the choir will meet for a special rehearsal on the Easter music, and will have a luncheon at the church at 5 p. m. remaining for Epworth league and the illustrated lecture in the evening by Dr. Lewis. 6:30 p. m. devotional meeting of the Epworth league. 7:30 p. m. an illustrated entertainment by Rev. George Edward Lewis, educational, authoritative, fascinating, gilt-edge, a reel of marvelous moving pictures, showing one hundred wonderful scenes and all were taken under the direction of Mr. Lewis, who lectures on each one while real Alaska life thrills you upon the screen. Some were taken when it was 84 degrees below zero, yet all are sharp and vivid as though taken in sunny California. No admission will be charged but a silver offering will be taken. The public is invited.

State House

Governor Olcott this morning honored the regulation papers of Governor Stevens of California for the return of George O. Dixon wanted at Martinez, Cal., on a charge of larceny by mail. Stevens was arrested in Portland on information charging him with the theft of an automobile on which he is said to have paid only a portion of the purchase price. Dixon's offer to pay the balance due on the car after his arrest is said to have been refused.

The only fatality included in the list of 416 accidents reported to the state industrial accident commission for the week ending March 11, was that of James Polihronis a Portland railroad employe, who died as the result of injuries received when run down by an auto truck.

The mandamus proceedings through which F. M. Bloom of Portland is attempting to compel the state board of dental examiners to issue to him a license to practice dentistry in Oregon, was argued before the supreme court Friday. The case of the Berkshire company vs. H. E. Plumber, city building inspector for Portland, another mandamus proceeding, was also up for argument before the court Friday.

Incorporations.

Articles of incorporation were filed with the Oregon corporation department here today by the Beta Iota of Sigma Chi building association of the University of Oregon. The fraternity is capitalized at \$20,000. Creston Madlock, Walter Kennis and Morjan Watson are the incorporators.

Other articles were filed today as follows:

Portland Service League, Portland. \$200; Ira L. Riggs, H. V. Kent and R. H. Bain.

Lundy Cheese company, Inc., Myrtle. \$4000; John Peery, S. S. Reed and F. O. Reed.

A LETTER FOR WOMEN

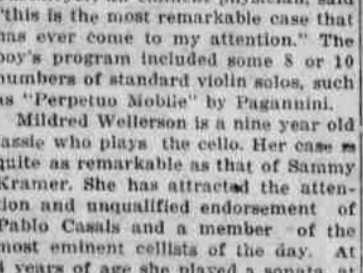

From a Woman Whose Serious Illness Was Overcome by Lydia E. Pinkham's Vegetable Compound.

Garnett, Kas.—"I first took Lydia E. Pinkham's Vegetable Compound for a complete nervous breakdown following the birth of my oldest child. I got up too soon which caused serious female trouble. I was so weak that I was not able to be on my feet but very little and could not do my housework at all. I had a bad pain in my left side and it would pain terribly if I stopped off a curb-stone. One day one of your bottles was thrown in the yard and I read every word in it. There were so many who had been helped by your medicine that I wanted to try it and my husband went to town and got me a bottle. It seemed as though I felt relief after the second dose, so I kept on until I had taken five bottles and by that time I was as well as I could wish. About a year later I gave birth to a ten pound boy, and have had two more children since and my health has been fine. If I ever have trouble of any kind I am going to take your medicine for I give it all the praise for my good health. I always recommend your medicine whenever I can."—Mrs. EVA E. SHAY, Garnett, Kansas.

CONCERNING MUSIC

It is well known that the great majority of concert artists of the first rank who are now before the public played remarkably well at 4 to 6 years of age.

General Notes.

Walter Damrosch and a number of prominent musicians are sponsoring a bill in congress to recruit and perfect army bandsmen. The bill provides that musicians may enlist for band service, may earn commissions and at time of war may not be asked to do military duty other than their musical service.

The day of the American opera, and of the American singer singing the American language and of the American composer, is at hand. The day when English was considered unsuitable, when musicians must spend a number of years in Europe getting "atmosphere" and "kultur" has had its zenith and its twilight star and soon will come the new day when in music as in other lines of activity "My Own United States" will fly with her own wings.

Supreme Courts Ruling Heartens Stock Exchange

New York, Mar. 13.—The stock market was visibly heartened this week by the decision of the supreme court exempting stock dividends from taxation and another ruling by that tribunal providing for equitable valuation of railroad properties.

A vigorous rally in foreign exchange was also an encouraging factor.

Oils, motors and numerous specialties whose dividend policy was contingent upon the tax decision of the supreme court benefitted most by the movement.

Additional reasons for the strength of petroleum and motors were furnished by continuous upward revision of price schedules for raw and refined oils and the high pressure of activity reported by automobile manufacturers.
