

### Anderson-Brown Quintet Clinches Honors of League

\*\*\*\*\*

**STANDING OF LEAGUE**

Team	Won	Lost
Anderson-Brown	7	2
Capital National	5	4
Hauser Bros.	5	4
U. S. National	1	8

\*\*\*\*\*

Upsetting the dope for the second time, the Hauser Bros. quintet defeated the Capital National bank five 15 to 10 in the closing games of the Commercial basketball league last night at the Y. M. C. A. The other game between the league leaders and the cellar champs ended with a score of 26 to 15 in favor of Anderson and Brown.

Hauser Bros. and the Capital National five played a hard fought clean game, only two fouls being called on either side. Springer and Hulse captains of the opposing teams were the big point getters, both of whose aggressive playing is a pleasure to watch. The Anderson-Brown team is a well balanced combination, and their team work was the feature of the second game.

Last night's games marked the end of the series, leaving Anderson-Brown in first place, Hauser Bros. and the Capital National bank tied for second berth and the U. S. National bank bringing up the rear. The peculiar feature of the series was that though the Capital National bank lies for second place, they were the only team successful in beating the league leaders two games out of three.

Next Tuesday night at the Y. M. C. A. all members of the league will meet and review the season's battles while enjoying a banquet given in their honor.

**COMBING WON'T RID HAIR OF DANDRUFF**

\*\*\*\*\*

The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon, apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

Do this tonight, and by morning, most if not all, of your dandruff will be gone and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find, too, that all itching and digging of the scalp will stop at once, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

You can get liquid arvon at any drug store. It is inexpensive and never fails to do the work. (Adv)

More than 20,000 persons in the United States took Red Cross first aid courses during 1919.

### Basketball And Football Stars Given Sweaters

In the annual award day exercises at Willamette university last night eleven football men and six basketball men were awarded sweaters and certificates. A cup was presented to Bernard Ramsey for giving to the football squad the best service rendered by any man who did not earn a letter and a four year blanket was awarded to Harold Dimick, who, besides playing football four years, has won awards in four athletics. Paul Wapato received the "Bar W" pin for oratory, and Paul Fiegel a sweater for yell king.

President Basler of the "W" club presided, and introduced Coach Mathews, who spoke of the "W" club and athletics. Attorney A. F. Fiegel of Portland, a member of the board of trustees, gave the address of the evening on "Power to see the unseen." The varsity quartet sang a selection "Song of the Bow." Austin Fiegel, several years ago athletic manager at Willamette, was called upon for a short talk, after which President Doney presented the awards.

Following the award day exercises the "W" club held its annual banquet at the Hotel Marion. President Doney was toastmaster. Speeches were made by Hendricks, who played fullback for Willamette in 1915; Don Randall another alumnus, football captain-elect Rarey, President Basler of the "W" club, Coach Mathews, basketball captain Wapato, Clare Gillette, Harold Dimick and A. F. Fiegel.

The men who received the "W" for football are Rarey, Basler, Vinson, Zeller, Day, Lawson, H. Dimick, Tobie, Wapato and Irvine.

Basketball sweaters were awarded to Gillette, R. Dimick, Wapato, Jackson, McKittrick and Rarey.

The inhabitants of the Balkans, for lack of other garments, frequently wear Red Cross pajamas as Sunday-go-to-meetin' clothes.

### Bearcat Teams Select Captains For Coming Year

Paul Brown was elected captain of the Willamette university baseball team and Robbin Fisher captain of the track team at meetings of the letter men in those sports yesterday. Brown was elected in place of "Frosty" Olson, who has left school. First turnouts for candidates in both of these sports are scheduled for this afternoon.

The prospects of a winning baseball team are promising, as nine letter men will turn out. Behind the bat Brown and Basler will vie for a berth and in the infield R. Dimick, Davies, McKittrick and Austin are experienced men. Story and Wapato are the old outfield men. Harold Dimick and Spiess are the experienced pitchers, but it is possible that neither will be able to turn out. There is a wealth of promising material in the freshman class, from which a squad of pitchers can probably be recruited, as well as men who will make a strong bid for infield and outfield positions. Fisher, Ohling and Dimick are the letter men in track, but several of the new men are high school winners.

### Freshman Glee Big Event Of Year

Willamette university will stage the big event of the year from the viewpoint of the people of Salem Friday night in the armory. Pan and all of his elfin troop will be there and sweet Orphean strains will fill that edifice with melodious harmonies, for the musical spirit of Willamette will be there.

At that time the four classes will vie with one another for song supremacy. There will be that intense moment just before the judges' decision is rendered, and then the victorious class will carry away the pennant in triumph. By this custom Willamette annually heralds in the coming spring. This year the freshman class has planned an unusual and original form of

decoration which will create that atmosphere which carries with it spring-time, music and flowers. The affair is sponsored and financed by the freshman class.

### Big Inter-Class Series Finished; Frosh Five Wins

The freshman basketball team of Willamette university won the inter-class championship by defeating the Juniors 29-17 in the final game of the series yesterday. The game was hard fought and fast, the teams exhibiting more teamwork than they displayed in the preliminary games. Superior guarding won for the first year men. The clever passing of Davies and Fisher of the Juniors was not good enough to get by W. Socolofsky and Thomas Gannans got most of the points for the rookies on long shots. Ellis being also lucky in this regard.

Freshmen—Gannans (9) and Ellis (5) forwards; Stone (6), center; Thomas (5) and W. Socolofsky, guards.

Juniors—Davies (3) and Fisher (12) forwards; Basler (4), center; E. Socolofsky and Lyman, guards.

Referee—Mathews.

**BASEBALL**

San Jose, Cal., Mar. 17.—The Oregon Agricultural college baseball club lost the first game of their California tour Tuesday afternoon when they were beaten, 9 to 2, by the University of Santa Clara.

**GOMPERS ENDORSES LEGION**  
 Indianapolis, Mar. 17.—Personal in disavowal of the American Legion by Samuel Gompers, president of the American Federation of Labor is contained in a letter from Mr. Gompers to Frank B. Wilkin, secretary of the union labor council of Needles, Cal., according to an article printed recently in the Needles Nugget, a copy of which has been received here.

During the demobilization period the 25 Red Cross canteens in the Northwest gave 75,000 newspapers to service men.

## CHANDLER SIX

Famous For Its Marvelous Motor

### Chandler Leads Because of Its Real Worth

IT is easy to boast and make claims and to so magnify mere incidents that they may appear as mighty events. It is easy to paint in the colors of exaggeration.

Chandler advertising has never carried boasts or unfounded assertions to the public. It has never extolled some single performance as final evidence of superiority.

The Chandler Six is so distinctly the leader among medium-priced high-grade cars because of its own worthiness, which for sales purposes does not need the support of exaggeration.

Chandler worthiness comes primarily, of course, from its great chassis, light, strong and enduring, featured by the famous Chandler motor developed throughout seven years of constant manufacture with no change of type of design, but with refinements and developments which have kept it long strides ahead of any other six.

This isn't a claim. It's a fact, and over sixty thousand Chandler owners would tell you so if you could ask them.

Six handsome bodies, splendidly built and finished, are mounted on the one standard Chandler chassis.

Other cars of some similarity are listed at hundreds of dollars more

**SIX SPLENDID BODY TYPES**

Seven-Passenger Touring Car, \$1895	Four-Passenger Roadster, \$1895
Four-Passenger Dispatch Car, \$1975	
Seven-Passenger Sedan, \$2895	Four-Passenger Coupe, \$2975
	Limousine \$3395

## The World's Largest Production of Tires on the Smaller Cars Alone

We call attention not so much to the size of this average daily production as to the extent of the effort we put into the making of these 30x3-, 30x3½-, and 31x4-inch sizes.

The separate factory we have devoted to their manufacture is not only the largest of its kind in the world, but it makes fully effective that experience and resourcefulness which have produced the tires most popular on the higher-priced cars.

No tires bearing the Goodyear name contain a higher relative value than these tires for Ford, Chevrolet, Dort, Maxwell and other cars requiring the sizes mentioned.

If you own one of these cars, go to the nearest Goodyear Service Station Dealer for these tires and for Goodyear Heavy Tourist Tubes. He has them.

30x 3½ Goodyear Double-Cure Fabric, All-Weather Tread	\$23.50
30x 3½ Goodyear Single-Cure Fabric, Anti-Skid Tread	\$21.50

Goodyear Heavy Tourist Tubes are thick, strong tubes that reinforce casings properly. Why risk a good casing with a cheap tube? Goodyear Heavy Tourist Tubes cost little more than tubes of less merit. 30 x 3½ size in water-proof bag \$4.50
