Powder Demands Indicate Great Farming Activity

Mr. Hauser went on to say that sy farmers were using Trojan power to double advantage this season, clearing the land, and secondset is clearing the land, and second to blast holes in the planting of orcards. Wherever a farmer has blast-cards where years are conferences of the past week by most that it has become the estantiation by that name, and was organized five years ago. During the past three years it has been inactive but was revived during the past week by soveral conferences of the leaders and it was decided to call a mass meeting at Salem of those interested and the various new tax measures proposed at the special election will be taken up as a matter of course.

Just what will be done cannot be seen to the state organization by that name, and was organized five years ago. During the past three years it has been inactive but was revived during the past week by soveral conferences of the leaders and it was decided to call a mass meeting at Salem of those interested and the various new tax measures proposed at the special election will be taken up as a matter of course. nce to develop.

his from the soil which it occupies. "Biasting is one means of entarging root pasture, and is becoming more widely used every year in tree anting as well as for many other ricultural purposes. Blasting breaks p the hard pan and sub-soil and perits the roots to take their natural downward course into the lower strata of the soil in which plenty of plant sed elements are available. Under with by another; each one rereives the benefit of all the soil alatted to it. Not only is the hard pan esken up to a depth of four or five all directions from the charge, but the whole soll becomes merally more porus so that it will hold and conserve more moisture, and thus the tree is better able to withsand a period of drought than when

the feeding ground of the roots is re stricted. Hauser Bros. are the distributors fo Troinn explosives in the Willamotte valley, having large magazines at Allany, Eugene, Corvallis and Salem with local representatives in the small-

Cured **His Piles**

Yow 88 Years Old But Works At "rade of Blacksmith and Feels Younger Since Piles Are Gone.

The oldest active blacksmith in Michigan is still pounding his anvil in the town of Homer—thanks to my internal method for treating piles.

Mr. Jacob Lyon, Homer, Mich.

Mr. Jacob Lyon, Hemer, Mich.

I wish that you could hear him tell of his many experiences with ollutheries, salves, diators, etc., before he tried my method. Here is a letter just received from him:

Mr. E. R. Page, Marshall, Mich.

Dear Sir: I want you to know what your treatment has done for me. I had suffered with piles for many pears and used suppositories and all kinds of treatments, but never got relief until I tried yours. Am now completely cured. Although I am 13 years old, and the oldest active blacksmith in Michigan. I feel years younger since the piles have left me. I will surely recommend it to all I know who suffer this way. You can use my letter any way you wish and I hope it will lead others to try this wonderful remedy.

Your truly.

will lead others to try this wonderful remedy.

Yours truly.

I L LYON.

There are thousands of afflicted people suffering with piles who have never yet tried the one sensible way of treating them.

Don't be cut. Den't waste money on foolish salves, ointmente, dilators, etc., but send today for a Free Trial of my internal method for the healing of Piles.

No matter whether your case is of long standing or recent develonment—whether it is occasional or permanent—whether it is occasional or permanent—whether the teatment.

No matter where you live—no matter what your are or occupation—if you are troubled with piles, my method will relieve you promptly.

This liberal offer of free treatment is too important for you to neglect a single day. Write now. Send no money. Simply mail the coupon—but do this now—ToDAY.
