

Senate Goes On Record Favoring Cause of Irish

Washington, Mar. 19.—In a new reservation to the peace treaty adopted late Thursday by a vote of 38 to 26, the senate reaffirmed its sympathy for the aspirations of the Irish people and expressed hope that the time was "at hand" when Ireland would have a government of its own choosing.

Many Spaniards Come To America

The applications for visas for passage to America received at the American consulate in Madrid has, since the beginning of the year, exceeded all recent records. Most of the applicants come from the province of Salamanca, some of the smaller villages of which have been practically depopulated owing to the departure of these emigrants. They are chiefly farm laborers, with a fair sprinkling, however, of skilled artisans, bricklayers especially being attracted by the wages in America.

Some of the emigrants take their families with them. The majority, however, either wait until they have prepared a home for them, or gather a little fortune together and return to Spain to live on the income, increased a little by working a small plot of land. Often, however, even these return to the consulate for a second visa to go across and when asked for how long they want it, invariably reply "forever."

Majority Report To Be Basis For Mining Contracts

Washington, Mar. 19.—President Wilson expects the bituminous coal operators and miners to work out their contracts for the new coal year beginning April 1 on the basis of the majority report of the coal strike settlement commission. Attorney General Palmer said today after a conference with Secretary Tumulty at the white house.

Mr. Palmer said the minority report, made by John P. White, the miners representative, would be submitted by the president along with the majority report merely because it would have some bearing on any settlement reached at the proposed conference between the operators and miners. The attorney general said the president in submitting the two reports to the miners and operators would point out the point at issue when they met to arrange the new contracts.

A SIMPLE WAY TO REMOVE DANDRUFF

There is one sure way that has never failed to remove dandruff at once, and that is to dissolve it, then you destroy it entirely. To do this, just get about four ounces of plain, common liquid arvon from any drug store (this is all you will need), apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have. You will find all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better. (Adv)

Bind-Resinol
over that cut and see how it heals.
Little cuts and scratches are aggravating and painful, and they can even become dangerous if infected. Prevent such a condition by cleansing the injured spot well, and then applying RESINOL OINTMENT. Its gentle antiseptic balsam soothes while they heal. A physician's prescription, and recommended widely, — it is no longer an experiment to thousands who have used it successfully for various skin affections. At all druggists.

Court Declines To Accept Checks

The recent epidemic of forgeries in Salem has undoubtedly thrown the fear of pen artists into the heart of Judge (then) Unruh. His honor declines to take checks in payment for fines of bonds.

This morning after Judge Unruh had pronounced a fine of \$50 for Ben Goeldl for having liquor in his possession, Goeldl said:

"Will you take a check?"

"No! The court has been stunk once on checks, and doesn't propose to fall from grace again. I'm responsible for the money to the state, and I can't afford to take any chances."

Widower Congratulated

"Since my wife's death, five years ago, I have suffered greatly from stomach and liver trouble and gas attacks. I lost over 50 lbs. and at times was as yellow as saffron. My doctors could not help me. Six doses of Mayr's Wonderful Remedy have entirely cured me. I have regained my weight and every one is congratulating me how well I look." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. J. C. Perry, D. J. Fry and druggists everywhere. (Adv)
