EVERY battery has to stand more or less pounding every day of its life, for even the best springs in the world can't absorb all the jolts. The effect of big and little bumps will be greatly lessened if you see to it that the battery is clamped tightly in place. Or ask us to see to it next time you come in.

City Beautiful Idea Pushed At Mass Meeting

Impetus to the campaign to make Salem a city beautiful was given at a mass meeting of public spirited citizens in the Commercial club last night. Precise steps were planned to promote the beautification of Salem, even from the pledging of each individual present to do some one thing to make the city more pretty.

New officers were elected to carry on the proposed work. They are: Homer Smith, president; Carrie H. Chappel, vice-president; Elizabeth

Lord, secretary, and Howard... treasurer.

The collection of pretty views of the town views were shown to the appreciative audience by A. L. Barber, and insane commissioner.

The United States in Prophecy

The Rise, Progress, and Destiny of our Nation revealed in the Bible

As God has dealt with the Great World Empires—Babylon, Medo-Persia, Grecia and Rome, making them subjects of Bible Prophecy, so also has He dealt with our own Country. Its beginning and the time of it, and the peculiar manner in which this nation began its career, and the two Great Fundamental Principles—Civil and Religious Liberty—which have been its very Life and Greatness, together with its Future Destiny, are clearly set forth in one of the Bible's wonderful prophecies.
