What men who do big work say about overalls—

FRED McCULLOCH is one of the biggest corn growers in his state—Edward Gibson is the champion riveter of the U.S. Shipyards—James Heberer runs the Twentieth Century Limited—these men know their jobs from top to bottom.

And they know what to wear on the job. They know how much good, strong, comfortable overalls mean when you do big work.

That's why all three wear Blue Buckles. That's why more men wear Blue Buckles than any other overall in the world.

Tough, longest-wearing denim, sewed with wide, double-stitched seams, goes into every pair. Blue Buckles are big and roomy. They never rip or bind. First-class workmanship makes every detail about Blue Buckles right. They have heavy riveted brass buttons, best quality buckles and loops, a solid back-band, big, convenient, reinforced pockets, and extra wide suspenders. All Blue Buckle coats have free swing, raglan sleeves.

Ask your dealer for Blue Buckles.

To Dealers:—If you want to know where to get Blue Buckles, write to **Blue Buckle Overalls, Lynchburg, Va.**, and we will give you the name of your nearest jobber.
