

Women Will Not Outnumber Men Under Suffrage

Washington, April 2.—Ballots cast by women in the coming presidential election will fall short of the potential vote by over 2,000,000, provided the suffrage amendment is ratified and state registration laws enacted in time to permit women all over the country to participate, according to estimates by the National Woman's party.

With the 1919 census as a basis, the Woman's party estimates the number of men eligible to vote at 28,577,690, and the possible woman voters at 26,885,666. In 1916, however, the actual vote cast for all various presidential candidates was 18,528,743, omitting ballots thrown out for cause which leaves over 11,000,000 possible votes unregistered. If as large a proportion of the men voters remain indifferent in the coming election, women political leaders here say that the eagerness of women to exercise their newly acquired privilege may more than offset the disparity in numbers between the sexes.

In five of the states, moreover, women of voting age outnumber the men: Massachusetts has the greatest preponderance of women "voters" with 58,264 more women than men; North Carolina is next with a women's majority of 15,288 and South Carolina with 10,307. In Rhode Island women of voting age outnumber the men by 3,196 and in Maryland by 1292.

Caldwell, Kans., April 1.—An eighty foot fall from a smokestack of the local electric light plant by Jim Williams of Wichita, stack builder and steelyard, merely delayed operations five minutes and he was back on the job. Co-operation Of Booster Leagues To Be Discussed

Whether the North Salem Improvement league can feasibly function in cooperation with the South Salem and East Salem Improvement leagues and work for the interests of the entire city will be determined at a meeting of the organization in the Highland school, Highland avenue and Current street, at 8 o'clock tonight. Reports from the committees investigating paving, sidewalks and floral exchange, will also be heard at this meeting.

The North Salem Improvement league, in its placard of events for the evening, "spring a surprise" with the announcement that Verden M. Moffitt, Salem's traffic officer, will render two solos. Salem didn't know before that it employed a "singing cop," and this feature of the program alone is expected to attract the entire membership of the organization. Dan Laugensen will also sing. Miss Nell Sykes is slated for a narration of her experiences during the war in Siberia.

The proposed amendments to the city charter, as drawn and endorsed by the Salem Commercial club directorate will be given generous discussion during the meeting.

Mortgage Notes Not All Exempt From Taxation

The state law enacted by the legislature of 1919 exempting mortgage notes from taxation does not effect mortgage notes regularly assessed on March 1, 1919, according to Attorney General Brown, who in an opinion prepared for A. Fairchild, district attorney for Walla Walla county, declares that the notes "are not exempt from taxation and, therefore, should not be stricken from the tax roll made up of the assessment for the year 1919."

"At all events," the opinion reads, "they should not be deemed exempt from taxation by the collecting officers unless of competent jurisdiction so adjudicates."

"Of course," the attorney general concludes, "for this year, such notes shall be exempt from assessment and taxation in accordance with the amended exempting law relating to property exempt from taxation."

All measures submitted to the people at the special election May 21 must be submitted on a separate ballot than that which contains the names of candidates for office, according to an opinion prepared today by Attorney General Brown.

Pastor Assails Women's Styles

London, April 2.—Prevailing fashions in women's gowns were vigorously assailed in a sermon recently by Rev. Bernard Vaughan, the widely known Jesuit father, whose essays and sermons on morality and home life have for the past twenty years attracted great attention throughout the world.

"In days gone by ladies dressed for dinner, now they undress for it," he declared. "Women's clothing ought to serve the three purposes of decency, of warmth and of ornament. Girls who follow the up to date fashions are ruining their own and their neighbors' souls as well as their own bodies. Designers of fashions seem to be devoid as much of taste as of principle."

These Are Salem Cases:

<p>Lee Street</p> <p>J. H. Denton, 1405 Lee street, says: "Doan's Kidney Pills have done me a lot of good in the past and I willingly endorse and recommend them. On several occasions, cold settled in my back, through my kidneys, causing a cringing pain through the lower portion of my back and down into the joints. I knew from these disorders that my kidneys were to blame. Knowing how highly some of our Salem citizens endorsed Doan's Kidney Pills, I started using them and found them just the thing to rid me of the pains and disorders. A few doses always relieve me of rheumatic pains, so I cannot help but speak highly of them."</p>	<p>South Thirteenth Street</p> <p>Mrs. L. M. Drueger, 223 South Thirteenth street, says: "I can conscientiously say Doan's Kidney Pills are a reliable medicine for kidney disorders. I have taken them at different times when I have had a dull, tired feeling across my kidneys and when my kidneys haven't been acting regularly. Doan's have never failed to give me quick relief. It is only once in a great while now that I have to use a kidney medicine."</p>	<p>North High Street</p> <p>A. J. Wood, 322 N. High St., says: "Kidney and bladder trouble got to a point with me about where I was obliged to take some steps in checking it or suffer more serious results. The worst time I had was just after getting up in the morning and the kidney secretions were always very annoying. I began using Doan's Kidney Pills, getting them from Dr. Stone's Drug Store. My kidneys were restored to a normal condition and I was freed from every symptom of the trouble."</p> <p>Over ten years later, Mr. Wood added: "I have had but very little trouble from my kidneys or backache since I got hold of Doan's Kidney Pills. I don't know of anything equal to them."</p>
<p>East Mission Street</p> <p>James Batchelor, E. Mission Street, says: "Doan's Kidney Pills are in my estimation a very reliable kidney medicine, and I am glad to recommend them to my friends. I took Doan's several years ago for lameness across my kidneys, and at that time my kidneys were more or less irregular in action. Doan's Kidney Pills soon overcame that trouble and since then, I haven't been bothered by my kidneys."</p>
