

18 Planes Given to California For Fire Patrol

San Francisco, April 5.—Ten new squadrons of 18 airplanes, two of them to be used for fire patrol, will be turned over to the California fire patrol by the army of the United States forestry service and will begin fire patrol duty on May 1, the service announced here today.

The new planes will direct forest fire fighting from the air, connecting with portable land sets, while all of the other planes will be equipped with wireless telegraph sets which will contact with land stations at certain specified points.

A flying school for forest rangers is being conducted at March Field, Riverside, the principal studies being airplane mechanics and wireless telegraphy.

Red Huff, Major Field, Fresno and March Field will be a station for four airplanes. The two most machines will have no designated crew. Landing planes will be established at Rockwell Field, San Diego, Montague, Modoc county; Lakeport, Lake county; Altama, Modoc county; Sonora, Tuolumne county; Bakerfield, Santa Barbara.

A daily wireless telegram report will be compiled from all of the airplanes and submitted to Colonel H. H. Arnold, chief of the army air service in the western department, with headquarters here. Two airplanes will be sent up daily from each base.

The directing of fire fighting by wire has been done during the fire in the Angeles national forest but without success, the service announced. The elements which caused this failure have been overcome, however, it was announced.

Rosedale.

Rosedale, April 5.—The inhabitants of Rosedale were awakened Friday night and rushed to the scene of conflagration, but it was too late to save A. N. Hinman's home. The household furniture was partially all removed, even to the kitchen on the floor. The fire is thought to have started from an incense burner which stood in the wood shed adjoining the house. Young people who were just coming home from a party would have been doubtless able to have saved the house had there been any water available. The damage is estimated at \$1000 and is only partially covered by insurance.

Friends of Floyd Bates will be pleased to learn of his return from France, where he has been engaged in the private reconstruction work.

Mrs. C. A. Hadley was the hostess for a party given in honor of Mrs. Ella McMillan. She was assisted by Mrs. Margaret Culler. A dinner table was set in the dining room, lighted by pink and white candles, on which was placed delicious refreshments. The ladies of the neighborhood were guests.

Helen Casmark is home for the week end. She attends Pacific college at Newberg.

J. M. Gardner's home was the scene of a merry party given Friday April 3. The young people class of the Friends Sunday school were the guests. The evening was spent in games, music and chatter. At a late hour the social committee served delicious ice cream and cake.

The Sunday school of Rosedale gave an Easter program Sunday morning during Sunday school time. The parent-teacher meeting was delighted with Laura Casmark acting the part of the Irish woman in the play "Taking the Census." Her Irish brogue was well given. Max Penherton as the "Tricky Rabbit" in a little farce called by that name, was also clever.

Incorporations.

The Kew Lumber company of Klamath, capitalized at \$25,000 filed articles of incorporation with the corporation department here Saturday. The incorporators are George H. Merryman, A. E. Whitman and H. C. Merryman.

Certificates were filed by the Warren Co-operative Warehouse association of Warren, Columbia county, showing an increase in capital from \$1000 to \$10,000 and by the Northwest Ply company of Portland, showing an increase from \$1000 to \$25,000.

The Foster Moore company of Portland, filed resolutions of dissolution.

Six boys from 11 to 14 years have been arrested at The Delta on the charge of breaking into and robbing the grocery store.

Public Forum

Editor Capital Journal—My attention has been called to your editorial of recent date, entitled "The Peace Crisis," and I have been requested by the school board of district 24 to write you in appreciation thereof.

If every thoughtful citizen would read your editorial and consider the plain and logical statement of the situation, as therein set forth, there would be no doubt as to the wisdom as far as the school measures are concerned. The situation is truly a school crisis.

The only thing we fear is that the editors will not go to the trouble to re-read their own editorial with the facts and facts as set forth, without stopping to consider the real effect of such a blow at education, and your editorial will certainly have its effect upon calling the attention of the school board to a situation which demands their consideration and demands relief.

Pennsylvania And Yale Crews In Meet

Philadelphia, Apr. 5.—Yale and Pennsylvania rowing crews will meet on the Schuylkill river late this afternoon in their annual eight-oared shell races. The course is a mile and five-hundredths.

The Pennsylvania varsity crew weighs about four pounds to the man more than Yale, but the Yale men are said to have had more experience. A close contest is expected.

Slave to Tobacco? Let Nicotol Set You Free

Are you a slave to tobacco, so addicted to its use that you must have your daily supply or feel nervous and irritable and unhappy? If you have reached this point your use of tobacco is excessive and this is always injurious to health and nerve, brain and body. Quit before it is too late—regain your freedom before hope is lost. Nicotol will kill the craving for tobacco, ease up your nerves and make the tobacco habit quit you. You can cut down your supply of tobacco or quit entirely without loss of time or inconvenience or suffering or traveling in any way. Get a box of Nicotol tablets of your druggist and after a few days you will note the wonderful improvement in your physical and mental condition. Nicotol is sold under an iron clad guarantee to refund the purchase price if it fails.

Note: Ask your druggist about Nicotol. He knows what it has done for others and you can trust him to tell you what it will do for you. D. J. Fry.

National Retail Dry Goods Men Meet in 'Frisco

The board of directors of the National Retail Dry Goods association at its meeting Friday March 26th endorsed the holding of the annual spring meeting in San Francisco. This will be the first meeting of the national association ever held west of St. Louis and it is expected to draw a large attendance of merchants from all over the country, and especially from the west.

The convention will be held late in May or early in June and the dates will be arranged so that the party of distinguished British merchants, who are to tour the country under the direction of the National Retail Dry Goods association, will be in San Francisco to take part in the program.

The merchants of the Pacific coast who have been numbered among the strongest supporters of the national association have long been denied the holding of a meeting on the coast, but until this year the board of directors has not deemed it advisable to take the spring convention so far from the association's headquarters in New York.

The British merchants who are coming to the United States as the result of the national retail dry goods association's invitation, extended to the "droppers" chamber of trade of the United Kingdom, will sail from England April 18th and will reach New York early in May. There will be twenty merchants in the party. Joseph R. Quibler, M. E. H. P. C. I. S.

FOR INDIGESTION
6 BELL-ANS Hot Water Sure Relief FOR INDIGESTION

It's Your Eyes!

Hundreds of men and women suffer untold hardships and pain without knowing the cause. Of no comfort to themselves or others, enjoying nothing, they are in constant distress. They resort to medicine without relief.

Headaches, stomach ailments, indigestion, brain lag, and other disorders are often directly traceable to improper vision. If your eyes are at fault, and this cause is not removed, you cannot be cured permanently.

If you suffer without apparent reason, if your nerves are unstrung, look to your eyes! Correcting them may tone up your health, giving you new life and vigor.

My third of a century practical experience (nearly 10 years in Salem) in eye examinations and correct fitting of glasses assures you an unexcelled quality of service. I guarantee satisfaction in every respect.

I use no drugs, as drugs are dangerous. I exchange your glasses, when necessary, for one year free of charge.

Peace Terms Are Only Temporary Says Hungarian

Budapest, Apr. 5.—Count Albert Apponyi, returning from Paris today for a conference with Admiral Horthy, Hungarian regent and party leaders, declared that peace treaties between allied powers and the central empires were only temporary in nature.

"My impression is," he said, "that no allied statesman sincerely believe the present peace treaties can hold for long. I have not lost hope, and believe the position of Hungary to be better than it was a month ago."

REMARKABLE RECOVERY

Extraordinary Curative Power of Lydia E. Pinkham's Vegetable Compound.

Philadelphia, Pa.—"I want to let you know what good Lydia E. Pinkham's Vegetable Compound has done me. I had again troubles and am going through the Change of Life. I was taken with a pain in my side and a bad headache. I could not sit down, could not eat or sleep. I suffered something terrible and the doctor's medicine did me no good at all—my pains got worse instead of better. I began taking the Vegetable Compound and felt a change from the first. Now I feel fine and advise any one going through the Change of Life to try it, for it cured me after I had given up all hopes of getting better. You can publish this and I will tell any one who writes to me the good it has done me."—Mrs. MARGARET DANE, 1225 N. Alder St. Phila., Pa.

It hardly seems possible that there is a woman in this country who will continue to suffer without giving Lydia E. Pinkham's Vegetable Compound a trial after all the evidence that is continually being published, proving beyond contradiction that this grand old medicine has relieved more suffering among women than any other medicine in the world.

A TRIAL WILL CONVINCE YOU.

NOTHING that we could say would so thoroughly convince you of the value of Chamberlain's Tablets as a personal trial. We can tell you of thousands who have been permanently cured of chronic constipation, indigestion, biliousness, sick headache and disorders of the stomach and liver, but this will have little weight with you as compared to a personal trial. That always convinces.
