

Petitions Flood State Secretary During Last Days

A veritable flood of nomination petitions—principally from candidates of republican inclinations—is being received at the secretary of state's office these days with the near approach of the time limit on filings for a place on the primary ballots. Eleven petitions were filed here Tuesday of which nine were from aspirants of republican persuasion and two from democrats who would serve the people in various capacities.

Walter B. Gleason of Portland, is a candidate for delegate to the democratic national convention from the third congressional district. In his nominating petition filed with the secretary of state Tuesday he declares that "My country—the United States—is mine; my services hers to command." While he asserts the belief that this country has the best government on earth he adds that "it seems to me to be gradually becoming too paternalistic in our form of government, that we have too many bureaus, commissions, boards and officials whose main duties seem to be to unduly concern themselves with the life, liberty and pursuit of happiness of the individual citizen."

Mrs. E. O. Northrup, also of Portland, would attend the republican national convention as a delegate from the state at large. Mrs. Northrup declares that the "time has come when the governing power of our state and nation should have the assistance of women." She also declares in favor of "immediate peace with Germany and a league of nations compact with such reservations as will preserve to our country full sovereignty."

Other candidates filing Tuesday were: Fred Dale Webber, Portland, republican, candidate for state representative from the eighteenth representative district.

Frank C. McCulloch, Baker, democrat, candidate for state representative from the twenty-third representative district.

F. S. Bramwell, Grants Pass, republican, candidate for state senator from the seventh senatorial district.

S. D. Petersob, Milton, republican, candidate for district attorney for Umatilla county.

Oren R. Richards, Portland, republican, candidate for state representative from eighteenth representative district.

William T. Hume, Portland, republican, candidate for state senator from the thirteenth senatorial district.

Herbert Gordon, Portland, republican, candidate for state representative from eighteenth representative district.

Henry Zorn, Donald, republican, candidate for state representative from the first representative district.

F. D. Shank, Damascus, republican, candidate for state representative from the sixteenth representative district.

TRY THIS IF YOU HAVE DANDRUFF

There is one sure way that never fails to remove dandruff completely and that is to dissolve it. This destroys it entirely. To do this, just get about four ounces of plain, ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find, too, that all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

You can get liquid arvon at any drug store. It is inexpensive, and four ounces is all you will need. This simple remedy has never been known to fail. (Adv)

"Grippe" Leaves Kidneys Weak

The epidemic of colds and grippe that has been sweeping the country has seemingly left even a greater number of people than ever in a weakened condition from which there is but a slow recovery. Much of this after weakness affects to kidneys and bladder, making it difficult for them to perform their natural functions. Sufferers have to get in and out of bed half a dozen times a night, their backs are weak and painful, sick headaches and dizziness are common symptoms. No serious trouble may exist but the time to check such symptoms is at once before matters grow worse. No complicated treatment may be needed if a few doses of a good safe kidney regulator like Solvax is taken right away.

Solvax straightens out an ordinary case of weakened kidneys in about twenty-four hours in many instances, sifts out and neutralizes poisonous uric acid and drives the clogged up poisonous kidney waste from the body so that you can begin to feel better right away. Solvax is harmless, contains no alcohol or habit drugs and Daniel J. Fry and other leading druggists agree to refund its full purchase price if in any case it fails to give entire satisfaction. Adv

Marion, Multnomah Or Klamath County?

Which County Will Win In April?

April is "Managers Month" in Oregon, and every agent is trying for a record this month. Our goal for this month is

ONE MILLION DOLLARS

I am the recognized leader for my company in the state of Oregon and have been challenged for the month of April, 1920. In order to retain the leadership, I figure that I must produce this month, at least—

One Hundred Thousand

In applications. Now this only requires

TEN \$10,000 POLICIES

Or twenty \$5000 policies. I will gladly write anything from \$1000 up. Recent statistics show that The Mutual Life of N. Y., has paid over \$50,000,000 more in DIVIDENDS than has been paid by our nearest competitor since organization. This should prove to you that I can offer you a CONTRACT that is as good as the best. It is worthy of investigation.

A \$10,000 Policy Pays About \$24,000 for Accidental Death

It also pays \$1000 a year and cancels the premium and pays the face of the policy at death in case of disability. Let me figure with you this month. I would like to retain the lead for Marion county.
