Speakers Named For Interchurch Convention Here

Berton F. Bronson, executive secretary of the interchurch movement for Oregon, has addressed the following announcement to the public and to those Salem churches who have pledged their support to the interchurch program.

Teams of speakers have been definitely selected for the interchurch world movement county conference which opens at the First Congregational church in the city of Salem on April 16. The first meeting starts at 9:20 o'clock, and all sessions are open to persons interested in church activities. Members of the team are as follows: Dr. A. J. Sullens, Portland; Prof. E. W. Riler, McMinnville; Rev. E. W. Warrington, Roseburg; O. W. Davidson, Portland; Mrs. O. C. Wright, Portland. Prominent among those persons who will have charge of the program are Dr. Sullens and Mrs. O. C. Wright. Dr. Sullens is district superintendent of the Congregational extension society of Oregon and southern Idaho. Mrs. Wright is the joint secretary director of the Women's American Baptist Home and foreign mission society for the state of Oregon. For three years Mrs. Wright has been secretary of the Baptist women's city missionary union of Portland, recently being one of the cabinet of three women who so successfully helped to put on the training conference for women held by the interchurch world movement.

The county conference has three main objectives: To present the surveys which reveal the needs of the world in life and money; presentation of the evangelistic and financial campaigns, and the rally of denominational and community forces for the complete organization of the county.

"The county interchurch conference will be held at Salem on April 15. It is really a community affair," states Rev. R. L. Putnam, the county convener who is in charge of the meeting for this county. "It is going to be simply a get together meeting of the protestant churches, at which they will talk over their common problems and common aims. They will also examine the question of making the church, as a whole, a more vital medium in the various communities in this county."

Twelve exhibits, in addition to the stereopticon apparatus, will be carried by the team for display at the conference and as an aid to bringing out the results of the surveys and the problems before the people of the county. A special man will accompany the teams to care for the lantern and stereopticon equipment. The program of the conference is to begin with a statement of the interchurch world movement and world conditions today, and will include the following: Presentation of the units financial campaign; denominational rallies and meetings of special groups of state financial campaign directors; presentation of the foreign survey and world outlook and everyday; a composite departmental address; an explanation of the home surveys and the county surveys; an address on the progress of evangelism; an explanation of the county organization by the convener for the county; a woman's address on cooperation and an

Girls! Buttermilk Creates Beauty Overnight

The first application of Howard's Buttermilk Cream will astonish you. It creates beauty almost like magic, but the most wonderful thing about it is the fact that whilst it turns the dull and most lifeless complexion to radiant beauty and makes red or rough arms snowy white, yet there is not the slightest sign of its use after application. It actually vanishes from sight and the most heated atmosphere will not produce the least shininess or greasiness of the skin. It is absolutely harmless and will neither produce or stimulate the growth of hair. Within twenty-four hours this wonderful combination, called Howard's Buttermilk Cream will work a marvelous transformation. Manufactured at Buffalo, N. Y., by Howard Bros. Chemical Co. (Adv.)

address on laymen's activities. It is planned that during the afternoon there will be a special meeting for young people and meetings for local church financial organizations. In the evening there will be a composite survey lantern slide address by the team leader.

Hazel Green Boys And Girls Conduct Easter Program

Hazel Green, April 5.—An Easter egg hunt and a well appointed dinner were features of the holiday festivities enjoyed Easter Sunday by the juniors and intermediates of the Hazel Green Sunday School, at the home of Mr. and Mrs. E. A. Dunnigan, and their leader, W. A. Dunnigan. The affair, which was one of the most pleasant of its kind ever given in this vicinity, was well attended by members of the two classes.

David McAlpine of Washington state recently visited his nephew, Ralph Gilbert.

Miss Louise Davis and Mr. George Dunnigan spent last Sunday with the former's grandmother, Mrs. E. Kirkpatrick, at Dallas.

the Liberty theater, is a small one in numbers but large in ability, popularity and reputation.

Louise Glaum is the young actress who started her picture career as an ingenue, and was suddenly developed by Thomas H. Ince into a vivid vamp and portrayer. She was the actress with brains as well as personal charm and allure. In "Sahara," the marvelous Hodkinson picture which Allan Dwan has supervised for presentation by J. Parker Read Jr., Miss Glaum is not a temptress, but that weak-willed,

luxury loving, adulation seeking butterfly type of woman, whose self-interest is as insidious as the devil himself.

Foremost in support of Miss Glaum is Matt Moore, one of those good old Irish Moores of whom the screen has seen four—Matt, Tom, Owen and Joe. The public has accused Matt Moore of being the husband of Mary Pickford, Alice Joyce and Grace Cunard, but, as a matter of fact, Matt is the only bachelor in the family. He is Miss Glaum's screen husband in "Sahara."

Farms Sell Rapidly, Salem Firm Reports

"We find quite a demand for farm tracts of from 40 to 80 acres indicating a specialized and sturdy demand for farm property in the Willamette Valley," states S. R. Pearson of the firm of Pearson and Peed, local real estate.

Last week a deal consummated in the firm's offices in the Oregon block, transferred to T. A. Rhinehart, 150 acres on the Battle Creek road. The tract which is located near Salem, sold for \$13,500 according to Mr. Pearson.

In another acquisition made recently Mr. Rhinehart buys the Richter farm

Worn Out In Mind and Body

Your child is quick to observe disturbances in your mental attitude or physical condition. And when he asks: "What's the matter, Daddy?" there's a tone of solemn anxiety in his little voice. The depression stamped upon you reflects intensely upon him because of his profound solicitude. He at once drops his playthings and rushes to your side, but his happy smile has disappeared and his buoyant spirits are gone—replaced by a countenance of worry and a bearing of hopelessness.

You owe it to the happiness and welfare of your family to keep trim in body and keen in intellect. You are the sun and the inspiration of their lives. Dark, threatening clouds loom over their heads the instant you show signs of being "out of sorts" or "under the weather." Don't imperil their future by neglecting your health.

Bondsmen Seek Return Of Bond In Assault Case

Albany, April 8.—Arrangements are being made by Leon Boggs and E. M. Hyde of Harrisburg, who signed a \$2000 bond for the release from jail of George A. Barley of Harrisburg to secure their freedom from the bond and surrender Barley to the sheriff. They were in Albany today to inaugurate steps for that purpose.

After his release Barley returned to Harrisburg and people of that city joined in an indignation meeting Saturday night. Because of the storm, public sentiment in Harrisburg, the bondsmen have reconsidered their action.

Barley was bound over to the grand jury on statutory charges involving several young girls.

"Like a Mighty Army Moves The Church of God"

Thirty divisions of that army—thirty denominations—are moving forward in a nationwide cooperative campaign.

THE army that stands still is really retreating. The Master's command was a forward command, "Go ye into all the World."

Out of the war the churches emerged with a new sense of the urgency of that command.

"We must move forward all along the line," they said, and each denomination planned its own "Forward Movement" to deepen the spiritual life of its members and equip itself with money and power.

Then came the greater thought, "It is not enough for us to go forward. We must be sure that there is no duplication of effort; that cooperation prevails; that every man and dollar does its utmost in service.

"We must go forward together."

So the Interchurch World Movement was formed—a clearing house through which thirty denominations without sacrificing their identity in any way—can cooperate in the service of Jesus Christ.

FOR MORE than a year trained experts have been at work making a scientific survey of the whole world, and of America county by county.

The churches, for the first time in their history, have the full facts.

They know where America is overchurched and where underchurched.

They know exactly how they can cooperate in the foreign mission fields to produce the largest results in international education, international health and international good-will.

No business man can study that survey without being impressed by the accuracy and courage with which the task has been approached.

ON THE basis of the survey, the cooperating denominations will unite in a simultaneous financial campaign in the week of April 25th.

The amounts asked for are large in the aggregate; they are small when divided among the church members of the nation—smaller still when you count the whole number of men and women who love America.

The average contribution to the church today is less than three cents per member per day. Think of it. Yet if each person who loves and believes in America will increase his contribution by only a few dollars, the whole amount will be easily subscribed.

Will you do your share for a better America and a better world? Your chance to help is coming in the week of April 25th.
