Polk Tax Payer Petition Court To Hasten Work

Dallas, Or., April 9.—A delegation of prominent Dallas citizens and farmers of this community called on Judge Asa B. Robinson of the Polk county court Thursday afternoon and petitioned the judge to do all in his power to secure money due the county for the establishment of market roads. The roads leading into Dallas are some of the worst in the county and the business men assert that something is not done towards fixing them up farmers will be unable to reach the city next winter to trade. The delegation was assured that everything possible would be done to secure money for market road construction.

A delegation of farmers from the McCoy district also waited upon the county court at their regular monthly session yesterday and asked for the construction of a road over the Bethel hills to Salem.

Roads in various parts of the county have been cut up this year owing to the big freeze in December and unless radical means are taken towards fixing them up this summer it will be impossible to operate cars on a majority of them during the coming winter months.

Silverton Sees Little Prospect Of Armory Soon

Silverton, Or., April 9.—Silverton is not likely to have an armory built this year after all the preparations, and the only obstacle now standing in the way is the 6 per cent tax limit law. Silverton's appropriation is ready, but the state and county money can not be had, according to information received from headquarters this week.

This matter has been delayed too long. It required two elections in the first place to get Silverton on the right track and the next difficulty was in finding a suitable location. This being accomplished the building program was held up pending the receipt of an abstract. Now comes the tax limit measure, and there is no telling what next or how long the matter will be delayed.

Mrs. J. W. Johnson and daughter, of Jamestown, N. D., who have been spending the winter with the former's daughter, Mrs. Dr. Wrightman, left yesterday for their eastern home. Mrs. Johnson's health has been very poorly here during the winter.

Mayor Adams has officially named Tuesday, May 4, as cleanup day in Silverton and the Women's Social Science Club and the Community Club will assist in the matter of making a more sanitary city of Silverton.

A new electric lighting system was installed this week at the Ed Charlesworth farm in the Waldo Hills. Mr. Charlesworth says if he can induce his hens to lay two eggs a day by placing lights in the hen house it will be a good investment if the price of eggs continues the same.

Snow has disappeared in the Silverton logging camps, and a crew of men went there yesterday to resume work. The camps have been shut down two or three times during the winter on account of snow.

A movement is on foot at present to build a modern hotel in this city. A Mr. Peterson of Portland, has been here looking into the proposition, and it is said that a stock company will be organized and a new building erected during the summer.

Kiepenstein Brothers have closed a deal for the R. Amen ranch southwest of here. This is a valuable property and is said to contain the best peach orchard in this part of the county.

J. L. Edison received a shipment of China pheasants yesterday from the state game farm at Corvallis.

Trial Of Taylor Opens At Eugene

Eugene, Or., Apr. 8.—Opening statements were to be made today when court resumed at the second trial of Martin A. Clark, charged with the murder of Charles L. Taylor, near the summit of the Cascade mountains, late July. Selection of the jury which will listen to the evidence was completed late yesterday. Judge Skelworth adjourned court until this morning.

Piasicki To Run For Office Again

Dallas, Or., April 9.—District Attorney E. K. Piasicki this week filed with County Clerk Moore his declaration to run for office again. Mr. Piasicki has held the office for the past term. He is a democrat and has for his platform—vigorous prosecution of law breakers, no favoritism. Polk county's interests carefully guarded. Mr. Piasicki's opponent on the republican ticket in the general election will probably be J. N. Heferson of this city who filed his declaration for office last week.

Mint Industry Given Impetus At Independence

Independence, Or., Apr. 8.—One industry in this vicinity that gives promise of development and material worth to the entire state is the mint farm and distillery owned and operated here by Messrs. Wilson and Davies.

On the Marion county side of the Willamette river, not far from Independence, is a thirty-acre mint farm and the distillery is located on C street. Mr. Davies stated yesterday that the crop gives promise of success and he is convinced that it can be profitably produced in this country. They are at present making plans to enlarge the plant and increase the production as much as possible.

It is comparatively a new enterprise in Oregon, but the owners have every reason to believe that it can be developed and that in time mint will be produced on many farms in this vicinity. The soil in the bottom lands, it is claimed, is adapted to the production of mint, which yields more to the acre, than perhaps any crop ever undertaken.

defendants were charged with having dumped sawdust in a small stream a tributary to the Luckiamute river failed to agree when the case was tried before Justice of the Peace John H. Bibles Thursday afternoon. The jury was out about two hours and after failing to reach an agreement was discharged by Judge Bibles.

Woodburn Lines Up to Organize Community Club

Woodburn, Or., April 9.—A meeting was held at the armory last evening for the purpose of organizing a club that will do something for Woodburn and the tributary country. Woodburn has been slow to organize a commercial body, but it has started in the right direction and the dormant spirit existing in this city for some time will be replaced by energy. T. E. McCrosskey of Salem, head of the county community club, was present and gave a talk along the line of development.

Mrs. Franklin West was a guest at a dinner party one evening this week given by the teachers and pupils of the grade schools. Mrs. West has resigned as principal of the Woodburn schools and will leave next week for her home in Centralia, Washington.

At a meeting of the council held Tuesday evening more street improvement was started, and it is believed that great achievements will be accomplished in this respect during the next few months.

E. H. Smith of Salem has established an office in Woodburn and will handle Samson tractors. The Woodburn Grange will meet in Grange hall April 16. Hon. C. E. Spence, master of the state grange, will deliver an address. There will be an open session in the afternoon.

A gasoline pump in front of the Berkeley garage was damaged considerably yesterday when H. Otjen backed

his car against it.

Mrs. Sarah West moved to Canby where her son has embarked in the automobile business.

J. C. Rice and family arrived from Nebraska yesterday after an extended visit.

Fairfield Folks Observe Easter With A Program

Fairfield, April 9.—An enjoyable Easter program was given at the local church last Sunday, followed by a basket dinner. A representative number of the congregation was in attendance, both at the morning festivities and at the splendid sermon, preached by Reverend Anchor, in the afternoon.

Mr. and Mrs. A. Collins attended the Rebekah grand assembly at Woodburn Tuesday evening.

Mr. and Mrs. Ralph DuRette were Salem visitors Wednesday.

Mrs. Geo. Sigfritz and daughter, who have been visiting here and in Portland the past three months, returned to their home in eastern Oregon Thursday.

Mrs. Jess Moore, who has been quite ill, was taken to the hospital Saturday, returned home Tuesday, is improving.

Percy Dittmar of Union Vale and Arthur Brook of St. Johns spent Easter at Tom Dittmar's.

Freeman and Miss Nellie Martbar visited the capital Tuesday.

Wedding Bells Ring For Motor Driver

Undoubtedly, many Salem residents have taken note of the trembling siren on the big passenger bus of the Hotel Marion. Perhaps the warning device will render a version of Mendensohn's famous wedding oases, Monday morning. When E. T. Pickett, who pilots the bus, returns to the job at that time "them" will probably no his sentiments.

For the good natured reception committee of the Marion, decided recent-

ly that single blessedness was no longer a joy forever, and Thursday was married to Miss Lela Marie Baum, the event being a surprise to the many friends of the couple.

After the wedding ceremony, which was performed by the Rev. Powell of St. Paul's church, the couple were the guests of honor at the E. J. Swafford residence, where a jolly wedding dinner was served.

Mr. and Mrs. Pickett left Friday for Portland by motor, they plan to take a two day's drive over the Columbia highway to The Dalles, returning to Salem, Sunday night, making their future residence here.

Ten million dollars in gold bullion arrived in New York last night from Liverpool on the Cunard liner Carmania.

In 2000 Counties This Month
The Forces of the Church
of Christ Will Gather To
Face the Facts.

IN 2000 counties in the United States the pastors and laymen of 30 great denominations will meet in conference this month.

It is the kind of conference that generals hold before a critical engagement; that business men hold before entering a new market. A conference of judgment, not emotion; a clear-eyed facing of the facts.

A Survey that Business Men Must Admire

For more than a year hundreds of workers have been quietly engaged in making a scientific survey of the mission fields, and of America county by county.

The facts developed are startling. No such picture of America's religious situation has ever before been drawn.

On the basis of these surveys thirty Protestant denominations are uniting in a

Nation Wide Cooperative Campaign

Each of the thirty denominations has its own "Forward Movement" organized and officered. The Interchurch World Movement is the clearing house for all of these.

It is the agency which the churches have created to avoid duplication, to foster cooperation and make sure that every man and dollar render the utmost service possible.

The month of April will be devoted to making the facts of the survey known to America; in the week of April 25th-May 2nd, will come a united simultaneous financial campaign.

Whether You Are Inside the Church or Out

To every man and every woman who loves his country, these 2000 county conferences are vitally important.

For the facts developed by this great survey show vividly what forces are at work in America—and what kind of a country this country is to be.

See that the pastor of your church appoints delegates. Any pastor can tell you the conference place and date. Or write direct to the
