

### Famine Will End Strike Declares Union President

Chicago, Apr. 2.—Famine will end the rail strike if the men "refuse to listen to reason," S. E. Heberling, international president of the Switchmen's union of North America, declared today just before going into a mass meeting to address 2,000 striking members of his organization.

"It would be possible under the terms of the transportation act to arrest those responsible for the strike for conspiracy, but I do not think such drastic measures will be necessary," he continued. "The men will be in the bread line in two weeks unless they go back to work."

"If the strike continues much longer the public will demand government action and prosecution of the parties guilty of having caused all this suffering. The best thing the trainmen can do is return to work today."

### Incorporations.

Articles of association were filed with the state corporation department here Thursday by the Portland Caterer's association. Officers of the association are Joel H. Coe, president; F. M. Crissell, first vice president; I. L. Bean, second vice president; Frank W. Beach, secretary-treasurer.

Corporations filing articles Thursday were:

Hoover and Peterson, Inc., Portland; \$20,000; E. H. Peterson, A. A. Hoover, and Dora E. Hoover.

Risley, Starkweather & Black Realty company, Portland; \$12,500; John F. Risley, H. G. Starkweather and Ada R. Starkweather.

Veribest Laundry company, Portland; \$10,000; A. C. Preble, N. M. Todd, E. P. Currey, J. L. Lossy and Samuel Lee.

Oregon Foundry Co., Portland; \$15,000; H. E. Harris, Milton B. Henderson and H. T. Graves.

The capital stock of the Globe Theater Co., Inc., Albany, has been increased from \$15,000 to \$20,000, according to a certificate filed here.

Resolutions of dissolution were filed by the Forest Grove Fruit Growers association, Forest Grove, and the Estacada Realty Co., Estacada.

### Enterprise Asks State To Approve Water System Plan

The city of Enterprise has submitted to the state engineer's office for approval plans covering a new municipal water supply which is now under contemplation. The plans include a main pipe line four miles long through which the water supply will be diverted from the Willamette river to a reservoir. The distribution in the city will also be extended by

\*\*\*\*\*  
 IF YOUR EARS RING WITH HEAD NOISES  
 If you have roaring, buzzing noises in your ears, are getting hard of hearing and fear catarrhal deafness, go to your druggist and get 1 ounce of Parmit (double strength) and add to it 1/2 pint of hot water and a little granulated sugar. Take 1 tablespoonful four times a day.

This will often bring quick relief from the distressing head noises. Choked nostrils should open, breathing become easy and the mucus stop dropping into the throat. It is easy to prepare, costs little and is pleasant to take. Any one who has catarrhal trouble of the ears, is hard of hearing or has head noises should give this prescription a trial. (adv.)

### FRECKLES

March Worst Month for This Trouble—How to Remove Easily

There's a reason why nearly everybody freckles in March, but happily there is also a remedy for these ugly blemishes, and no one need stay freckled.

Simply get an ounce of Othine, double strength, from your druggist and apply a little of it night and morning and in a few days you should see that even the worst freckles have begun to disappear, while the light ones have vanished entirely. Now is the time to rid yourself of freckles. If not removed now they may stay all summer, and spoil an otherwise beautiful complexion. Your money back if Othine fails. (adv.)

### Use RESINOL for a clear skin and good hair

For a skin that is excessively oily, and has coarse, clogged pores, or one that is disfigured by an annoying eruption, there is nothing better than RESINOL. Bathe first with RESINOL SOAP, then apply RESINOL OINTMENT and you can be reasonably sure of a speedy and remarkable improvement.

Resinol Soap used regularly for the shampoo tends to keep the hair lustrous and the scalp free from dandruff. Where there is already a serious accumulation of dandruff, part the hair and rub Resinol Ointment well into the scalp each time before shampooing. (adv.)

the addition of some three and one-half miles of new pipe line.

The city of North Powder has also submitted plans and specifications for a new water supply. The water is to be pumped from wells into a tank of 50,000 gallons capacity.

The state engineer has been asked by the state health board to pass on plans for a proposed gravity water system and a sewer system to be installed by the Alsea River Lumber company at its camp at Alpine in Lane county.

### Portland Police To Be Instructed In Arrest Methods

Portland, Or., Apr. 2.—All members of the Portland police bureau are to be instructed in the proper methods of handling people and making arrests, according to an order issued by Chief of Police Jenkins. The order was the result of the shake-up in the police bureau following the alleged accidental shooting and killing of Wayne Casson in the lobby of the police station while

officers were attempting to put him in a cell last Sunday.

The order provides for the instruction of a school in which new and experienced officers will be given instruction. Each captain is instructed to school his men in their duties and how to perform them, according to the order.

Chief Jenkins order forbids the striking of a prisoner in the station house. He also orders the use of the patrol wagon in taking an unruly prisoner to the station. "Persons under the influence of liquor must always be taken to the police station in the patrol wagon, according to the order."

### Buchtel In Race For Re-Election To State Berth

Asking for a second term as a member of the Oregon public service commission on the strength of his past record of "constructive business administration in the public interest," Fred G. Buchtel, present chairman of the commission, today filed with the secretary

of state's office his formal petition for a place on the republican ballot as a candidate for re-election.

In his platform Buchtel promises, if nominated and elected, to "continue to administer the commission's business on a sound business basis and as economically as is consistent with the public welfare; will aggressively campaign for ample allocation and equitable distribution of care for Oregon's industries and lumber shippers and strive as in the past to protect and advance the state's interests."

"Merit and efficiency will be my only consideration in employing the commission's staff and equity will be my guide in the adjustment of the rates and service of all utilities and railroads."

### Evans To Seek Job As City Recorder

William D. Evans, 1011 Mill street former owner of the Commercial book store, will be a candidate for city recorder of Salem in the primaries, he told a representative of the Capital Journal today. Mr. Evans has

not yet formally filed for the position, but intends to in a few days, he said.

So far Mr. Evans is the only one to announce his intention of opposing Earl Race, present city recorder, in the race this election. Mr. Race filed for reelection to the office several days ago.

### Water Asked For Santiam Hatchery

LeRoy Ledgerwood of Stayton, deputy fish warden in charge of the new hatchery now nearing completion on the Santiam river near Stayton, called at the state engineer's office Thursday relative to an application for the appropriation of water for use in the

hatchery when completed. The application asks for permission to appropriate water from the Santiam river and from Stout creek.

16,000,000  
 overalls go on  
 every day

OVER three times as many men as Uncle Sam's great army during the war—that's how many Americans put on overalls every day.

16,000,000 men wear overalls in the United States.

And of these 16,000,000 men, more wear Blue Buckles than any other kind of overall.

They all want overalls that wear well and fit easy—overalls that do not rip or bind.

"I wear Blue Buckles on every run. They're tough as raw hide and fit easy all the time."

John H. Hester  
 Engineer of the  
 20th Century Limited

Just this sort of wear and comfort comes with every pair of Blue Buckles. They're made with the toughest, longest-wearing denim—and lots of it—with big double-stitched, rip-proof seams—with heavy brass riveted buttons, and loops and buckles that won't come off. They are big and roomy, with extra wide suspenders, big, convenient, reinforced pockets, and a solid back band that holds the shape and prevents ripping.

Ask for Blue Buckles the next time you buy overalls.
