Quality and Service

History of the Miller Mercantile Co.

The beginning of the Miller Mercantile Co., dates back eighteen years when the "Miller Boys" came to Oregon from Nebraska. Their first store was located in McMinnville and was opened during the year 1902. This was a general store and was continued until 1909, when the store was disposed of to a Mr. Messner. A short time afterwards, during the same year, a new store was opened at Newberg, Ore., which in reality is the parent store of the present organization. The first branch of the company's business was in 1913, when they took over a going store in Dayton, previously owned by a Mr. Shippey, his son being retained as manager, which position he holds today. In 1915 they purchased another going business at Monmouth. This store had been held for six years by an estate, being managed by Mr. E. C. Cole, who was retained in this capacity, which position he still holds. In 1917 they took into the organization their present store in McMinnville, which was located in the same room occupied originally by the Millers as their first store in Oregon. This was a going business owned by Smith and Sisson. Mr. Smith retiring, and Mr. Sisson being retained as manager, which position he held until this week, when he was transferred as manager of the Salem store. In the Spring of 1919 they added a store at Sheridan, known as the King Smith Department store. This store had been conducted for a number of years by the two Smith Brothers, who became stockholders in the Miller corporation. Mr. King disposing of his interests. The Smith Brothers were retained to manage the Sheridan store. Later, during the same year, they added a store at Yamhill, formerly owned by Mr. Gist, who had just recently died. It was Mr. Gist's personal wish that the Millers take over his business. This store was managed for a little over a year by Mr. J. R. Pierce, until this spring, when Mr. Frank Miller, son of General Manager U. S. G. Miller, was elected manager.

The last store to be added to the list was the H. W. and M. L. Meyers store of this city, which became the property of the Miller Mercantile Company, Monday, April 5th of this year, and which purchase was made possible by both the Meyers Brothers desiring to retire from active business for the time being. With the exception of the Meyers brothers retiring the entire personnel of the store remains with the new owners, with one or two exceptions. It has never been the policy of the Millers to establish new, competitive stores, but rather to take over going concerns, and in nearly every instance retain the organization intact. The company is entirely an Oregon institution, every dollar's worth of stock being owned by local people, and in no instance will stock be sold to outsiders. Every manager is a stock holder in the company, and each store remains a purely local institution, always ready to back up any local work, truly believing in the slogan, "Your Home Town First."

MEET ME AT MILLERS

Quality and Service

Miller's Store Policy.

The store policy of the Miller Mercantile Company can be summed up very briefly, it being:

"Good Goods", sold under a positive guarantee of satisfaction to the purchaser, coupled with the very best STORE SERVICE.

By "Good Goods" we mean a combination of QUALITY and STYLE, so combined as to give the purchaser lasting satisfaction. In no instance will we feel satisfied until every customer has received full value in wear and service, for every dollar spent with us.

By STORE SERVICE we mean that nothing will remain undone that we can do to enable us to serve you in the best manner possible.

Long years of experience makes the Miller Company well acquainted with the best markets, and QUALITY has always been, and always will be the first consideration, in our purchases.

It is our aim, to establish our reputation in Salem that the remark will be often heard upon our streets, "IF YOU GET IT AT MILLERS, YOU KNOW IT'S RIGHT, AND THE PRICE WAS RIGHT."

We believe in a "No Sale" policy, feeling that honest business today demands that everybody get a SQUARE DEAL.

When we see a garment advertised as worth \$100 reduced to \$5.00, we are inclined to think that somebody lied. No merchant can remain in business unless he sells his goods at a profit. We maintain that a garment is worth the same at all times during the season.

To charge Mrs. Jones an exorbitant price early in the season so that Mrs. Smith can get her at a big reduction later on, and by so doing make our average profit, is not our way of doing business. To mark our goods "RIGHT" at the beginning, so that Mrs. Jones and Mrs. Smith will both get a "SQUARE DEAL" is our policy.

We feel sure that as the years go by we shall win a warm spot in the hearts of Salem people. We are only human, and will make mistakes, but we assure you that they will be mistakes of the head and not of the heart.

We are one of you. We want you to be one of us. LET'S GET ACQUAINTED!
