**ADITORIAL**  
**Our Store Policy**

There are three elements or principles that cover our store policy.

**GOOD GOODS.**  
**SERVICE.**  
**NO SALES.**

In this "Aditorial" we will define what we mean by "Good Goods."

We shall handle only such goods as can be sold under a positive guarantee of satisfaction to the purchaser.

Goods that will combine **QUALITY, STYLE and SERVICEABILITY**, that will give the purchaser lasting satisfaction.

In no instance will we feel satisfied until every customer has received full value in **WEAR and SERVICE**, for every dollar spent with us.

By "Good Goods" we mean the **BEST MADE, LATEST DESIGNS**, in weave, color, cut, construction and workmanship.

Old stocks are not "Good Goods"—They may have the quality of material and workmanship, but are not good in prevailing style or design.

Our next "Aditorial" will be "STORE SERVICE"
