# Hail Ye! THE LOFTY SPUD

Both the scarcity and the high price of potatoes causes the thrifty housekeeper to look for a substitute for this usually most common of our table vegetables. During the war the Food Administration constantly admonished us to use more potatoes and less flour. Necessity now requires that this order be reversed. To partially substitute for potatoes we would suggest the following items as special prices to encourage quantity purchases.

- White beans, 3 lbs for 25c; 12 1-2 lbs for ..... \$1.00
- Pink beans, 2 lbs for 25c; 9 lbs for ..... \$1.00
- Lima Beans, 2 lbs for 35c; 6 lbs for ..... \$1.00
- Split peas, 2 lbs for 25c; 9 lbs for ..... \$1.00
- Lentils 15c per pound; 7 pounds for ..... \$1.00
- Jap Tye rice, 2 lbs for 35c; 6 lbs for ..... \$1.00
- Head rice, 20c per pound; 5 1-2 lbs for ..... \$1.00
- Cracked hominy, 9 lb sack ..... 75c
- Skinner's macaroni, vermicelli, spaghetti and noodles in 15c packages, 7 for ..... 95c

We believe Skinner's is the best line of paste goods made in this country. A trial will convince you of their superiority.

## Flour

Fisher's blend, \$3.70 per sack; \$14.00 per bbl.  
Fisher's Art, \$3.40 per sack; \$13.00 per bbl.

We need make no comment of Fisher's Blend Flour as it is well known in this city and vicinity. Fisher's Art Flour is made from eastern Washington hard wheat and every sack is sold on a money-back guarantee.

## M. & R. Flavorings

M. & R. Vanilla Flavor contains less than half as much alcohol as most flavoring extracts and in consequence will not bake or freeze out. We would especially call your attention to the saving that can be made by buying in large size bottles. 2 oz bottle sells at 30c; a 16 oz bottle (8 times as much) for \$1.60.

- 2 oz M. & R. Vanilla Flavor ..... 30
- 4 oz M. & R. Vanilla Flavor ..... 50
- 8 oz M. & R. Vanilla Flavor ..... 90
- 16 oz M. & R. Vanilla Flavor ..... 1.60
- 32 oz M. & R. Vanilla Flavor ..... 2.90

## Fresh Vegetables and Fruit

- Oranges, large juicy fruit, 75c, 80c and 85c dozen
- Florida Grape Fruit, 15c and 2 for 25c
- Hood River Apples, per box, \$3.75; 2 pounds for 25c
- Home grown broccoli (Cauliflower) 20c to 30c a head
- Asparagus, Mustard and Spinach Greens, Peas, Rhubarb, Green Onions, Radishes, Cabbage, Leaf and Head Lettuce, Tomatoes.

# Our Opening

Will take place Friday evening, April 16th, and the public is cordially invited to drop in and give the place the once over whether patron or not, it makes no difference. We are proud and so is the City of Salem that it has the finest and best equipped exclusive meat market on the Pacific Coast. It has been our aim in remodeling this market to equip it in the most modern and up-to-date manner whereby all meats are kept under cover and refrigeration and not exposed in the old unsanitary manner. Also our meats are all prepared in a U. S. inspected plant which alone will insure you nothing but the best and cleanest of meats and absolutely free of all doubt of any disease or uncleanness.

No meats will be on sale but our time will be spent entirely with you explaining the different cuts of meats and the manner of refrigeration from our new automatic system which has been installed at a great expense.

It will be worth your time to call and see how the meat you eat is handled and kept.
