County Conference Here Postponed

At a meeting of the president of the four "H-Y" clubs of Marion county—Silverton, Stayton, Woodburn and Aurora—together with representatives of the Willamette university Y. M. C. A. here last night it was decided to postpone to an indefinite date the older conference for this county which had been announced for May 14, 15 and 16. A conflict with the dates of the University of Oregon Junior week-end sports events in which members of the Marion county association are interested is given as the reason for the postponement.

Said Theodore ROOSEVELT:

"EVEN men who are not professionally religious must, if they are frank, admit that no community permanently prospers, either morally or materially, unless the church is a real and vital element in the community life."

- Put a church in a town and all real estate values increase.
- Put a church in a town and it becomes at once a center of inspiration for better schools, better politics and general community improvement.
- Put a church in a town and you insure a community where law and order reign, where the personal and property rights of men and women are respected, where children grow up trained in the ideals that have made America great.
- Kill the church and you kill the voice that is constantly calling men to more unselfish living.
- Kill the church and you cut the nerve of your hospitals, your colleges, your civic organizations and even of respect for government itself.
- Thirty denominations, realizing that the problems facing them are too great to be solved by any one denomination alone, are cooperating in a great forward campaign under the name of the Interchurch World Movement.
- No modern business could have made a more scientific survey of the task than these denominations have made. No budgets could be more carefully drawn. You have the satisfaction of knowing that every dollar you give has its post of duty assigned to it in advance.
- Every dollar for a better America and a better world. For an American where the ideals of Washington and Lincoln and Roosevelt will continue to grow strong. When your church calls on you in the campaign week of April 25th give, and give with your heart as well as your pocketbook.
