Death Rides Storm Over Middle West

Little Rock Ark., Apr. 19.—A score of people were killed and many injured in storms which swept several counties in northwest Arkansas last night, according to messages received

At Harkey Valley, 12 miles north of Danville, seven people, six of them members of one family, were reported killed with many persons hurt and at Hickeyville, 16 miles south of Clarksville, three persons were reported killed and many hurt.

Snow was still falling in western Nebraska today but the wind had abated. Snow plows were being used to keep the railroad lines open. The Chicago, Burlington and Quincy railroad reported long delays to train movements on its Denver-Chicago and Billings-St. Louis lines.

Light snow was still falling, but the wind which had been piling it into drifts that blocked railroad tracks and city streets had abated.

The downtown hotels were filled with people caught in the heart of the storm and barred from their homes.

Three ministers, among the passengers on a Union Pacific train stalled near Longmont, Colo., conducted Sunday services in one of the coaches.

Because of the broke wires no telegrams had reached here concerning the loss of cattle, but vague reports indicated it was heavy. Rural roads were reported completely blocked in most sections.

Lincoln, Neb., Apr. 19.—Bad roads resulting from snow and rain storms in Nebraska promised to reduce the voting in tomorrow's presidential preference primary.

Mr. Ross is the only candidate whose name is printed on the democratic ballot in opposition to United States Senator G. M. Hitchcock, who toured the state asking support of President Wilson in the peace treaty fight.

Los Angeles, Cal., April 19.—The case of James R. Huirt, alleged bigamist, the list of whose supposed wives now numbers about 25, of whom eight are missing or unaccounted for, rested unchanged today. Huirt, who is recovering from wounds due to two attempts to commit suicide is still unable to talk.

Many citizens were appearing on the streets today in garb long since discarded and bundled for the Salvation Army and Near East reliefs. They have decided to wear out the "old clothes" until better weather comes, then, prices permitting, buy denim or khaki.

Danger of "Gas" Famine Here Is Held To Be Over

With shipments of gasoline arriving here over the week end, local gasoline dealers today declared that the danger of a gasoline famine in Salem seems to have passed.

Each dealer representing the four companies today asserted that they have recruited their supplies, and have an almost normal amount of gasoline on hand.

Pastor Killed In New York Church By Insane Man

New York, Apr. 19.—Thomas W. Shelley, known also as Thomas W. Simpson, faced arraignment in Yorkville court today for shooting Dr. James Wright Markos, an eminent surgeon, in fashionable St. George's Episcopal church yesterday.

The murder occurred soon after the rector of the church, Dr. Karl Reiland, had concluded his morning sermon, in which he had advised his congregation to be friendly to every stranger visiting the church.

Before Shelley was captured outside of the church he fired another shot, which grazed the cheek of J. Morgan Jones, an usher, and wounded Dr. G. E. Brewer in the leg.

St. Paul, Minn., April 19.—Records at the state capital disclosed that Thomas W. Shelley, also known as Thomas W. Simpson, who shot and killed Dr. James W. Markos yesterday, was a former resident of Calgary, Canada.

On April 28, 1917, he was committed to the Fergus Falls, Minn., insane asylum, one of his delusions being that his life typified the life of Christ.

Allied Occupation Of Ruhr Basin Being Considered

Paris, April 19.—Allied occupation of the Ruhr basin in western Germany is being considered by allied premiers gathered at San Remo, says the Petit Parisien.

There was a certain coolness between M. Millerand and Mr. Lloyd George at the opening of the meeting but it vanished in a short time and utmost cordiality prevailed at the close, according to the Matin.

M. Millerand says the allied governments should support France against Germany, and asserts that France and Belgium could not have done otherwise than advance east of the Rhine when German regulars invaded the neutral zone in the Ruhr basin.

Immediately after the statement was made public, spokesmen from striking railroad men in New York, New Jersey, New England and the middle west were received by the board. They were accompanied by Representatives Eagan and McGinnon, of New Jersey.

Request for an immediate hearing by the representatives of the strikers was denied.

Chairman Barton said that under the rules adopted by the board written complaint must be first filed with the secretary showing by express statement and facts set out that the dispute was one which the board was authorized to consider.

Washington, April 19.—Representatives of the striking railroad workers in New York and vicinity came here today to ask the railroad labor board to hear their demands for a "substantial guarantee of increased wages."

Chicago, Apr. 19.—Threat of a new strike among railroad employes in the Chicago district today confronted claims of railroad managers and brotherhood officials that the "insurgent" switchmen's strike had been broken and the situation rapidly was returning to normal.

As a result of a new federal descent on strike leaders at Chicago ten men were arrested. Nine were released on their own recognizance to appear today and make bonds of \$10,000 each.

New York, Apr. 19.—Striking railroad employes continued to flock back to work in New York and vicinity today despite efforts of radicals, and railroad officials asserted conditions were approaching normal.
