Youth First Victim of Strike League Workings Violence at Butte; Troopsat Spokane Ordered to Scene

Butte, Mont., Apr. 22.—Hugh B. Raran, 19 years old, living at 307 west Copper street, was shot and instantly killed at the office of the Daily Bulletin early this morning by Joe Papst, who later was arrested by Lieutenant Dwyer and Chief of Detectives Larkin of the city police force. Haran and Papst were guards who with other armed men crowded the newspaper office in expectation of an attack following the mass meeting of I. W. W. and miners held last night in the building in which the Building is printed.

Mystery surrounds the shooting bu the theory of the police is that Haran was mistaken for an outsider and shot by Papst by mistake. Papst himself has made no statement other than to say that the shooting was accidental. A story in circulation to the effect that the men quarreled and that the shoot ing followed, has not been confirmed by the officers.
