Oriental Do Not
Control Hawaiian
Land Is Finding
 Honolulu, T. H.—So far as the land
 office is aware, Orientals in Hawaii
 never have obtained public lands
 through being appointed guardians of
 their minor children, who are citizens
 of the United States, according to
 Land Commissioner C. T. Bailey, who
 made the statement in answer to re-
 peated inquiries on the subject.
 The land commissioner's records

Man Saves Wife
in Nick of Time
 "My wife was unable to eat even
 the lightest food, and had fallen away
 to a living skeleton. She could not
 even keep doctor's medicine on her
 stomach and was tortured with pain.
 On the recommendation of a friend I
 bought a bottle of May's Wonderful
 Remedy and she is all right now and
 has gained forty pounds." It is a sim-
 ple, harmless preparation that re-
 moves the catarrhal mucus from the
 intestinal tract and allays the inflam-
 mation which causes practically all
 stomach, liver and intestinal ailments,
 including appendicitis. One dose will
 convince or money refunded. J. C.

KEEPER NOT AFTER
Bennett's Refusal
To Charter Bank
Appealed To Board
 P. J. Stadelman, H. L. Kuck and
 others interested in the organization of
 a new state bank at The Dalles have
 appealed to the state banking board
 over the refusal of Will H. Bennett,
 state superintendent of banks, to grant
 a charter for the proposed institution.
 Application for the charter was filed
 with Bennett several weeks ago. After
 due investigation Bennett denied the
 application on the ground that there

Nurses & physicians
recommend
Resinol
 For years they have relied upon it in
 the treatment of skin and scalp troubles,
 because they know that Resinol Oint-
 ment so quickly stops itching and gen-
 erally clears away the disorder. From
 baby's slight rash to severe cases of
 eczema hundreds of letters bear witness
 to its healing power. It's easy to
 obtain—easy to use. Why don't you
 try it? At all druggists.

KILL THE RATS
TO-DAY
By Using
STEARNS' PASTE
 International exterminator for rats, mice,
 cockroaches and waterbugs. It creates a
 desire in those pests to run from the build-
 ing for water and fresh air, dying outside
 in a few moments. Two sizes, 5c and 15c
 should be enough to kill from 50 to 400 rats.

Our Window This Week

Do you know how they
 told time in Rome? Where
 the first watch was made?
 That seven watches a day was
 an unbelievable output for a
 watch factory in 1850? How
 many watches are turned out
 in the Ingersoll factories today?
 Learn the Story of Time by see-
 ing the exhibit in our window.

VESSEL HAS HISTORY
 Honolulu, T. H.—Steamer Wairuna,
 which recently arrived from Newcas-
 tle, N. S. W., with coal, according to
 her officers, was built in Germany, a
 sister ship to the German blockade
 runner, Sea Wolf, and had a thrilling
 war history.
 Originally christened the Schneef-
 elles, she was captured on her first
 voyage by the British and was placed

 torpedoed her. She was towed to port
 in an almost sinking condition and re-
 paired.
