

FIVE GENERATIONS MEET

From left to right—Mrs. Edna Wintermantle of Jefferson, granddaughter; R. P. Nye, of Sidney, son; Mrs. Mary E. Nye, Mrs. D. E. Blinston, great-granddaughter, and little Miss Irene Blinston, great-great-granddaughter of Jefferson.

When Mrs. Mary E. Nye of 1442 Magnaw street, Salem, celebrated her ninetyeth birthday, Tuesday, she enjoyed the unique distinction of welcoming to her home not only her children, but her grandchildren, great-grandchildren and one great-great-grandchild, little Miss Irene Blinston of Jefferson representing the fifth living generation of the Nye family.

Although past the ninetyeth milestone, Great-Grandmother Nye is still hale and hearty, doing her own housework from choice, and devoting the day following her birthday anniversary to putting out the week's washing and piling wood, beside the regular routine duties about the house.

Mary E. Childers (Mrs. Nye) was born in Grandview, Iowa, April 29, 1830. She was married to J. S. Nye in 1847, crossing the plains in 1850 and locating on a donation land claim near Sidney in the Santiam valley, where they made their home for 52 years. Following the death of her husband, Mrs. Nye moved to Salem 12 years ago, where she now lives, occupying a cottage adjoining that of her daughter, Mrs. Effie Hensley, where she insists on doing her own work in spite of her advanced age.

Mrs. Nye is the mother of nine children, five of whom—R. P. Nye of Sidney, J. M. Nye of Jefferson, B. F. Nye of Independence, G. A. Nye and Mrs. Elsie Hensley of Salem—are living. There are also 24 grandchildren living, as well as five great-grandchildren and one great-great-grandchild.

Dentists Score Victory Against Woodburn Team

Woodburn, Or., Apr. 26.—A large crowd attended the opening baseball game of the season here Sunday when the Woodburn team met defeat at the hands of the North Pacific Dental college team of Portland, the score being 3 to 6. Lack of practice lost the game for Woodburn. The game was scoreless until the seventh, when Woodburn's infield blew up, letting in a run, and two more in the eighth, all on errors. "Snowball" Lane pitched a beautiful game, allowing only four hits and all of them only singles. Quisenberry, for the victors, allowed seven hits. More practice will be indulged in this coming week.

Clark Estate Case Reviewed In Polk Court Once More

Dallas, Or., April 27.—The county court was busy most of the time yesterday hearing evidence in a case which has been tried out in court several times before, and it appears that the end is not in sight. The litigation is over the estate of P. F. Clark, situated near Independence. J. F. Clark of Oregon City is administrator. Mrs. Elizabeth Clark, the defendant in the case, is a step-mother of the plaintiff. The attorney for the administrator, it is said, undertook to deprive the widow of her portion of the property left by her deceased husband, and the action was instituted in the Polk county court some time ago, but the court decided in her favor. The matter was carried up to the circuit court and the county court's decision was sustained. Subsequently the county court, surveyor and appraisers went to the property and placed a fixed value upon it. Yesterday the survey the appraisalment was contested in Judge Robinson's court. It is probable that the matter will be carried up to the circuit court regard-

Highway Board Asked to Change West Side Route

Independence, Or., Apr. 27.—In an effort to get the west side Pacific highway built from Rickreall to Independence and on south to Corvallis by way of this city, H. Hirschler, went to Portland yesterday to consult with members of the state highway commission. The original plan is mapped out by way of Monmouth from Rickreall. Farmers south of Independence and in the vicinity of Parker and Suver have offered to contribute approximately \$4000 and do the necessary work if the plan can be changed to include these points on the improved road. Other inducements, it is said, will likely be made to have the road built through Independence and it is believed that the commission will accept the liberal offer that has been suggested.

A paved road has already been built from Independence to Monmouth and north part way to Rickreall. By way of Monmouth is a shorter route from Portland and way points, but from Salem the more direct route is by way of Independence. Inasmuch as most of the traffic will be on the east side of the river to Salem it is contended that the best route to southern Oregon is through this city. The result of the conference is looked for with much hope on the part of Independence people.

Trail Slickly Children Gain Strength Rapidly on Vinol

Vinol is successful because it is a non-secret remedy which contains Beef and Cod Liver Peptones, Iron and Manganese Peptonates and Hypophosphites—but no oil—the very elements needed to build up strength and robustness. Children love to take it.

The Wonderful Efficiency of Vinol is proven by these letters
Alken, S. C.—"My little girl five years of age had been delicate all her life. She was weak, run-down, no appetite, and she could not keep still a minute. We were very much worried about her. Our druggist, who is a doctor, said Vinol was the best tonic he knew for her. We tried it and you ought to see how she has improved by its use."
Belvidere, Ill.—"My little girl twelve years old had Whooping Cough and Scarlet Fever one right after the other and she was so weak and run-down that she had fainting spells and headaches. My druggist recommended Vinol and the result was that her health and strength were built up very quickly by its use."
For all run-down, nervous, anemic conditions, there is no remedy like Vinol. Your money will be returned if Vinol fails.

Registration In Polk Shows 6,534 Qualified Voters

Dallas, Or., April 27.—The registration completed a few days ago by County Clerk Floyd D. Moore shows 6534 registered voters in Polk county, with a Republican majority of more than two thousand. There are 4306 Republican voters registered in the county and 2224 Democrats. This is said to be a slight increase over the previous registration.

Competition For Polk County Jobs Confined to One

Dallas, Or., Apr. 27.—Candidates who have filed for county office in Polk county are as follows: County clerk, Floyd D. Moore; treasurer, A. V. R. Snyder; corner, Robert L. Chapman; assessor, Fred J. Holman; superintendent of schools, Joseph Willis; sheriff, John W. Orr; all Republican candidates and present incumbents, and they will have no opposition at the primary election this year. The only office which seems to be contested for this year is that of county commissioner, and there are five candidates in the field, namely: Otis Wolverton, mayor of Monmouth; Albert Hart, mayor of Falls City, and Ezra Hart, farmer of Salt Creek; Republicans, Wm. White of Dallas, and Chester Gardner of Bridge Creek, Democratic candidates. Coincidentally every one has for his slogan, "Good roads and fairness to all the county."

Morris Morston, the commissioner chosen at the last county election, died

some time ago and the county judge and county commissioners were unable to agree upon a man to fill the vacancy, consequently the office has been vacant since his death. Had he lived there probably would have been no opposition to the ticket this year.

Mrs. Walter Burnett, of Salem, visited her sister, Mrs. Floyd D. Moore, who has been quite ill. Mrs. Burnett and Mrs. Moore left Sunday to visit their parents, Mr. and Mrs. Bliven, in the Kaiser school district south of Salem.

John W. Orr, sheriff of Polk county, was called to McMinnville yesterday as a witness in a case on in Yamhill county.

Roy Chute and wife are proud parents of a 7½ pound boy born at the Dallas hospital, Sunday.

Auditors Crandall and Roberts were here the latter part of last week and audited the books of the county clerk, sheriff and treasurer, and found the accounts absolutely correct, there being no discrepancy whatever in the

officers' books. They were congratulated by the auditors upon having accomplished this result, and declared that it was something unusual.

Mark E. Hibbard, Of Independence, Summoned To Rest

Independence, Or., Apr. 27.—Mark E. Hibbard, a pioneer citizen of this city, died at the Beaver hotel here late Sunday night after an illness of more than a year. He overworked last fall while engaged on a hop ranch near town and has gradually been falling since. He had but one relative in this country, Mrs. C. L. Fitchard. A niece resides in New York. Funeral arrangements have been detained pending instructions from the niece. It is believed, however, that the funeral will be held here this afternoon and inter-

ment made in the Independence cemetery.
Mark E. Hibbard, "Markie," as he was commonly called, was born in New York 63 years ago and had lived in this city during the past twenty years or more. He was unmarried. Mr. Hibbard was well known throughout this part of the state.
