Van Trump Says Orchard Injury By Frost Varries

By S. H. Van Trump
In a recent letter sent out by Professor H. P. Barrs, of the department of botany and plant pathology, O. A. C. the writer says: "We may find many unlooked for results from the freeze. Many diseases may attack where they do not normally make great headway. The damage from apple anthracnose may be extremely severe. Blossoms blight may show up in severity; wood decay and bacterial gummosis troubles may be greatly increased. We do not know what to expect, but we would appreciate information and specimens whenever you can send them. I have seen what appear to be other fungi than those we usually expect attacking twigs and blossoms this spring.

Injury can be more definitely determined. By the middle of June the tree if not injured beyond recovery should be making a rapid growth and with an abundant flow of rich sap will be in the best condition for a severe pruning, including the removal of all dead and diseased branches. The above suggestions with reference to pruning his pear will apply also to the prune and cherry. It is scarcely necessary to note that these injured orchards will respond more readily to the best of cultivation. In the matter of retaining frozen peach orchards more positive and radical methods may be employed than would be safe in dealing with any other tree fruit. The injury to the peach is mainly in the terminal branches, decreasing downwards to the snow line. We observe many old peach trees at this time sending out vigorous healthy buds on the main branches and from the trunks near the snow line. These trees may now be "dehorned" and they will send forth rank upright branches, which will make a phenomenal growth by midsummer. These branches should be tipped back in August, when they will send out laterals, which will set full of fruit buds and bear a good crop next year. If these renewed trees are thoroughly sprayed with Bordeaux mixture in the fall to control blight, and again in February with the same spray to control leaf curl they will be on a new lease of life and be more vigorous and prolific than under any other treatment.

Former Jefferson Resident Passes Away In Portland

Jefferson, April 22.—James Elliott an old time resident of Jefferson, died at the home of his daughter in Portland, Wednesday. Funeral services were held at Jefferson Friday afternoon. Mrs. Joe Roberts, Miss Thelma Roberts and Miss Floy Van Buren from Albany were visiting relatives in town Thursday. Henry Smith of Jefferson and Miss Winnifred Hendryx of LaCumb were married in Albany last week. They intend to make their home in Jefferson. C. C. Libby and Mrs. Leona Hart, well known young people of Jefferson, were married Saturday. After a short honeymoon in Portland they intend to reside in Jefferson where Mr. Libby is in the garage business. The Albany high school band gave a concert Friday night at the Masonic hall, auspices Jefferson high school. The concert was well attended. The music being exceptionally fine. Mrs. A. F. Shultz from Portland is here visiting her daughter, Mrs. R. W. Curl. Dr. and Mrs. Allen from Mill City spent Sunday with Mrs. Allen's parents, Mr. and Mrs. J. B. Looney. Mr. and Mrs. Olin Neborg from Albany were visiting relatives in town Sunday. S. A. Pease is in Portland on business this week. Mrs. L. H. Albert returned Tuesday from Portland after a visit of several days with relatives. Mrs. Wm. Bean left Wednesday for

Scotts Mills To Favor Tax Bills Is Indication

Scotts Mills, Or., Apr. 22.—Present indications in this vicinity are that Scotts Mills will give a large majority vote for the two-mill tax measure to be voted upon in the May election. Superintendent J. A. Churchill was in the city last week and delivered an instructive address on the bill, to a representative body of citizens. A live committee is at present working in the interests of the measure. The fund for the Armenian relief is increasing, the collectors having met with splendid co-operation in the Scotts Mills district. Reverend Edgar Sims gave an interesting talk on patriotism before the student body at assembly hour recently. Among the school activities baseball is leading in favor at present, the season having opened with a fine spirit of interest among the students. The agitation for house rooms in Warrenton to meet the demands of laborers in the industries there has met with response. Ten new houses were started last week.

Licenses To Wed Average One Per Day At Dallas

Dallas, Or., Apr. 22.—The day's work in the county clerk's office was again started off by the issuing of a marriage license. This is coincidental with several days record. The applicants today were Elmer Chapin and Ethel Carmack both from the south side of the county. Preparatory to completing the pavement between Monmouth and Rickreall the commission has covered the roadbed with crushed rock which makes travel by car slow. "500 Party" Enjoyed. Dr. and Mrs. W. C. Schaefer entertained a number of friends at their country villa near Dallas last evening. Five Hundred was played during the evening, John B. Eakin making the highest score of 6370. A dainty lunch was served to the guests in the dining hall before the glowing fireplace about midnight. The guests were: Mr. and Mrs. L. D. Brown, Mr. and Mrs. Clare Tracy, Mr. and Mrs. H. A. Joselyn, Mr. and Mrs. Fred Stinnett and Floyd D. Moore. Mormon Lodge No. 96, K. of P., is to have a big meeting next Monday night at which time several candidates will be initiated.

KEEP BEES!
If you own an orchard you must have bees if you would secure the largest crops of the most perfect fruits, as proper pollination is essential for best development and bees are the only dependable pollenizing agents.
You can keep bees anywhere that they can forage within a mile—they require but little attention and will often render you a splendid profit. We can start you right and save you unnecessary work and expense.
Our Bee Supply Catalog lists everything necessary for the successful production of honey; tells how to care for and handle bees.

Hubbard Victim Of Auto Wreck Recovers Slowly

Hubbard, April 22.—Dr. E. Schaar, who was seriously injured a few nights ago when a passing Southern Pacific train struck his automobile, killing Mrs. Schaar instantly, is slowly recovering at the Hubbard hospital. That he will fully recover is the opinion of the attending physician. Mrs. Alexander Thompson and Judge Grant R. Dimick spoke here a few nights ago in behalf of the school measures to be voted upon at the coming election. Judge Dimick, in his address, told the voters not to take a shot at the schools, look for the leakage in the legislation. See, he said, if there are not too many commissioners and game wardens, and the like, to cause this high taxation. Just now Hubbard sees the need of more school room, and something must be done before another term to take care of the students and pupils. Some definite action will be taken in the matter during the summer and it is the opinion of many that a new school building will be built here during the summer. The parent-teacher association, in conjunction with the school directors, will give an entertainment and box social at the White school house Friday night to raise money with which to purchase a new phonograph to take the place of one stolen from the

school building a week or more ago. Fred Gearin died at Woodburn Monday and was buried in the Hubbard cemetery yesterday. Mrs. H. E. Kova, who twelve years ago moved to Portland from Woodburn, died at the Portland hospital Sunday and was buried here yesterday.

WAS IN BED FOR SIX LONG MONTHS

"I was in bed for six long months with stomach trouble and rheumatism and Tanlac alone deserves the credit for my recovery," said George Gregoire, popular longshoreman of 2718 3d avenue, Seattle, Wash. "I have gained twenty pounds and feel like I was never sick a day in my life," he continued. "My trouble started a year ago. My appetite left me and what forced myself to eat would cause a severe pain in my stomach and shortness of breath. Meats were almost like poison to my system; I got as weak as a kitten and the rheumatism laid hold of me so bad I could hardly drag myself about. My kidneys seemed to give way, too, and my back hurt so I couldn't stoop over. My head ached like it would split and I would get so dizzy I had to hold to something to keep from falling. I lost sleep and weight and was completely down and out. "Tan lac helped me so much that I was out of bed in three weeks and now I am like a different man. All my troubles are entirely gone. I am back at work every day and do my own work so easily I surprise the men who work with me. I never felt better in my life and I give Tanlac all the credit for my splendid health." Tanlac is sold in Salem by Tyler's drug store and leading druggists in other towns.

Want to Quit Tobacco?

If you want to quit tobacco or to use less, get a package of Nicotol tablets from your druggist. You will be surprised how easy it is to quit. Nicotol drives nicotine from your system and kills the craving for tobacco, and lo! the tobacco habit quits you. All druggists are authorized to sell Nicotol under a steel-bound money-back guarantee, so it costs you little to quit and nothing if Nicotol fails. Note—Ask your druggist what others say about the wonderful power of Nicotol to break the tobacco habit. He knows and he can be trusted to tell you the full truth. D. J. Fry, (Adv.)

Skin Blemishes How to get rid of them

Skin specialists are tracing fewer and fewer troubles to the blood. They say more often, skin blemishes can be traced to the bacteria and parasites that are carried into the pores of the skin with dust, soot and grime. To clear your skin of blemishes caused by this insidious and persistent enemy, use regularly the following special treatment.

Just before retiring, wash in your usual way with warm water and Woodbury's Facial Soap; then dry your face. Now dip the tips of your fingers in warm water and rub them on the cake of Woodbury's until they are covered with a heavy cream-like lather. Cover each blemish with a thick coat of this soap cream and leave it on for

ten minutes. Rinse very carefully with clear, hot water; then with cold. In addition to this special treatment, use Woodbury's regularly in your daily toilet. This will make your skin firm and active. It will help the new skin to resist the frequent cause of blemishes. Before long your complexion will take on a new clearness and freshness. Get a cake of Woodbury's Facial Soap and begin tonight the treatment your skin needs. You will find Woodbury's on sale at any drug store or toilet goods counter in the United States or Canada. A 25 cent cake will last a month or six weeks. The Andrew Jergens Company, Cincinnati, New York and Perth, Ontario.

YOU who use 3 1/2 inch tires constitute more than half the tire buyers of the world. To build this special molded 3 1/2 in. tire, a \$7,000,000 factory was built and a special organization brought together. To 60% of America's Car Owners. Firestone Plant No. 2, making this one size only, has a capacity of 16,000 tires a day. This quantity production means savings for the car owner—lowest costs and better tire values. Buy Firestones. Most miles per dollar is a Firestone pledge, to the big car owner as well as to the owners of light cars. See the new Standard Oversize Firestone Cord. Firestone
