Willamette and Oregon to Meet On Local Courts

The teams of Willamette University and U. of O. will meet on the Willamette courts as a feature of the May activities. This tournament will be watched by followers of the game, as each school has a team which is high in the northwest. Eugene Brown, of the Eugene team, has been for several years the champion of Oregon, while Moodie, of Willamette, is considered of equal ability having won several times. Moodie had success in defeating the O. A. C.

champion last year and is going strong in practice. The tournament will be held Saturday morning at 10 o'clock on the Willamette courts. There will be two singles matches for men, and one for women, and contests in men's

doubles and mixed doubles. Doney looks like the second man on the Willamette team and Miss Mary Findley will play in the women's singles and pair with Moodie in the mixed doubles.

Miller and Streyer are taking part in the freshmen. Davies, McKittrick and Campbell will represent the Juniors and Austin, Doney and Miss Findley the seniors.

Long wear is built into every pair of Blue Buckle overalls. They are made of the toughest denim—with broad, double stitched seams that don't rip. Every pair is comfortable—lots of room everywhere and extra wide suspenders. First-class workmanship means each detail is right. Blue Buckles have a strong, solid back-band—big reinforced pockets, so arranged you never sit on them, and the best buckles and loops made. Heavy brass buttons are riveted on the cloth.
