This is the first time the local players have been able to win from the Eugene aggregation, and much satisfaction is being expressed at their improvement, which is due to the instruction of D. H. Findlay, the local professional. The Salom team was somewhat crippled by the absence of Olinzer and Thibson, star performers. The playing of Keene and Farrar caused much comment, each having broken his former record by several strokes.

A large card was displayed near the club house with the words "longest drive" outlined in bright pennies blued to the card—the playing making the longest drive to receive the money. The honors went to Erel Kay and Walter McCormack, and much merriment was caused by the discovery that the very small son of one of the players had spent part of a busy afternoon extracting the pennies from the sign. However, cash prizes can not be taken without placing the standing of an amateur player in jeopardy, so the little chap probably saved the two players being classed as professionals. Out of town guests at the club were Mrs. Walter McCormack, Mrs. Rorer and Mrs. Martin of Eugene, whose husbands were playing in the Eugene

(team; Mr. and Mrs. Oswald West and daughter, Miss Helen, of Portland, who were spending the week-end with Governor and Mrs. Ben W. Glend; Mrs. M. V. McDonald, who is a guest at the home of Mr. and Mrs. T. A. Livezey; Mr. and Mrs. Wintermute, Mr. and Mrs. Hinchey, Mr. and Mrs. Powers and Miss Rader all of Portland. Johnnie Jones provided dinner at the club house for members of the club and their guests, in his usual excellent manner.

The Bearcats were lacking two of the regular infield—Page and McKittick—the latter being laid up with a wrenched knee. Brewster pitched for the collegians and was hit freely, as was Steele of O. S. P. Although they lost the game, great
