Stanford Nine Primed to Show Fast Ball Here

The Stanford university baseball team, which will play Willamette university Wednesday afternoon at 3 p. m. on Sweetland field, defeated the U. of O. team Monday at Eugene, 11 to 7. Both teams hit freely, but otherwise the game was uninteresting. This victory over Oregon gives some idea of the strength of the Californians as U. of O. is conceded to have one of the fastest college teams on the coast. From comparative scores the Stanford team has all the best of the argument with Willamette, but the Methodists have improved their batting since the games with U. of O. and are primed to give the southerners a run for their money. McGhee, who fumbled his knee against Pacific Friday, will be back in the game. Jackson, who has been devoting his time to track, has returned to the baseball squad since the track season has been cancelled, and may occupy the stab in one of the games this week.

Coch Coach Mathews has deemed it wise to cancel the track meets which had been scheduled for this season, partly on account of lack of funds, and partly because he found it impossible to give the necessary amount of time to both track and baseball and do justice to either. In place of the Sacnowa meet Friday there will be a push-ball contest between classes, and a tub race on the mill stream.

French Railway Strike Ties Up Nation's Traffic

Paris, May 3.—The strike situation in this city was generally stationary at the north and east stations this morning, only about fifty percent of the usual number of trains being in operation. At the St. Lazare station traffic was affected more seriously. Virtually no freight trains were moving during the forenoon.

M. Moutte, managing director of the weekly publication Labor Life, which has been conducting a campaign for the continuation of the railroad workers strike was arrested this morning. This is the first in connection with the railroad strike.

Shipyard Heads Are Fined For Court Contempt

Portland, Or., May 4.—Federal Judge Bean Monday declared the Northwest Steel company and the Columbia River Shipbuilding corporation in contempt of court and levied fines of \$2500 each. J. H. Bowles and Alfred F. Smith, heads of the two companies, were technically placed under arrest, being placed in the custody of the United States marshal.

Sentences of the heads of the two shipbuilding companies is the result of contempt findings against the companies and officers, who last week refused to obey a court order requiring them to produce the books and records for a federal grand jury investigation. Bowles and Smith, it was said, will remain in the custody of the marshal until the books and records are turned over to the grand jury.

A stay of execution for five days, allowed by the court in which to file an application for a writ of error, will prevent the shipbuilding magnates from actually going to jail, it was said. Bail was fixed at \$10,000 each.

Ancient Church Ceremony Revived

Rome, Apr. 17.—After an interval of fifty years the Coliseum again has been the scene of the moving and picturesque ceremony of the Via Crucis. Pope Benedict XIV, who reigned as Pope from 1740 to 1758, instituted the ceremony by placing a cross in the center of the arena, where martyrs had given their lives for the faith, and erecting fourteen stations of the cross about the historic pile. Each Friday the ancient amphitheatre witnessed the solemn rite. The practice was abandoned in

Churches Asked To Aid Observance Of Educational Day

Ministers of churches throughout Oregon will be asked by J. A. Churchill, state superintendent of public instruction, to co-operate in the observance of Sunday, May 16, as educational day. An effort will be made to have every church set apart a time in either the morning service for an observance of the day by a special program or an address explaining the educational measures on the special election ballot, May 21.

Cleveland Street Car Men To Strike

Cleveland, O., May 4.—Union motormen and conductors employed by the Cleveland Railway company at mass meetings last night and early today rejected the company's maximum offer of seventy five cents an hour, an increase of fifteen cents, with a minimum six hour day and voted overwhelmingly to strike at midnight tomorrow. Approximately 3000 men will be affected. The men demand an increase of thirty cents an hour and a minimum eight hour day. The company withdrew counter demands for an open shop and the em-
