

Polk and Marion Pioneer Buried at Dallas Sunday

John F. Howard, who was interred in the Old Fellows cemetery at Dallas, Sunday, May 2, and who died April 29 at the home of his daughter, Mrs. Mary Lacey, Pease, Oregon, was a resident of Polk and Marion counties for over forty years. During the major portion of that time he has made his home in this city.

He was born in Missouri, November 17, 1838, and is survived by three daughters and two sons: Mrs. Mary Lacey, Mrs. Joseph O'Reilly and Miss May Howard, of Oakland, California; J. Mack Howard, Pease, Ore.; and Samuel Howard, Aberdeen, Washington. He is also survived by one brother and five sisters.

OBITUARY

Mary Anne Landgraf Neuen, wife of Henry Neuen, who passed away at her home at Liberty on Saturday, May 1, 1928, was born in Germany on June 28, 1844, and with her parents came to Sheboygan, Wisconsin, at the age of nine months.

In 1879, Mary Anne Landgraf was united in marriage with Henry Neuen at Sheboygan, Wisconsin, and lived there until 1886 when they moved to Nebraska. In 1904 they moved to Liberty near Salem, Oregon, where she has lived until her demise. She is survived by her husband, Henry Neuen, two sons, William J. Neuen and Edward Neuen, and one daughter Mrs. Clara Hamel, all living near Salem, Oregon, eleven grandchildren and one great grandchild. Also by one sister, Mrs. John Demos of Chicago, Illinois, and five brothers, Casper, Jacob and Frank Landgraf living at Sheboygan, Wisconsin; John Landgraf at Neilsen, Wisconsin; and Michael Landgraf of Sheboygan, Wisconsin, who was with her at the time of her death.

Mrs. Neuen was buried from St. Joseph's Catholic church and laid to rest in the Catholic cemetery on Tuesday morning, May 8th. She was accompanied with many beautiful floral tributes.

Help Given By O. A. C. To The Oregon Farmer

in grain-raising, dairying, horticulture, stockraising, poultry, production and other branches of agriculture, have Saved Oregon more than Higher Education Has Ever Cost

from its very beginning in Oregon. The College has reduced cost of production, improved quality of product, and helped keep down the pests of farm, garden, orchard and field.

Like the State University and the Normal it has helped bring school, business and home into vital contact, and has helped demonstrate that

Higher Education is of Direct Help to the Country Districts.

But higher education in Oregon is crippled by great increases in attendance, by lack of buildings by the fallen buying power of the present millage support, and by the failure of the millage support to grow.

You are respectfully urged to vote for the new millage support bill on May 21, the Higher Educational relief measure.

Parent-Teachers Association At Rosedale Meets

Rosedale, Or., May 6.—The Parent-Teachers association meeting was held at the school house, April 29. A program was given which contained a play given by the school children named "The Return of the Wanderers," some recitations, a talk by Mr. Trick on "Vice," and two songs by Mr. Hadley.

After this Mr. Churchill spoke on the millage bill. Mr. Huffer and Mr. Smith also gave short talks. Mrs. William Cammack, who is a returned missionary from Africa, gave an interesting talk about Africa. She showed her curios which were very interesting. After this program a social time was enjoyed by all. Refreshments were served.

Mr. and Mrs. Irwin went to their daughter's home, which is in Warrenton, to pay her a visit.

Mr. and Mrs. Lewis I. Hadley from Portland visited their son, C. A. Hadley, Sunday.

Dorothy Cole spent the week-end with Helen Cammack at Newberg.

Chester Hadley went to Portland, May 4, 1928.

Nina and Gladys Welch are visiting here.

Lloyd Welch from Vancouver visited his mother Sunday.

The ladies of the neighborhood met at Mrs. R. M. Cammack's, Tuesday, to sew for Mrs. William Cammack.

Mrs. W. M. Cammack spoke at the First Congregational church Tuesday.

Monmouth Dentist Elected Head Of Inter-County Unit

Monmouth, Or., May 6.—Dr. M. J. Butler of this city was re-elected president of the Marion-Polk county dentists organization at their annual meeting held at the Hotel Marion in Salem last Saturday night. Dr. Zimmerman of Portland gave a lecture on extraction at the meeting.

J. C. Stenbaugh, city salesman for the Cudahy company in Portland, was a week-end visitor in Monmouth, helping his wife get packed for moving. The latter will board with Mr. Erickson until the close of school. The Evening house in which they have been living has been sold to Howard Moran and is to be vacated May 10.

Miss Hazel Burcell, who is a sophomore at the agricultural college, was

appointed recently as one of three assistant instructors in the chemistry department of home economics and she is the youngest of the three. She is getting along well in her studies at the college and her friends are highly pleased with her progress.

J. E. Larson moved Monday into his new home recently purchased of J. L. Murrelock. The Murrelocks have gone to Yamhill to live until school is out.

The joint Sunday school program given Saturday evening in the Christian church proved most pleasurable to those in attendance. The small children on the program covered themselves with glory and the demonstration of primary teaching by Miss Beatrice Robinson was exceptionally good.

Rev. Peter Conklin left Tuesday to attend the annual conference of the Evangelical church which is held in the First English church of Portland. Mrs. Conklin preceded him to Portland, visiting with friends there but joined him to attend the conference.

There are no preaching services in the Evangelical church as a consequence Sunday, but Sunday school will be held as usual at 11 a. m.

Mr. and Mrs. J. D. Short are now permanently located in the residence which they bought of Mrs. Sarah Ground and the latter has gone to live with her daughters. The Short's are from Rainier, where Mr. Short was engaged in the butcher business.

H. C. Stewart and friend, Miss Wright of Chehalis, spent the week-end with the former's parents, Mr. and Mrs. N. S. Stewart. They stayed over Monday to attend the birthday party of Mr. Stewart's daughter, Elsie, it being her eleventh anniversary. A number of boy and girl friends of the city helped celebrate the event.

Mr. and Mrs. J. A. Sturkin, visitors here this week, have recently returned from a winter's trip in the east and south. They visited at Mounton, Wis., in Chicago and in Indiana and for a time Mr. Sturkin worked in Beaumont, Texas. They returned by way of the Grand Canyon in Arizona and southern California and now plan to locate either in Salem or Portland, where Mr. Sturkin has openings.

Polk Dairyman To Sell Whole Herd

Independence, Or., May 6.—William Marrow, a well known farmer and dairyman of this vicinity, will sell a herd of 38 fancy Jersey cattle at public sale next Monday. The sale will be held at his farm eight miles west of Salem on the Salem-Dallas road. Mr. Marrow intends to go out of the dairy

business. The sale will be conducted by Ben Suttell of Albany.

Auto Grounds To Be Made At Once

At a meeting of the members of the general committee last night immediate construction of the buildings and accommodations on the tourists-camp ground, Albert's tract, off Church street, was authorized. Ralph Thompson, F. C. Delano and R. O. Snelling were named as a committee to get under way at once.

In building the camp ground plans heretofore announced will be carried out in full. Tent frames will be erected, gas plates installed, electric lighting fixtures placed around the ground, shower and swimming baths, parking place and almost every modern convenience.

150 Cow Owners In City Are Licensed

Ending a canvass that he has been working upon for several days, City Sanitary Inspector J. N. Skaffe announced today that he has licensed 150 persons in the city who possess cows and who are selling milk. He said that he believed there are others whom he has not yet interviewed, but whom he plans to see within a few days.

Inspector Skaffe explained that a city ordinance requires that all persons possessing cows and selling milk from said cows must first procure a license from the city before the milk

BE CAREFUL WHAT YOU WASH YOUR HAIR WITH

Most soaps and prepared shampoos contain too much alkali, which is very injurious as it dries the scalp and makes the hair brittle.

The best thing to use is Mulsified coconut oil shampoo, for this is pure and entirely greaseless, it's very cheap and beats anything else on the market. You can get this at any drug store, and a few ounces will take the whole family for months.

Simply moisten the hair with water and rub it in, about a teaspoonful is all that is required. It makes an abundance of rich, creamy lather, cleanses thoroughly, and rinses out easily, and is soft, fresh looking, bright, fluffy, wavy and easy to handle. Besides, it loosens and takes out every particle of dust, dirt and dandruff.

can be sold. He said that it makes no difference what the quantity of milk is the ordinance plainly stipulating the requirement for any person selling any milk from their own cows.

Polk County Court Circuit Court

Dallas, May 6.—Judge H. H. Belt is in McMinnville holding court today.

Judgment of non-suit was granted against plaintiffs in the suit of Ole Elle and Gudron Elle, plaintiffs vs. C. Kirkpatrick and Bessie Kirkpatrick, defendants. The above action was a suit on a promissory note.

Decree dismissing plaintiffs' complaint and defendants recover their costs in suit in equity over ownership of land; J. E. Zimmerman et al vs. Miami corporation.

Order appointing time and place for hearing objections to final account in re: partnership estate of Joel Shaw, Claude M. Lewis and C. L. Barnhart.

Order approving inventory and appraisal in re: guardianship of Jane E. Coy an incompetent person.

County Court.

The county court is in session today, allowing bills, and transacting such other business as comes before it. Several districts in the county had representative bodies in to discuss road improvement with the court.

IF WEAK, THIN OR NERVOUS DON'T WORRY

Try The Bitro-Phosphate Health System—\$3.00 Guarantee

New York. If you are feeling run down, weak, nervous, tired in the morning, and generally ailing, these are the symptoms that should warn you to take care of your health.

Four persons in every ten are needing more phosphorus in their bodies. When you see thin and fretful people, or those who are anaemic, pale, frail, oft despondent or lacking in energy, you may look for the need of certain elements that make for a strong constitution.

Some people, after relying upon preparations composed chiefly of salts, quinine, drastic drugs, iron, calomel, cod liver oil, etc., wonder why they find no benefit. That is easily explained by the fact that such persons need the phosphoric element, which is a most potent essential to health, and contained in BITRO-PHOSPHATE, the famous health preparation. Now obtainable everywhere.

The right thing for you to do is make a trial of BITRO-PHOSPHATE beginning at once. It is not a patent medicine; the formula is prescribed by many physicians for the ailments and weaknesses mentioned above.

With every box of BITRO-PHOSPHATE, are a few simple health rules and a \$3.00 guarantee. Buy a box of BITRO-PHOSPHATE. It is sold and recommended by all good druggists everywhere. (adv)

This is a familiar subject in Polk county.

The court bought several hundred cords of wood for use at the court house.

Harry C. Seymour, state industrial club leader, who is on the O. A. C. extension service staff, was a Dallas visitor yesterday. Mr. Seymour was formerly county school superintendent of Polk county and has many friends in Dallas. Mr. Seymour was working in the interest of the educational mill age bill while here.

County Clerk Moore was called to his parent's home at Monmouth yesterday to his father's bedside, who is seriously ill from premature nose bleed.

J. T. Friar of Perrydale was in Dallas on business yesterday.

The Dentist and the Doctor

IT is astonishing how much sickness and disease come from decayed teeth and diseased gums! Competent medical authorities assert that a majority of human diseases can be traced directly or indirectly to mouth infection. It is a general practice of physicians nowadays to send their patients to an experienced dentist to see if the teeth are in bad shape.

Good teeth are necessary to good health, but you cannot have good teeth unless you occasionally visit a good dentist and have them cared for. Practically nobody's teeth are so perfect that they do not need professional attention now and then.

You are invited to have your teeth examined free by Registered Dentists using the E. R. Parker System. It ought to be worth a good deal to you to get the advice of these experienced men. If you are not in good health, the trouble may all come from your teeth, and you should lose no time in finding it out.

An Extraordinary Interest Yield
9 1-2-Year Gold Bonds priced at 86.58, to be Redeemed by Sinking Fund at 100

These \$2,000,000 bonds are secured by \$6,267,543 tax arrears. The Provincial Tax Sale Act becomes effective July 1, 1929 and makes compulsory the sale of lands on which taxes are in arrears. Voluntary payments of tax arrears have already created a large deposit in the sinking fund.

These bonds are a first charge upon the arrears of taxes, which, as collected, shall be used for the sole purpose of redeeming the bonds on interest dates "by drawings" whenever there are funds on hand.

The bonds are a general tax obligation of the City of Edmonton. Principal and interest are payable in United States GOLD COIN in New York, or through this office. Tax exempt in Canada.

Bonds will be redeemed on interest dates at face value, 100. Price of 86.58 figures 7 1/2 per cent for nine and one-half years as if the bonds will run the full term.

Bonds redeemed at 100 prior to due date will yield an interest return greatly in excess of 7 1/2 per cent.

There is every reason to expect the entire issue to be redeemed long before its due date, yielding a very large rate of interest to the holder to accord with how early his bonds are taken up.

The city not only has the option to redeem but MUST call bonds "by drawings" whenever there are funds available.
