instead of a political administration, should work earnestly from now until the primaries for Herbert Hoover as Oregon's choice for the presidency.

#### SUGAR PROFITEERS.

There is just one reason for the high price of sugar, and that is greedy profiting.

Shortage of sugar is alleged-but there is no shortage. Instead there is a corner.

Statistics compiled by the National City bank show sugar imay days of the past two weeks have portations for the present year the largest in history, with heavy had a plensing effect upon all kinds exports. The Cuban crop exceeds that of the previous year. Engof fruit trees in this vicinity except land and France have imported huge stocks from Java. The sugar crop in India is larger than for years. Germany is manube pretty much all killed off. In the facturing sugar upon a large scale and exporting half of the output.

The law of supply and demand has been superceded by arti- ened cry. ficial control. Agreement and combination have replaced com- ened tone. "But if we can't stir him, I petition. Those who control the machinery of supply make fab- don't know what we'll do." And she beared this season. Mr. English. It is ulous profits at the expense of the consumer.

During the war, sugar was controlled by the government and the price held down. The sugar board prevented extortion and regulated distribution. With peace, the government has with-drawn its control and an era of unexampled profiteering has followed the restoration of sugar to private control.

probably do likewise, although they have not fully decided what to do an With the restoration of normal conditions, the resumption of Chippy, Jr., at once let out a frightyet. This orchard has been a very production and shipping, the law of supply and demand will prob- ful cry. ably re-assert itself. truth of these statements. SALEM

Manufacturers of other brands of baking powder know better than anyone else how good Calumet Baking Powder really is.

They know it is pure and wholesome and that in a great majority of cases when a housewife has tried Calumet she will use nothing else. Consequently they attempt to prevent a trial wherever possible.

They are actuated by purely selfish motives -they fear you will quit buying what they have to offer and use something that may prove to be a great deal better. Learn the facts about baking powder and then decide for yourself. You can try Calumet-at our risk. If it isn't the best baking powder you ever had in your kitchen it won't cost you a penny.

The exceptional merit of Calumet is proved by the efforts of competitors to prevent a trial.

Calumet contains only such ingredients as have been approved officially by the U. S. Food Authorities.

You save when you buy it. You save when you use it. HIGHEST 2WALLEY
