Big Fish Catches  
Reduce Costs Here

Due to the success of fishermen at Newport and other coast points who have started to bring in the season's catch, fish is growing more plentiful and cheaper in the local market. According to W. S. Fitts, 444 Court street fish and poultry dealer, this supply will fail to continue throughout the summer and will prove a master stroke against the high cost of living. Trout catches in all coast streams have been better this year than for many years previous, Mr. Fitts said today. This, he asserted, is due to the care exercised by the government in caring for stocked streams. Mr. Fitts

Brunswick Principles  
In Fine Tire Making

The reason you are interested in the name on your tire is that it identifies the maker. By knowing the maker you can judge his ideals of manufacture. The only secret of a super-tire lies in the principles of the maker. His standards decide the quality. For there are no secrets in the tire industry. What you get depends on what is behind the name on your tire. Brunswick, as you know, means a very old concern, jealous of its good name. Since 1845 the House of Brunswick has been famous the world over for the quality of its products. The Brunswick Tire is all that you expect—and more. Your first one will be a revelation. You'll agree that you've never known a better. And you'll tell your friends. So spreads the news among motorists. The Brunswick is the most w-4 come tire that ever came to market. Try one Brunswick Tire. Learn how good a tire can be built. And remember, it costs no more than like-type tires.

ELECTION, MAY 21  
STATE ROADS  
Vote 302 X Yes  
For 4% State Road Bond Limit

BALLOT TITLE IS AS FOLLOWS:  
302 X Yes CONSTITUTIONAL AMENDMENT—Referred to the people by the Legislative Assembly.  
303 No LIMITATION OF FOUR PER CENT STATE INDEBTEDNESS FOR PERMANENT ROADS.—Purpose: To amend Section 7 of Article XI of the Constitution of the State of Oregon to set a permanent limit on the amount of bonds and other indebtedness that may be incurred for the purpose of building and maintaining permanent roads to the amount of four per cent of the assessed valuation of all the property in the State of Oregon, instead of two per cent now provided by law.

NO PROPERTY TAX—NO DIRECT TAX  
NO INCREASE IN AUTO LICENSE FEES  
NO INCREASE OF GASOLINE TAX  
Keep these three facts in mind. The present auto license fees and gasoline tax will pay both the principal and interest on all the bonds under this amendment, and will yield an annual surplus besides for other state highway work. No additional taxation of any kind.

FEDERAL FUNDS MUST BE MATCHED  
Oregon must have sufficient Highway Funds to match Federal apportionments or Oregon cannot get the benefit of Federal money for Oregon Roads. Increasing this constitutional limit is a necessity. Unless limit is increased, either state roads cannot be completed for many, many years, or must be financed by direct property taxation. This measure averts direct property tax for state highways and makes early completion possible. Let's get the roads built now.  
Income from Present Sources Sufficient to Pay Principal and Interest.  
The fact that revenue from auto license fees and gasoline tax, at least 100% of present rates, will be ample to pay both principal and interest on these bonds, is clearly set forth by official figures in the State Treasury, mailed to every registered voter. Under the State Treasury for verification. Because the facts are fully set forth, no property tax is levied until that present rates for auto license fees and gas tax will remain principal and interest and you can plan to build.

"Your overalls fit easy—  
why don't mine?"

"HERE we are, Bill, doing the same kind of work—  
and my overalls pull and bind—make me want  
to take 'em off—throw 'em away!  
"And when I look at you, you're always comfortable.  
Your overalls fit just as easy as the day you bought 'em.  
"Believe me—next time I'll take your advice and  
buy Blue Buckles."  
Hard work—kneeling, bending, stretching—is what  
Blue Buckles are built for. They are so big and roomy  
they always fit easy—make you forget you have on  
overalls.

"I've tried a lot of overalls, but  
of all I've worn I'll choose Blue  
Buckles every time. They always  
give long wear."  
—Fred M. Quinlan  
President of the Iowa  
Cure and Small Grocers Association

They are made of the toughest, longest-wearing denim,  
with broad, double-stitched seams that don't rip. First  
class workmanship has made Blue Buckles the biggest  
selling overall in the world. Big reinforced pockets,  
placed so you won't sit on them—a solid back-band that  
holds its shape—extra wide suspenders—heavy brass  
buttons and best quality loops and buckles—these are  
the points that make Blue Buckles right in every detail.  
Ask your dealer for Blue Buckles.
