Man Who Passed Away Here Last Week Was Pioneer

Monmouth, Or., May 9.—John L. Williams, a "forty-niner" in California and one of the pioneer settlers of Oregon, died Tuesday night in the Deaconess hospital in Salem. He had been bed-ridden for a long time and was under the constant care of a hired nurse for the past three years. With Mrs. Williams he was taken to the hospital Tuesday and did not live twenty-four hours after his arrival there. Mrs. Williams also is in very feeble health. Funeral services were held Saturday at 1 o'clock from Hinkle's parlors in Independence with Rev. Mr. Dunamore officiating.

Mr. Williams, familiarly known as "Uncle Bob" was about 80 years of age. He was born in Arkansas and crossed the plains in an early day, tried his hand at mining but found it more profitable to raise produce for the miners. He came to Oregon over fifty years ago, settling first at Lewisville on what is now the Lindeman place. He moved from there to Buena Vista and from there acquired the farm now owned by L. E. Olden. This farm he sold to A. Holman and bought the farm just across the road from the Hinkins school house. He sold this eight years ago and moved to Monmouth. He was married in 1881 to Martha, daughter of Green Simpson, who survives him. They had no children but adopted a daughter, now Mrs. W. K. Tetherow of Northport, Wash. The latter was here to attend the funeral.

A. L. Taimen, wife and son, Jim and Frank Taimen and wife of Portland were here Sunday looking after the property of the former.

J. M. McDonald and Mr. Bullock and their wives were visitors Sunday with relatives of Mrs. Bullock in the prairie district south east of Salem. Mr. McDonald says that section of Marion county at this season of the year is white with prune and cherry blossoms and is a sight worth going miles to see.

The work of installing the gravity water system is now two-thirds done, according to a report rendered to the council by the city engineer. All of the ditch is dug and something like four miles of pipe are laid and covered. Work on the intake on Teal creek has also reached an advanced stage. As to pipe, the manufacturers plead that they have troubles of various kinds but promise a car this week and three next week. If the pipe had been ready for use by May 15, but is now apt to be delayed to June 1.

J. Nichols, formerly of this section but now of Linn county, near Albany, was a visitor this week with his wife at Mrs. Allen Johnson's the latter being Mrs. Nichols' sister. The Nichols have sold their farm in Linn county and may locate here once more.

G. T. Boothby reports the sale this week of Mrs. Simpson's house and five acres on Whitman street to T. H. Cox of Amity, consideration \$2500. Mr. Cox plans to move here.

Mark Rickard and Mr. and Mrs. Peter Rickard of Corvallis called on Mr. and Mrs. H. E. Guthrie Sunday.

Pig Club Boys And Girls Hold Successful Meet

Silverton, Or., May 10.—The Coolidge & McClaine pig club met at the E. O. Lee farm east of the city Saturday. State livestock leader, L. J. Allen of O. A. C. was present and demonstrated stock judging to the young members of the club, of which there were twenty-nine. After receiving the instructions from the club leader the boys made a judging test and displayed wonderful talent. Mr. Lee conducted the club members to his several pig pens, explaining the methods used in raising hogs. Mr. Lee is making a special of breeding thoroughbred big type Poland China hogs, and it was an excellent opportunity for the boys to get the instructions they require in making the pig club a success. It was decided to change the date of the next meeting to some moderate day, thereby making it possible for more of the members than half of the members present. After the business session held at the Lee farm the boys were conveyed to the Alliqua grove where ice cream and cake were served in great abundance by the Coolidge & McClaine bank, and the remainder of the afternoon was spent in having a general good time. Lloyd Kircher was elected yell leader and when the opportunity is presented later in the future the boys will be heard from.
