

### Cornerstone of School Will be Laid Thursday

At Angel, May 12.—Within a few months there will be completed in Mt. Angel one of the finest school buildings in the northwest. This splendid new school is under course of construction by the Catholic church of this city. The majestic brick walls and stately columns of this handsome school to be embellished the architecture of this section for several weeks, as they grew higher and longer, and its completion is so far advanced at this time that all plans for the laying of the cornerstone will be an important part in the program of an all day celebration and service tomorrow. The dedication will take place later in the season, but the event celebrated tomorrow will be the greatest of all in the history of the Mt. Angel schools. The building has been in course of construction since early in the spring when the foundation was first started and it will be completed in time for school at the beginning of the next term. Energetic work has ensued in spite of after war conditions and the attending demand on finances, transportation and community effort early in the spring, until the fond expectations of those interested in the work and those responsible for its construction have nearly attained full realization.

**A Vision is Realized**  
A structure to take the place of the old one erected many years ago has been a vision long entertained by the Catholic church of this city for some time, but tangible plans to make the vision a reality were not made until after the armistice had been signed and indications pointed to normal conditions. It is claimed that the building will be modern in every detail and the most complete school building, if not the most expensive in Oregon. While the building will be built entirely by the people of Mt. Angel and will be maintained by the Catholic society without additional cost to the taxpayers.

### Silverton May Lay More Pavement

Silverton, Or., May 12.—The city of Silverton, which already has more paved streets than any other town of equal population in the northwest, is likely to hard surface Front street from A street to the north side of D street. Since the erection of the new cannery factory at the end of Front street the improvement of that street seems to be important and at an ad-

#### CALL FOR BIDS

Notice is hereby given that in accordance with Chapter 22, Session Laws of 1929, the State Land Board of the state of Oregon will receive sealed bids at its office in the capitol building at Salem, Oregon, up to 11 o'clock a. m., May 13, 1929, for a lease and permit to take, remove and sell, sand, rock and gravel from that portion of the bed of the Willamette river within the county of Marion, state of Oregon, described as follows: Beginning at the intersection of the right bank of the Willamette river at the ordinary high water mark and the center line of Court street, Salem, Oregon, thence running southwesterly a distance of 750 feet to the downstream extremity of Minto Island at the low water mark; thence southwesterly following the low water line on the north and west side of the island a distance of 1875 feet; thence northwesterly at right angles to the channel to a point on the left bank of the Willamette river at the ordinary high water mark; thence northwesterly following said bank at the ordinary high water mark to its intersection with the south line of Union street, Salem, Oregon; thence southwesterly at right angles to the channel to a point on the right bank of the Willamette river at the ordinary high water mark; thence southwesterly following said bank at the ordinary high water mark a distance of 1375 feet more or less to place of beginning.

Such bids shall specify the amount offered per cubic yard and the minimum yardage which bidder agrees to remove or pay for each year and the term of years for which lease is desired, and shall be accompanied by certified check for 10 percent of the amount of the bid for one year and by map in triplicate, showing premises and ownership or abutting property and residence and post office address of such owner or owners.

The board reserves the right to reject any and all bids, whether before or after the award, or if the bidder refuses or shall fail or neglect to execute the contract and furnish the bond specified or required by the board, and reserves the right to lease the whole of the above described premises or any portion thereof, and the repairer owner, his assigns or representatives, subject to rules and regulations adopted and promulgated by the State Land Board, will be given the preference right to lease at the highest price offered, said right to be exercised within five days after the opening of bids, subject, further, wholly within the discretion of the board, to the right to lease to persons who have done development work together with actual operations within the year 1919.

All bids shall be made subject to the terms, provisions and conditions of the rules and regulations adopted and promulgated by the State Land Board of the state of Oregon, for the purpose of carrying out and making effective the provisions of chapter 22 of the General Laws of Oregon, adopted at the special legislative session of 1929, and on file with the undersigned and open to public inspection.

Applications and bids should be addressed to G. G. Brown, clerk, State Land Board, Salem, Oregon, and marked, "Application and bid to lease a portion of the bed of the Willamette river for the purpose of removing sand, rock and gravel therefrom."

Dated at Salem, Oregon, April 29, 1929.  
G. G. BROWN,  
Clerk State Land Board.

**ADMINISTRATOR'S NOTICE**  
Notice is hereby given that the undersigned, by an order of the county court of the state of Oregon for the county of Marion, duly made and entered on the 24th day of April, 1929, was appointed administrator of the estate of Lucy Johnson, deceased, and that he has duly qualified as such administrator. All persons having claims against said estate are hereby notified to present the same, duly verified as required by law, to him at the city of Salem, Oregon, within six months from the date of this notice. Dated this 25th day of April, 1929.  
E. L. JOHNSON,  
Administrator of the estate of Lucy Johnson, deceased.  
Attorney for estate.

Journal meeting of the city council held last evening preliminary steps toward hard surfacing the street were taken. An extension of the sewer is also likely to be made to connect with the cannery factory.

W. S. Jack and wife will leave the fore part of next week for Cascadia, where they will spend the summer. Mr. and Mrs. Jack have spent several months at that summer resort each season for the past eight years.

Mr. and Mrs. Harold Craig of Salem visited at the home of the latter's parents, Mr. and Mrs. M. Palmer, yesterday.

A. L. Coltrin, one of the strikers in the recent walkout at the Silver Falls mill, has sold his residence in this city and will move to some other field of labor in the near future. Mr. Coltrin had just finished the house.

### Educators Boost Millage Bills In Rural Sections

Dallas, Or., May 12.—County School Superintendent Josiah Wills and Harry Seymour of O. A. C. have been holding meetings throughout this county in the interest of the high education tax and state elementary school fund tax bills. A very successful meeting was held at Valley Junction school where about 100 of the patrons of Rogue River and Gold Creek were in attendance. Meetings were also held in the high school at Ballston and Harmony. Mr. Seymour estimates that the bills will get a majority vote in Polk county.

The eighth grade examination material has been forwarded to all teachers of the county by Superintendents Wills. Cyrus Blair, a pioneer of Buell, has been critically ill with the flu but is reported recuperating. I. F. Youkum was in Bridgeport yesterday looking over his young prune orchards. He states that they are not hurt by the frost.

The Model meat market of Dallas has filed assumed business name. The new parties conducting the business are F. L. Guthrie, Edith E. Guthrie and Frank Moser. The market was formerly owned by Wills and George Gohrke.

### Mrs. E. L. Kitchum Passes At Home In Independence

Independence, May 12.—Mrs. Kitchum, wife of Dr. E. L. Kitchum, a pioneer physician of this city, died suddenly at her home south of town early yesterday morning. Heart disease is said to have been the immediate cause of her death. Mrs. Kitchum had been in poor health for a number of years, but her death came unexpectedly. She made no complaints of being ill when she retired the evening previous. The information of her death came yesterday morning when a member of the family went to her room to call her to breakfast.

Mrs. Kitchum had been a resident of this city for many years. Most of her married life was spent in Independence. A few years ago Dr. Kitchum retired from the practice of medicine and the family moved to his farm a little way south of here. Mrs. Kitchum was upwards of 70 years of age. She is survived by her husband and three daughters. Funeral arrangements have not yet been made, but it is probable that interment will be made in the I. O. O. F. cemetery, and the funeral will likely be held in the Presbyterian church, of which she was a member.

Mayor Caldwell of Seattle is opposed to permitting streetcar company to raise fares.

### Grip, Influenza

Hamlin's Wizard Oil a Reliable, Antiseptic Preventative  
During Influenza epidemics spray the nose and throat several times a day with one part Wizard Oil and two parts water, using an atomizer. If you haven't an atomizer, gargle the throat and snuff the mixture up the nose. This treatment sets up an antiseptic wall of defense against flu germs.

Chest colds and sore throat lead to grip. Stop them at once with Wizard Oil before they can develop into a dangerous influenza.

Get it from druggists for 20c. If not satisfied, return the bottle and get your money back.  
Ever constipated or have sick head ache? Just try Wizard Liver Whips, pleasant little pink pills, 6c at druggists. Guaranteed. (Adv)

## The story of four men

**L**OOK at them—first as they were on the day they joined the Army, then after one month of training. The story tells itself in the way they stand.

Getting on in the world depends a good deal on the health and energy you've got, on how hard you can hit the line.

Thousands of men right now are getting themselves in physical condition to do real things in life, by training in the new democratic, peace-time Army.

Ask if there's a vacancy.
